OBJECTIONS

Senator Lembke submitted the following:

May 29, 2012

Terry Spieler
Secretary of the Senate
State Capitol Building
Jefferson City, MO 65101

Dear Madam Secretary:

Pursuant to Rule 68, this letter is to notify you and others that I am filing a constitutional objection to CCS SS SCS HCS HB 2011. Please print this letter in the Senate Journal. I object to this legislation for the following reasons:

1. Specifically, Section 208.151, RSMo., established the eligibility criteria for the blind healthcare program. Section 208.152 sets forth

the benefits package for various state health care programs and prohibits the imposition of payments (i.e., premiums) for certain classes of eligible recipients and specifically prohibits premiums being imposed on "blind persons". The language contained in HB 2011 will impose premiums on those recipients under the Blind Health Care Program.

2. The language contained in HB 2011 attempts to amend the eligibility criteria by adding more restrictive programs. With this, the General Assembly is legislating through an appropriations bill and is attempting to change existing statute by passage of HB 2011. That action would violate the constitutional restriction that a bill be limited to ONE subject.

3. Precedent for this was set in Opponents of Prison Site, Inc. V. Carnahan, 994 S.W.2d 573 (Mo. W.D. 1999) which states "[a] general appropriation bill, containing appropriation for numerous unrelated state activities, cannot amend substantive legislation . . .". Simply stated, the General Assembly cannot legislate through an appropriations bill. Such an action violates the constitutional restriction established in Article III, Section 23 that a bill be limited to one subject.

The law in Missouri is clear – as this General Assembly was reminded in 2010 – that amending substantive law through an appropriations bill is unconstitutional and unenforceable.

I ask that the aforementioned objections be attached to the bill.

Thank you.
/s/ Jim Lembke
Senator Jim Lembke
District 1

NINETY-SIXTH GENERAL ASSEMBLY

OF THE

STATE OF MISSOURI

SECOND REGULAR SESSION

VETO SESSION

WEDNESDAY, SEPTEMBER 12, 2012

The Senate was called to order in Veto Session by Lieutenant Governor Peter Kinder.

Reverend Carl Gauck offered the following prayer:

Gracious God, we gather to address the issue of vetoed bills and to determine their fate. So bless us with wisdom and understanding so our decisions are in keeping with Your will. And Lord, we who serve the public interest are perhaps more sensitive to the attack on the American Consulate and so we grieve at the deaths of those who served there. We pray for their families that You may comfort them and that we may make an appropriate response to this violence.

And we pray that You might bless us and make us mindful that this may be the last time we see each other and work together. So we ask Your blessings on the work we have done together that they may be a blessing to our people. And as we gather for our final goodbyes may Your graciousness be experienced and our farewells meaningful and significant to our lives. In Your Holy Name we pray. Amen.

The Pledge of Allegiance to the Flag was recited.

The following Senators were present during the day's proceedings:

TO THE SECRETARY OF STATE OF THE STATE OF MISSOURI

Herewith I return to you Senate Committee Substitute for Senate Bill No. 566, entitled:

AN ACT

To amend chapter 322, RSMo, by adding thereto one new section relating to vaccination of dogs and cats against rabies.

I disapprove of Senate Committee Substitute for Senate Bill No. 566. My reasons for disapproval are as follows:

Senate Committee Substitute for Senate Bill No. 566 would introduce confusion and conflict into the process by which rabies is detected and treated, a process which is already provided for in Missouri law and which effectively protects Missourians who may have been exposed to rabies.

Rabies is an invariably fatal disease for humans unless timely treatment is administered. A clear, quick, and comprehensive detection process, which includes testing of suspect animals, is therefore critical. Missouri has such a process. Section 322.140, RSMo, sets forth a multidisciplinary approach in which the Missouri Department of Health and Senior Services has the authority, in consultation with veterinarians, local law enforcement, health officials, and health care providers, to confiscate a suspect animal and order testing or other measures deemed appropriate. The scientifically-accepted method for definitively confirming rabies in an animal requires examining brain segments, a process that necessitates the death of the suspect animal. Under current law, public health veterinarians and communicable disease epidemiologists at the Department discuss each case with local health officials, veterinarians, and the medical doctors treating people who may have been exposed to rabies. This multidisciplinary approach properly takes into account both the health of the patient and the condition of the animal. The approach also adequately protects public health.

Senate Committee Substitute for Senate Bill No. 566, by contrast, creates an ambiguous, competing process for detecting and treating rabies,

one that does not supplant what is already provided for in law. By itself, this new and unnecessary process is inadequate to protect the public. Paired with the already existing process, the new provisions will create unwarranted – and most certainly unintended – consequences for Missourians who may become exposed to rabies.

This legislation would give a veterinarian the unilateral authority to determine whether a suspect animal should be euthanized when the veterinarian "deems it necessary for the immediate health of the injured person." Replacing a multidisciplinary team with a single decision-maker would place Missourians who may have been exposed to rabies at significant risk. Veterinarians play an important role in Missouri's system of detecting rabies. But just as a medical doctor lacks the expertise necessary to assess a suspect animal, a veterinarian lacks the expertise necessary to assess the condition of the potentially infected person. That is why the multidisciplinary approach provided by the current law must be preserved.

Moreover, the legislation uses ambiguous terms in establishing this new process. For instance, the "reasonable suspicion" that would trigger the process is undefined and will likely lead to confusion. Similarly, the "proper authorities" to which the owner of a suspect animal must surrender the animal are not specified. Rather, a non-exhaustive list of possible examples – law enforcement officer, public health officer, or veterinarian – is included. For a disease that is fatal without the administration of swift treatment, detection should require a more certain process, like the one currently in place. This legislation undermines the existing process and exposes Missourians to the risk of not receiving life-saving treatment. There is no compelling justification for disrupting the system already provided for in Missouri law.

In accordance with the above stated reasons for disapproval, I am returning Senate Committee Substitute for Senate Bill No. 566 without my approval.

Respectfully submitted,
Jeremiah W. (Jay) Nixon

Herewith I return to you Conference Committee Substitute for House Committee Substitute for Senate Committee Substitute for Senate Bill No. 569 entitled:

AN ACT

To repeal sections 67.1860, 67.1862, 67.1864, 67.1866, 67.1868, 67.1870, 67.1872, 67.1874, 67.1878, 67.1880, 67.1886, 67.1888, 67.1894, 67.1890, 67.1892, 67.1896, 67.1898, 78.090, 79.070, 99.845, 115.091, 115.123, 115.241, and 115.637, RSMo, and to enact in lieu thereof nineteen new sections relating to elections, with existing penalty provisions.

I disapprove of Conference Committee Substitute for House Committee Substitute for Senate Committee Substitute for Senate Bill No. 569. My reasons for disapproval are as follows:

Conference Committee Substitute for House Committee Substitute for Senate Committee Substitute for Senate Bill No. 569 attempts to amend section 67.1880.2 regarding when and how a property tax that is imposed by the voters of a law enforcement district may become effective. The bill states that such a tax "shall become effective on the first day of the second calendar quarter after the director of revenue receives notification of adoption of the local sales tax" (emphasis added). This language makes the effectiveness of the property tax contingent on an event that can never occur – the adoption of a local sales tax that is not provided for in statute. In accordance with the above stated reasons for disapproval, I am returning Conference Committee Substitute for House Committee Substitute for Senate Committee Substitute for Senate Bill No. 569 without my approval.

Herewith I return to you Senate Substitute for Senate Bill No. 607 entitled:

AN ACT

To amend chapter 226, RSMo, by adding thereto one new section relating to the regulation of outdoor advertising.

I disapprove of Senate Substitute for Senate Bill No. 607. My reasons for disapproval are as follows:

Senate Substitute for Senate Bill No. 607 addresses the regulation of outdoor advertising. The provisions in this legislation are similar to those contained in Conference Committee Substitute for Senate Substitute for Senate Committee Substitute for House Committee Substitute for House Bill No. 1402; however, the provisions are not identical and, therefore, approval of both bills would result in confusion. Because I have approved Conference Committee Substitute for Senate Substitute for Senate Committee Substitute for House Committee Substitute for House Bill No. 1402, approval of Senate Substitute for Senate Bill No. 607 would be both unnecessary and harmful to the regulation of outdoor advertising. My disapproval of Senate Substitute for Senate Bill No. 607 will preserve clarity on the regulation of outdoor advertising.

In accordance with the above stated reasons for disapproval, I am returning Senate Substitute for Senate Bill No. 607 without my approval.

Herewith I return to you Conference Committee Substitute for House Committee Substitute for Senate Committee Substitute for Senate Bill No. 635 entitled:

AN ACT

To repeal sections 30.270, 34.070, 178.530, 228.368, 301.600, 306.400, 339.500, 339.501, 339.503, 339.505, 339.509, 339.511, 339.513, 339.515, 339.517, 339.525, 339.527, 339.529, 339.532, 339.533, 339.535, 339.537, 339.541, 339.543, 339.545, 339.549, 339.1100, 339.1105, 339.1110, 339.1115, 339.1120, 339.1125, 339.1130, 339.1135. 339.1140, 339.1145, 339.1150, 339.1155, 339.1160, 339.1170, 339.1175, 339.1180, 339.1185, 339.1190, 339.1200, 339.1205, 339.1210, 339.1215, 339.1220, 339.1230, 339.1235, 339.1240, 362.333, and 400.9-311, RSMo, and to enact in lieu thereof thirty-four new sections relating to financial transactions, with penalty provisions and an emergency clause for a certain section.

I disapprove of Conference Committee Substitute for House Committee Substitute for Senate Committee Substitute for Senate Bill No. 635. My reasons for disapproval are as follows:

The Missouri Constitution requires that legislation adhere to certain procedural limitations in order "to keep individual members of the legislature and the public fairly apprised of the subject matter of pending laws . . ." as well as to prevent legislative log-rolling – where a number of unrelated amendments are cobbled together to garner support for provisions that could not alone command a majority. *Stroh Brewery Co. v. State*, 954 S.W.2d 323, 325-26 (Mo. banc 1997); *Hammerschmidt v. Boone County*, 877 S.W.2d 98 (Mo. banc 1994). These constitutional limitations are about more than procedure, they are safeguards on the democratic process.

The first such limitation is that "no bill shall be so amended in its passage through either house as to change its original purpose," which is established by a bill's "earliest title and contents." *Mo. Const. Art. III, Sec. 21*; *Legends Bank v. State of Missouri*, 361 S.W.3d 383, 386 (Mo. banc 2012). Notably, the content of the introduced version of this legislation was very much limited to the narrowly stated title of the introduced

bill (i.e., "securities that are pledged for the safekeeping and payment of public funds deposited in banks and financial institutions").

Throughout the legislative process, however, 33 new provisions were added. And while the original purpose requirement does not prohibit subsequent additions or changes, it does restrict "the introduction of matter that is not germane to the object of the legislation or that is unrelated to its original subject." *Stroh*, 954 S.W.2d at 326. Regrettably, several of these new provisions deal with matters unrelated to the safeguarding of deposited public funds, to include the treatment of damages in a civil case and procedures for perfecting liens on refinanced motor vehicles and watercraft. Because these matters are outside the bounds of the legislation's original purpose, Conference Committee Substitute for House Committee Substitute for Senate Committee Substitute for Senate Bill No. 635 offends the tenets of Article III, Section 21 of the Missouri Constitution.

Next comes Article III, section 23, of the Missouri Constitution, which contains two related prohibitions – the first precludes a bill from containing more than one subject, and the second requires that single subject to be clearly expressed in the bill's title. The "single subject" test is whether all provisions of the bill "fairly relate to the same subject, have a natural connection therewith or are incidents or means to accomplish its purpose." *Hammerschmidt*, 877 S.W.2d at 102. Because a bill's "single subject" is discerned from the title of the bill's final version, the question then becomes whether all of the bill's 34 sections relate to "financial transactions." Indeed they do not. One provision deals with the responsibility of homeowners to maintain private roads, while another establishes standards for licensing real estate appraisers. Even applying the "single subject" test as broadly as the law allows is not enough to encompass these wholly unrelated matters.

Nor can it be said that the title of Conference Committee Substitute for House Committee Substitute for Senate Committee Substitute for Senate Bill No. 635 would be able to withstand "clear title" scrutiny. "The touchstone of the clear title rule," which is to ensure that the reader is not misled, "is that the bill's title cannot be underinclusive." *C.C. Dillon Company v. City of Eureka*, 12 S.W.3d 322, 329 (Mo. banc. 2000). With that in mind, no reasonable person would anticipate that legislation entitled "relating to financial transactions" would contain 23 pages on real estate appraisers or three pages on the maintenance of private roads.

In accordance with the above stated reasons for disapproval, I am returning Conference Committee Substitute for House Committee Substitute for Senate Committee Substitute for Senate Bill No. 635 without my approval.

Herewith I return to you Senate Committee Substitute for Senate Bill No. 715 entitled:

AN ACT

To repeal sections 40.435 and 41.050, RSMo, and to enact in lieu thereof one new section relating to the state militia.

I disapprove of Senate Committee Substitute for Senate Bill No. 715. My reasons for disapproval are as follows:

Senate Committee Substitute for Senate Bill No. 715 would repeal a complaint procedure contained in section 40.435, RSMo. This procedure has been available for nearly thirty years and, while there are other grievance mechanisms available to the members of the Missouri National Guard, a particular situation or issue may justify the use of this reporting process. Therefore, absent a showing that this procedure lacks utility or is otherwise deleterious to the welfare of the Missouri National Guard, this long-standing process should remain an option available to our service men and women.

Senate Committee Substitute for Senate Bill No. 715 also provides the Adjutant General with the discretion to waive the maximum age limitation for members of the Missouri Reserve Military Force. This will provide the Adjutant General with the flexibility necessary to recruit a reserve force that possesses the skills and abilities necessary to assist Missourians in a time of need. However, that provision is duplicative of a provision contained in House Bill No. 1105, which I approved.

In accordance with the above stated reasons for disapproval, I am returning Senate Committee Substitute for Senate Bill No. 715 without my approval.

Herewith I return to you Conference Committee Substitute for House Committee Substitute for Senate Substitute for Senate Bill No. 749 entitled:

AN ACT

To repeal section 376.1199, RSMo, and to enact in lieu thereof two new sections relating to the protection of the religious beliefs and moral convictions of certain persons and entities, with an emergency clause.

I disapprove of Conference Committee Substitute for House Committee Substitute for Senate Substitute for Senate Bill No. 749. My reasons for disapproval are as follows:

Missouri law for over a decade has effectively provided strong religious protections, which I support, giving employers the freedom to abstain from providing or paying for contraceptive coverage in their health plans "if the use or provision of such contraceptives is contrary to the moral, ethical or religious beliefs or tenets of such person or entity." These protections are not limited to religious or religious affiliated organizations. Instead, existing Missouri law provides that any employer, not just religious related entities, with firmly held objections to contraceptives may decline contraceptive coverage. Similarly, these same protections extend to employees who have a moral, ethical or religious opposition to the use or provision of contraceptives regardless of whether their employer is a religious or religious affiliated organization. Nothing in Conference Committee Substitute for House Committee Substitute for Senate Substitute for Senate Bill No. 749 would enhance these substantive religious protections that have been in place and afforded to employees and employers and will remain part of Missouri law after my action today.

However, Conference Committee Substitute for House Committee Substitute for Senate Substitute for Senate Bill No. 749 contains a provision that would undermine the priority, found in current law, placed on the moral, ethical or religious beliefs of both employees and employers. Under that provision, an insurance company would be allowed to impose its will, and deny inclusion of contraceptive coverage, even if that position is inconsistent with the rights and beliefs of the employee or employer. The moral, ethical and religious beliefs of Missourians, that are currently honored, should not become secondary to the will of an insurance company. Such an effort would signal a retreat from the liberties enjoyed by employers and employees under current law.

In accordance with the above stated reasons for disapproval, I am returning Conference Committee Substitute for House Committee Substitute for Senate Substitute for Senate Bill No. 749 without my approval.

Herewith I return to you Senate Committee Substitute for Senate Bill No. 837 entitled:

AN ACT

To repeal section 407.400, RSMo, and to enact in lieu thereof one new section relating to franchises.

I disapprove of Senate Committee Substitute for Senate Bill No. 837. My reasons for disapproval are as follows:

Two key components to a successful future for Missouri's agricultural economy are the wine and grape industry and our entrepreneurial soybean growers. The changes Senate Committee Substitute for Senate Bill No. 837 would make to Missouri's franchise law threaten to put at substantial risk the gains made by Missouri agriculture since Prohibition, could jeopardize the future growth of Missouri's wineries, and will make it harder for our soybean growers to develop a market for Missouri-made soy-based beer.

Wholesalers are an important component to Missouri's comprehensive three-tiered system of alcoholic beverage regulation. Effective wholesalers benefit suppliers by providing distribution opportunities that can enhance suppliers' market share, opportunities suppliers may not be able to identify independently. However, because wholesalers exercise the gate keeping role in our three-tiered system, suppliers – particularly small suppliers such as Missouri's wineries and microbrewers – often start with a bargaining power deficit in contract negotiations. Thereafter, when a wholesaler underperforms or non-performs on a contract, because the supplier is dependent on the wholesaler for market access, the supplier may never succeed in growing its sales and, as a result, never acquire sufficient bargaining power to negotiate better contract terms with the wholesaler.

Overlaying the effect of Missouri's three-tiered system on the comparative bargaining power of suppliers and wholesalers is the applicability of Missouri's franchise law to their relationships with one another. Senate Committee Substitute for Senate Bill No. 837 strikes two of three elements from the definition of a "franchise" when applied to the contractual relationships between liquor suppliers and wholesalers. As a result, if this bill were to become law, the only element left to make a contract between a supplier and a wholesaler a "franchise" would be the existence of the contract itself – nothing more. All contracts between liquor suppliers and wholesalers – whether oral or written, whether of definite or indefinite duration – would be converted into franchise agreements. And only a showing of "good cause," which applies in only a limited set of circumstances, would permit the valid termination of franchise contracts.

The law narrowly defines "good cause" for termination so that avenues to escape a franchise are curtailed and the parties who have invested substantial resources in the franchise – particularly the franchisee – are protected. But the combination of the definitional changes to a franchise wrought by Senate Committee Substitute for Senate Bill No. 837 and the existing law's limitations on the termination of such contracts threatens to lock suppliers into contracts with wholesalers, with no effective means of relief. In this situation, competition is diminished, the consumer inevitably suffers and Missouri agriculture is harmed.

Senate Committee Substitute for Senate Bill No. 837 goes much further than a mere declaration or clarification of legislative intent. The bill changes the substantive definition of a franchise – a change that appears inconsistent with the legislative intent of the existing law as indicated by the clear meaning of its text. Protecting wholesalers from wrongful contract termination where they have expended substantial resources promoting and distributing a supplier's product is an important policy objective. However, the wholesalers' protection cannot come through the near-total vitiation of the suppliers' flexibility and contractual bargaining power; such is too high a price to pay and this bill attempts to exact precisely that price.

The result of my action today will be to preserve suppliers' contractual bargaining power, particularly for many of Missouri's existing small wineries and microbrewers, as well as new market entrants such as our soybean growers, as they negotiate with wholesalers to distribute their products. This action will have no effect on the contractual relationships between any suppliers and wholesalers whose agreements already fit within the longstanding definition of a franchise under Missouri law.

In accordance with the above stated reasons for disapproval, I am returning Senate Committee Substitute for Senate Bill No. 837 without my approval.

Respectfully submitted,
Jeremiah W. (Jay) Nixon

NINETY-SIXTH GENERAL ASSEMBLY
of the
STATE OF MISSOURI

SECOND REGULAR SESSION

FIRST DAY, WEDNESDAY, JANUARY 4, 2012

Speaker Tilley in the Chair.

Prayer by Msgr. Robert A. Kurwicki, Chaplain.

He that loveth not, knoweth not God; for God is love. (I John 4:8)

Our God, to You do we come in prayer, lifting our minds and hearts into Your Holy presence as we begin in 2012. Assure us that You are with us and that we have a real place in Your heart and in Your endeavors to bring righteousness and peace and good will to our state.

We know that we are all too imperfect and that we have offended You - yet we believe that You are with us, loving us with a love that never lets us go and never lets us down. In Your love we live, by Your love we learn, and through Your love we find light for our day. May we be our loving best as we face the tasks of this day and session.

And the House says, "Amen!"

The Malden Route 1 Junior ROTC Color Guard presented the Colors.

The Pledge of Allegiance to the flag was recited.

Representative Jones (89) suggested the absence of a quorum.

ADDRESS BY SPEAKER STEVEN TILLEY

Friends, family and colleagues, welcome back to the Missouri House of Representatives.

As I've glanced into the very near future and see my life outside of this building (and man will that be nice), I've also been thinking a lot about those Missourians who do not think of what goes on in this building - the person who is not partisan or ideological and who doesn't spend their time reading blogs or spreading political gossip.

What does that person desire out of their state government? I think there are four things:

- First, they believe government should stay out of their wallets and live within its means just as they must do in their own lives.
- Second, they believe state government should respect and protect Missouri values.
- Third, they believe state government ought to work to create an environment in which our economy can flourish.
- And finally, Missourians believe that all children deserve a world-class education, regardless of gender, geography, income, or race.

Today, I am going to lay out a plan called the Blueprint for Missouri that I believe will accomplish these goals. In this year's legislative session, we will stay out of the taxpayer's wallet and force state government to live within its means. We will pass a taxpayer protection amendment to give Missourians the opportunity to end the boom-or-bust budget cycle by placing strict limits on the growth of government.

And I stand here today to renew our pledge to pass yet another balanced budget…a budget balanced by making the tough decisions the voters sent us here to make, not by raising taxes on hardworking Missourians.

Unlike Washington, we won't balance our budget by borrowing from the taxpayer, and, unlike our governor, we will not balance our budget by asking our state colleges and universities for a bailout.

We will respect and defend the values of Missouri voters by passing legislation protecting pharmacists' right of conscience not to prescribe abortion drugs; creating a stable funding source for Missouri veterans' homes, and ensuring Missouri law protects our children from predators.

In this economy, Missourians expect us to get to work, to help get them back to work. To do that, we must work to create an economic climate where businesses believe they can not only keep their doors open, but can grow, and hire. This session, we will work to give employers the stability they need by taking a comprehensive look at the laws effecting Missouri businesses and work to provide them with the relief they need. We will work to protect Missouri employers from frivolous law suits from being filed against them by instituting a 'loser pays' legal system, where those who file junk lawsuits against our job creators and lose are forced to pay the bill.

And we will focus on education to improve the prospects of long-term growth. For too many years we've done nothing to help Missouri children in failing school districts. As your Speaker, I make this pledge to the thousands of Missouri children currently in failing schools: You are not forgotten, and we will fight each and every day here in the Missouri House to give you the kind of quality education every child deserves.

If I ended right now it would probably go down as the shortest opening day speech in Missouri history.

In seven – now eight years – of service in this body, I've never heard a fellow member say that the Speaker's opening day speech was too short. Every year the Speaker trudges up here and uses flowery language to recite a laundry list of legislative priorities. Having been freed from the shackles of seeking future elected office, that's not the speech you're going to hear today. Instead, I want to talk about life and those special moments that make it so amazing.

As I enter my last session in the General Assembly, and personally go through a difficult time in my life, I have had time to reflect back on my achievements and the memorable moments. The interesting thing is that it's not the legislative or political victories that bring a smile to my face, it's the personal moments with past and present members that touched my heart or taught me something that I will take with me long after I'm gone. I want to share a few of those with you today.

It's no secret in this building or across the state that I get along with members of both parties and have developed some close friendships with many Democrats. One of those friendships is with former State Senator Jeff Smith. Jeff was once a rising star not just in the Democratic Party – but in Missouri and perhaps national politics. He was smart, charismatic, and hard working. He had it all – well, except height – Jeff's so short he makes our majority leader look like a giant. Heck, he was even a movie star. But as we all know – Jeff's world came crumbling down – and he ended up doing time in prison for what he would admit were stupid mistakes.

I was one of the few people from the political world who visited Jeff in prison. So I go to visit him, and I'm asking Jeff how it is – and it's rough. Then I ask him who he's seen or talked to, and he tells me, "When I was in the Senate I had 4,000 contacts in my phone. – 4,000 friends, colleagues, constituents. People who I believed cared about me. But since my fall, only about 100 of those people have stayed in contact with me." I told him I was sorry, and his response surprised me. "Don't be sorry," he said. "It's one of the few positives of this whole thing." Before he went to prison, Jeff said he spent 95 percent of his time with the 3,900 people in his contact list that didn't truly care about him. But when he left, he knew he was going to spend 100 percent of his time with the people who truly did care about him and love him.

The reason I share this story is that we are all elected officials -- with important jobs – and with our responsibilities comes a list of people who want our time and attention. Your contact list has undoubtedly grown substantially since you started in this job. But do not lose track of the people who truly care about you for being you. I stand before you today with full knowledge that I lost track for a time and it's something I will always regret.

Don't let that happen to you. Focus your time on the people who love you for who you are, not for what title you attain.

Along those same lines, it wasn't long ago that one of our colleagues, Representative Colona, lost his mother to cancer. I remember getting the visitation schedule and thinking I was really busy and wasn't sure if I had time to go. But Mike is someone that I admire and respect and am honored to call my friend, so I made time. At the visitation, I was with Mike and his family and listening to the memorable times they had with their mom, but also acknowledging the sorrow of no longer having her in their lives.

As I left the visitation, I remember thanking God for still having my mother in my life. And it made me realize that since entering politics that I had not gone to see her nearly as often as I once did – or call as often as I should. In Mike's moment of loss, he taught me something I should have been smart enough to know on my own – and for that, Mike, I will always be grateful.

As Speaker, I've also been able to see great moments. It never ceases to amaze me how, as elected officials, we often have the chance to create a memorable moment in someone else's life – but that moment in turn becomes a memorable moment for us. I've had countless experiences like that – but one in particular stands out.

Last year, I invited a former member of the House from Poplar Bluff to come speak to the Republican caucus. The former member was Mark Richardson – our colleague Todd Richardson's father.

Now I've never been to an entire Democratic caucus meeting – so I'm not sure exactly how they go, but I'm confident they're not too different than ours. Most caucus meetings take place just before we go up to the floor to start the week – so everyone is ready to get the heck out the door before we even start.

But in comes Mark Richardson. I know many folks in our caucus knew little to nothing about him. But I also knew he was regarded by many as one of the best public servants they'd ever met – and that, boy could he ever tell a story. Mark stands in caucus and tells the story of how he was this close to becoming Speaker from the Minority Party.

Mark spoke for 30 minutes – and as I looked around the room everyone was on the edge of their seat. No one was checking their watch or their phone. No one was going in and out of the room. Todd's dad captured our entire caucus for 30 uninterrupted minutes with just his own ability to tell a story. As Mark finished, I glanced over at Todd. He didn't say anything but you could tell how proud he was of his father.

As we left caucus and proceeded upstairs, I grabbed Todd and his father and asked if they would join me at the dais. That day I got to witness Mark, a former member of the House who never served in the majority, be introduced by his son, who was presiding over the Missouri House of Representatives.

A few weeks later I received a thank-you letter from Mark that said, "You gave me one of the greatest moments of my life, and for that I will always be grateful." It's moments like these that make life special, and each of you have the ability to create those moments for people. I would encourage you to try as often as you can because when you reflect back, those moments will be just as special to you as they were to them.

With that, I want to leave you with a word of advice from a dear friend of mine – a person who is controversial on our side of the building. Yes, Jason Crowell.

When I first came here seven years ago, Senator Crowell gave me a piece of advice that I've carried with me ever since. He said, "Leave the building a better place than how you found it."

In seven years, I've done my best to foster bipartisanship – to calm the tone of debate – and to make friendships across the aisle. When I go back to private life, my fondest memories will not be the bills I helped pass or even the fights we won on the floor. Instead, it will be the moments of friendship I shared with both Republicans and Democrats – and both House members and Senate members.

This building wears us down. We come here from January to May, leaving our families behind, and often feel like we're fighting tooth and nail for everything against everyone. We have a tendency to get too caught up in the fights – and forget just how awesome it is to have the opportunity to be here serving the people. And how, despite our differences in opinion, we all share a commitment to public service that brings us together. Now, I'm not suggesting we spend the next four months holding hands. To do so would be to abandon our mission to represent our constituents. But let's always remember that our common commitment to service and doing what is best for our constituents outweighs even our genuine disagreements on policy.

As we go through this session, I ask that you remember the words of Senator Crowell: Leave this building better than you found it.

Thank you for your shared service. Let's have a great session. May God Bless the United States of America and the Great State of Missouri.

Speaker Pro Tem Schoeller assumed the Chair.

The Preamble and Article I of the Missouri State Constitution were read by members of the 96th General Assembly.

Pursuant to Section 9.141, RSMo, the Bill of Rights was read by Marilyn Seaton, Senior Journal Clerk, Office of the Assistant Chief Clerk.

JOURNAL OF THE HOUSE

Second Regular Session, 96th GENERAL ASSEMBLY

SECOND DAY, THURSDAY, JANUARY 5, 2012

The House met pursuant to adjournment.

Speaker Tilley in the Chair.

Prayer by Msgr. Robert A. Kurwicki, Chaplain.

I will lift up mine eyes unto the hills, from whence cometh my help. (Psalm 121:1)

O God, Who is ever near and ever ready to help those who put their trust in You, clear our vision and strengthen our hearts as we wait upon You. Deliver us from doubt, free us from fear, and save us from the spirit that promotes confusion and disunity.

Help us to turn away from all movements which would stifle the liberties of free people and lead us into the fresh air of freedom, justice, and good will. By Your grace may we and our state live in this high moral climate all our days - so shall we be true children of Yours and so shall we serve well the citizens of our beloved Show Me State.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Sarah Grisamore, Gracie Grisamore, Angela Grisamore, Isaac Conroy, Nathan Conroy and Ashley Conroy.

JOURNAL OF THE HOUSE

Second Regular Session, 96th GENERAL ASSEMBLY

THIRD DAY, MONDAY, JANUARY 9, 2012

The House met pursuant to adjournment.

Speaker Tilley in the Chair.

Prayer by Pastor Paul Meinsen.

Dear LORD, Your servant John heard the song: *Great and marvelous are Your works, O Lord God, the Almighty; Righteous and true are Your ways, King of the nations! Who will not fear, O Lord, and glorify Your name? For You alone are holy; For all the nations will come and worship before You, for Your righteous acts have been revealed* (Revelation 15:3-4).

Father, may this be the acknowledgment of each person here. That You are almighty; that You are righteous and true; that You are the Sovereign One over all the nations; that You alone are holy.

May these thoughts, O LORD, bring about a spirit of humility in each one of Your servants here. May this chamber be known as a chamber of service. May each person consider the good of the state, rather than the good of themselves. May each person think more highly of all people, rather than thinking others are beneath them. And may we all be reminded that You are the King of Kings.

I do pray for the wisdom and needed discernment as they look at legislation. More importantly, Father, I pray for the wisdom and needed patience as they interact and work with the people in their respective districts. You have called these leaders "Your diaconos," "Your servants for good" in Romans 13; may they truly carry out Your designs for government leaders.

May we all learn to fear You and You alone. Draw each one unto Yourself.

We call upon You in this prayer. Please answer and be glorified. For You are good and Your love endures forever.

To the honor of Your name, O Lord, I pray in Your Son's name. Amen.

The Pledge of Allegiance to the flag was recited.

JOURNAL OF THE HOUSE

Second Regular Session, 96th GENERAL ASSEMBLY

FIFTH DAY, WEDNESDAY, JANUARY 11, 2012

The House met pursuant to adjournment.

Speaker Pro Tem Schoeller in the Chair.

Prayer by Representative Jeanie Riddle.

Most gracious Heavenly Father, maker of Heaven and Earth, thank You for this glorious day and Your humble servants who stand before You in this Chamber. Father, please bless the good men and women who seek to do Your will and serve the citizens of our great state. Lord, please bless us with wisdom and discernment as we go about the duties entrusted to us. Remind us to be thankful each day for Your intervention and many blessings.

Lord, there are those today with a heavy heart due to circumstances beyond their control. I ask that You lift them up and fill them with the Holy Spirit and let them know that You are always there. Your Word says that we can do all things through Christ who strengthens us. Give all those listening today strength to do Your will.

In Jesus' name we pray. Amen.

The Pledge of Allegiance to the flag was recited.

The Journal of the fourth day was approved as printed by the following vote:

JOURNAL OF THE HOUSE

Second Regular Session, 96th GENERAL ASSEMBLY

SIXTH DAY, THURSDAY, JANUARY 12, 2012

The House met pursuant to adjournment.

Speaker Pro Tem Schoeller in the Chair.

Prayer by Msgr. Robert A. Kurwicki, Chaplain.

In Him we live and move and have our being. (Acts 17:28)

Eternal God, Who is the life of our spirits, the law of our minds, and the love in our hearts, with simple trust we draw near to You, opening our lives to Your renewing presence. Strengthened with might by Your spirit in the inner being, may we launch out into this new day sustained by an unfaltering faith which holds us up and supported by an unfailing fortitude which will carry us through with honor to ourselves, to our state and to You.

Into Your keeping we commit our loved ones, our staffs and the people of Missouri. Keep us steady, make us confident and give us the courage to face each day with a firm trust in You.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Journal of the fifth day was approved as printed by the following vote:

JOURNAL OF THE HOUSE

Second Regular Session, 96th GENERAL ASSEMBLY

SEVENTH DAY, TUESDAY, JANUARY 17, 2012

The House met pursuant to adjournment.

Speaker Tilley in the Chair.

Prayer by Msgr. Robert A. Kurwicki, Chaplain.

I will lift up mine eyes unto the hills, from whence cometh my help. (Psalm 121:1)

O God, Who is ever near and ever ready to help those who put their trust in You, clear our vision and strengthen our hearts as we wait upon You. Deliver us from doubt, free us from fretfulness, and save us from the spirit that promotes confusion and disunity. Help us to turn away from all movements which would stifle the liberties of free peoples and lead us into the fresh air of freedom, justice, and good will. By Your grace may we and our state live in this moral climate all our days – so shall we be true children of Yours and so shall we serve well the citizens of Missouri.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Journal of the sixth day was approved as corrected.

The Doorkeeper announced the approach of the Honorable Jeremiah W. (Jay) Nixon, Governor of the State of Missouri. The Governor was duly escorted to the House Chamber and the Speaker's dais, where he delivered the following message to the Assembly in Joint Session.

STATE OF THE STATE
ADDRESS BY
GOVERNOR JEREMIAH W. (JAY) NIXON

Legislative leaders, Judges of the Missouri Supreme Court, Lieutenant Governor Kinder, state officials, members of the General Assembly, members of my cabinet, and my fellow Missourians:

It's an honor to be here this evening joined by Missouri's First Lady, Georganne Nixon, and members of our family.

Over the last year, many Missouri communities have braved unthinkable hardships. And none more so than in Joplin – the toughest town on God's green earth.

Time and again, the people of Missouri have met those challenges with unwavering strength and determination.

A few months ago, on the first day of school in Joplin, I met a remarkable young man named Quinton Anderson. Quinton is a senior at Joplin High School. He's an excellent student ... and a science whiz. He hopes someday to create new vaccines.

Graduation day this year will have special meaning for Quinton, as it will for so many in Joplin.

Because it was on graduation day last year – May 22 at 5:41 p.m. – that Joplin was hit by the deadliest tornado in modern history.

Winds clocked at 200 miles an hour tore a swath a mile wide and six miles long through the heart of the community. When I stood there surrounded by smashed cars and shattered homes, it was nothing but devastation as far as the eye could see.

In just 19 minutes, the twister left thousands of people homeless. More than 7,000 homes and hundreds of businesses were damaged or destroyed. More than a 1,000 people were injured.

161 lost their lives.

The tornado leveled Quinton's home.

Both his parents were killed.

Quinton was flung through the air and found blocks away – face-down in a ditch with a fractured skull, a shattered spine, his left leg torn to shreds.

He spent five and a half weeks in the hospital. And after he left the hospital, Quinton had this to say: "I used to just take each day like it was given to me. But it's not. It's a gift. You've gotta pray for the next one. Don't give up hope. Always pray to get stronger each day. And if you're in physical therapy… and they tell you to walk ... always take that extra step."

Always take that extra step …

… His parents would be so proud.

Quinton, your faith and your fight have shown the world that the spirit of Joplin is unbreakable. People of Missouri, please welcome Quinton Anderson and his sister, Grace.

Mother Nature hit us hard in 2011, starting with tornadoes on New Year's Eve …

A blizzard that shut down I-70 from St. Louis to Kansas City…

Record flooding and drought in the Bootheel … and in northwest Missouri …

The intentional breach of the Birds Point levee by the Corps of Engineers …

More tornadoes on Good Friday …

Another tornado in Sedalia … and of course, the EF-5 tornado in Joplin and the surrounding area.

And through every natural disaster they endured, the people of Missouri relied on our brave men and women in uniform: our first responders, our law enforcement community, and all who have answered the call to military service.

In the aftermath of Joplin alone, men and women from more than 400 public safety agencies rushed to help.

Certain special people have a spirit that compels them to run toward trouble, not away from it. And Missouri State Trooper Fred Guthrie Jr. was one of them.

In 2007, Trooper Guthrie earned our state's highest law enforcement honor, the Missouri Medal of Valor, for saving a woman during a violent storm on Smithville Lake.

It was the same selfless spirit that compelled Trooper Guthrie to brave the swift currents of the Missouri River, which claimed his life last August.

Fred Guthrie was a hero, who died as he lived: protecting others. Even as we mourn our loss, we are lifted up by his courage. Missouri is a better place for his service.

Please join me in thanking the family of Trooper Fred Guthrie – his wife, Teresa; and their three children, Amber, Dylan, and Cody – and all our men and women in uniform.

Quinton Anderson. Fred Guthrie. Our men and women in uniform.

They have shown us the face of courage. They have shown us what it means to be strong in the toughest of times. What it means to take that extra step.

And we've seen our share of tough times these past few years.

It began in 2008, when our nation was hit with the most severe economic recession of our lifetime. In the last six months of 2008, we lost more than 55,000 jobs. In December of 2008, Missouri saw more than 100 mass layoffs, the most ever since we began tracking that number.

But we didn't make excuses. We didn't wait around for help.

Missourians stood up ... got to work … showed our strength.

Yes, times have been tough. But Missourians have always been tougher.

And that's why I'm so optimistic about our future.

The people of the Show-Me State are stubborn and self-reliant.

When times are tough, we buckle down and get to work.

Missourians don't want a handout.

Missourians don't want a bailout.

Missourians just want an opportunity to succeed.

The people of Missouri turned to all of us … for strong leadership … for a clear path forward … and for hope for a brighter future.

And I'm proud to say that because of our strong leadership, Missouri is once again moving forward.

Unlike Washington, we've worked together like adults … no matter what part of our state we're from, how we make a living, or what party we belong to.

Unlike Washington, we've kept a laser-like focus on job creation.

Unlike Washington, we've maintained our strict fiscal discipline and balanced our budget – and we've done it without raising taxes.

Our commitment to balancing the budget, holding the line on taxes, and our focus on creating jobs, is paying off.

The national recession brought sharp job losses in 2008 and 2009, but we have turned the corner. Today, it was reported that our unemployment rate is now at its lowest level in three years.

Missouri farms and businesses are shipping more goods around the globe, generating billions of dollars of economic activity and thousands of jobs here at home.

And together, we're bringing the American auto industry back to life right here in the Show-Me State.

But there is more work to do.

Tonight, I'll lay out a specific strategy to create more jobs and grow our economy.

That strategy builds on the granite foundation of fiscal discipline we have laid here in Missouri:

Balancing the budget;
Holding the line on taxes;
Making government smaller, smarter, and more efficient.

The national recession, and the gridlock in Washington, created tough budget times for all the states.

Some states simply chose to ignore the problem, spent more money than they had, and racked up huge deficits.

But not here in Missouri. Since taking office, I've cut government spending by $1.6 billion.

And with the balanced budget I present tonight, I'll have reduced the government's payroll by 4,100 positions. The state workforce is the smallest it's been in 15 years.

Those decisions were tough, but necessary.

Other states haven't shown that fiscal discipline. More than 30 states have raised taxes, including Kansas and Illinois.

But we have not.

Because we know that Missouri families can't afford a tax increase. Period.

In fact, to help more small businesses create jobs and grow, we've begun to phase out the outdated franchise tax on thousands of Missouri businesses.

That means more money to their bottom line – and more jobs for Missouri workers.

But we haven't just made your government smaller. We're also making your government smarter.

By 2015, the Department of Transportation will have cut $512 million in overhead and administrative costs, and put that money where it belongs: building roads and bridges.

We've consolidated offices and cut our energy bills. We've put critical services online, including teacher certification; insurance agent licenses; and GED transcripts. We've eliminated paperwork, and slashed printing and postage costs.

Because of our focus on fiscal responsibility and efficiency, Missouri is one of the few states with a Triple-A credit rating from all three rating agencies. Kansas can't say that. Neither can Arkansas, Illinois, Kentucky, Nebraska, or Tennessee.

New Jersey got downgraded by all three credit rating agencies in the last year. Even the federal government got downgraded by Standard and Poor's.

You know what that says about us here in Missouri?

We know how to manage our money – better than our neighboring states, and much better than Washington.

Our Triple-A credit rating saves the taxpayers millions – and it signals that Missouri is a smart place to invest.

While we're talking about government efficiency, let me make a related point. For the past three years, I have called for comprehensive tax credit reform. Some of you in this room stood with me on this issue. Others did not.

The consequences of this inaction are clear. Over the past four years, more than $2 billion in state tax credits have been redeemed.

Effective tax credits are used to create jobs and grow our economy. But tax credits that aren't delivering for Missourians must be retooled and reformed. We all know that dollars spent on tax credits are dollars we cannot invest in other critical priorities.

Once again, I ask you to pass comprehensive tax credit reform to get this spending under control.

Balancing our budget. Holding the line on taxes. Maintaining a spotless Triple-A credit rating. These are all signs that Missouri is headed in the right direction.

The U.S. Chamber of Commerce recently called Missouri a leader and ranked us as one of the Top Ten business-friendly states in the nation because of our low taxes and fiscal discipline.

We also have a safe workforce. That's another reason we're poised for growth. Reducing on-the-job injuries is a point of pride for Missouri workers – and employers.

Since I became your Governor, workers' injury claims have gone down every year, and are now almost 50 percent lower than they were nearly two decades ago.

That means real cost savings for employers. The cost of workers' compensation has come down each year I've been Governor. In fact, businesses are paying less now for workers' comp coverage than they were back in 1994.

Here in Missouri, we're standing firm to protect workers' safety and workers' rights.

Because, as we all know, a strong and safe workforce makes a strong economy.

From our low taxes to our strong workforce, Missouri is well positioned for job creation. To keep our economy growing, we must build on these strengths.

That's what our Missouri Works strategy will do. With your help, we will:

One, grow more auto supplier jobs in Missouri;
Two, sell more Missouri-made goods overseas;
Three, prepare more workers for high-tech careers;
Four, train and hire more veterans;
Five, jumpstart innovation in science and technology;
Six, target high-growth industries; and
Seven, create jobs in rural communities.

Let's start with the automotive industry.

Missouri has always been an automotive state. It's who we are. It's in our blood. But for decades, the American auto industry had been in decline.

When I took office in 2009, thousands of jobs at Claycomo and Wentzville were at risk. We couldn't sit by and watch those jobs go to other states, or other countries.

But we didn't give up on the American auto industry. We believed in our hearts that American workers would build automobiles that could compete in a world economy.

But it was up to us to make sure they were built right here in the Show-Me State.

So, I went to Detroit, and met with the heads of Ford and GM.

And after those meetings, we took bold action.

I called the General Assembly into special session. Folks from across our state – urban and rural, business and labor, Democrats and Republicans – came together and worked with us to pass the Missouri Manufacturing Jobs Act.

And it has paid off.

Last October, Ford announced that it will invest $1.1 billion in Claycomo.

To put that in perspective, that's a bigger capital investment than building Arrowhead and Kauffman stadiums – combined.

Ford is going to produce the Transit van in the United States for the first time. Until now, it's only been produced overseas. But, because of our work, this vehicle will now be built with pride right here in the Show-Me State.

No more outsourcing, folks. We're bringing jobs back to Missouri.

In addition to the Transit, Ford is adding a second shift at Claycomo to produce more F-150 pickups.

This massive investment will bring 1,600 new jobs to the Claycomo plant – on top of the existing 3,800 jobs we saved.

Just two weeks later, GM announced that it would invest $380 million to build its new Chevrolet Colorado at Wentzville, and add a second shift on its two existing vehicles.

That's another 1,660 new jobs right here in Missouri.

I wish all of you could have been there with me when we made those announcements. After all they've been through, to see the look in those workers' eyes … to know they can put food on the table … and clothes on their kids' backs; to know they can pay the mortgage and the electric bill … to know that they can put money in the collection plate on Sunday.

What we do here really matters.

And we won't stop now.

Last week, I was back again in Detroit, sitting face-to-face with senior executives at Ford, GM, and some of the world's largest auto suppliers.

I was there for one reason: to get more auto parts suppliers to invest in the Show-Me State. Whether they're making seats or steering wheels, axles or airbags, we want suppliers to bring more of those jobs to Missouri.

As part of our Missouri Works strategy, I call on the legislature once again to stand up with me and fight for the automotive industry. We must pass legislation to help auto suppliers create new jobs across Missouri.

Make no mistake: Just like before, competition for these jobs will be stiff.

But to the Missouri taxpayers, let me say this:

We won with Ford. We won with GM. And we will win with the auto suppliers and create even more jobs.

Let's get it done.

The next component of Missouri Works is to sell more Missouri-made goods overseas to create more jobs here at home.

It's clear the world wants what Missouri's got: Cotton and chemicals. Soybeans and semiconductors. F-150s and F-15s.

When I talk about selling Missouri-made goods overseas, I don't mean just the Fortune 500s that have an established global footprint. Competing globally is just as important for small businesses and family farms in every corner of our state.

One company that's ahead of the curve is Forrest Keeling Nursery in Elsberry, founded 63 years ago in the backyard of Dr. Forrest Keeling. Today, the nursery grows more than 250 types of trees, shrubs, and grasses and sells those products around the world. And they have patents pending in more than 50 countries.

Last year, I had the pleasure of visiting this small, hometown business that's winning in the global economy.

On behalf of all of our growing Missouri exporters, please welcome Forrest Keeling's CEO, Wayne Lovelace; his wife, Judy; and their daughter, Kim.

Because of companies like this, Missouri exports were up by $1.2 billion in the first three quarters of 2011. And that was on top of our outstanding 35 percent growth in 2010.

As part of Missouri Works, we're going to keep this momentum building by creating a one-stop shop to help Missouri businesses and farms find more customers in new international markets.

And with the new trade offices we'll be opening soon in China, Southeast Asia, and South America, we're taking the "Made in Missouri" brand global.

Last fall, I led a delegation of more than 60 Missouri business and agricultural leaders to China, where we signed agreements to sell $4.6 billion worth of Missouri products.

Because, I don't know about you … but I think it's time the guy in Beijing walked into his local store and saw "Made in America" stickers on the products he's buying.

Another part of our Missouri Works strategy is worker training.

In a global economy with constantly evolving technology, training and education can never stop.

We have established new higher-education programs like Caring for Missourians, Training for Tomorrow, MoHealthWINS, and our Nurse Training Initiative to prepare thousands more Missourians for rewarding careers that exist today.

Last year, we also increased Missouri's investment in our Customized Training Program by 50 percent. That record investment allowed us to train nearly 37,000 workers who are on the job now at more than 300 Missouri businesses.

As part of our Missouri Works strategy, the budget I present tonight continues our record investment in worker training for a second year, especially in high-tech areas so critical to modern manufacturing.

One of the growing companies we've helped with worker training is Meramec Electrical Products, which employs 130 people at its state-of-the-art facility in Crawford County.

Our Customized Training Program helped Meramec reduce production costs by 30 percent, become more competitive in the global market, and create 25 new jobs last year.

On behalf of all of our innovative small businesses, please welcome Meramec's CEO, Nick Sanazaro, and CFO Carolyn Sanazaro.

Now, let's talk about military veterans.

Honoring – and employing – our military veterans is another key element of our Missouri Works strategy.

During my last visit to Afghanistan, I was talking with a group of soldiers who were about to go out on patrol. As they were suiting up, I asked one of the soldiers what he was most worried about.

His answer surprised me. He didn't say he was most worried about facing the enemy that night. No. He looked me in the eyes and said, "Governor, I'm worried about whether there will be a job for me when I get home."

Folks, our job is to make sure the answer to that question is a resounding YES.

Every veteran who needs a job should be able to get one.

In 2009, we passed legislation to begin phasing out state taxes on military retirement income.

That law is a strong signal that we want military veterans to move to Missouri, to work in Missouri, and to make Missouri their home.

In 2010, we launched Show-Me Heroes, asking Missouri employers to put military veterans at the front of the line when they're hiring for new jobs. More than 1,700 employers have signed up to be part of this effort.

Tonight, I am proud to report that our Show-Me Heroes program has put more than 1,000 veterans back to work here in Missouri.

The Missouri Works strategy will expand the mission of Show-Me Heroes to include on-the-job training for National Guard, Reserve, and active-duty veterans who have recently left military service.

We'll continue to work tirelessly to create job opportunities for every veteran in our state.

The next pillar of Missouri Works is to accelerate investment in high-growth industries like science and technology.

With more than 1,000 agribusiness, life science, and biotech companies, Missouri is already home to some of the brightest minds and innovators in the world.

With the passage last year of the Missouri Science and Innovation Reinvestment Act, we are poised for rapid progress.

As part of Missouri Works, my budget includes $4 million in seed capital to invest in attracting the very best science talent to Missouri.

By speeding the flow of innovations out of the lab and into the marketplace, we're growing these industries today and creating the high-tech jobs of tomorrow.

Finally, Missouri Works will help create jobs in rural communities.

Anyone who grew up in a small town like I did knows there's something special about them. Folks want their towns to be places where their kids can grow up safe, get a good education, find a job, and raise a family.

It wasn't all that long ago, just a generation or two, that folks made a decent living hand-sewing baseball uniforms in Licking … making shoes in Piedmont … or assembling typewriters in Springfield.

Those jobs may be gone, but our rural way of life is still strong.

Our Missouri Works plan will custom tailor a job-creation incentive for small-business owners in rural communities. Because we want every part of Missouri to move forward together.

We're also helping rural Missouri compete by dramatically expanding access to high-speed Internet.

Broadband access is a game-changer – for commerce … for farming … for education … for health care ... for law enforcement and public safety.

Our extremely competitive MoBroadbandNow initiative is bringing a total investment of $311 million through 18 projects to wire communities across Missouri.

Let me give you an example. Over in Otterville, we've hooked up the local school through our partnership with Sho-Me Technologies. This has significantly expanded their ability to provide web-based classes using streaming video.

Just as the railroads and interstates changed the face – and the fate – of Missouri communities in decades past, this project will help shape Missouri's future from Otterville to New London and everywhere in between.

Rural communities are a proud part of Missouri's past. They're also a vital part of Missouri's future – especially when it comes to agriculture.

Missouri farmers feed, fuel and clothe the world.

And with 108,000 farms generating more than $12 billion annually, agriculture is truly the backbone of Missouri's economy.

We want to keep Missouri agriculture growing, and our rural way of life strong. That's why I am committed to working with our farmers to open new markets, improve energy efficiency, and use the latest science and technology to make Missouri agriculture even more competitive.

Folks like Bob and Kay Vandiver are a major part the success of Missouri agriculture. Bob's parents raised a few cattle – simply trying to make a living off the land. But he and Kay have turned that farm into one of the largest in our state. It's a lasting legacy – one that will be handed down for generations.

On behalf of Missouri agriculture, please welcome one of the Show-Me State's outstanding farm families, the Vandivers: Bob, Kay, Gary, Dale, and Jake.

To compete in a changing global economy, Missouri must have world-class public schools.

Our public schools have always been – and will always be – beacons of hope, opportunity, and excellence for all.

No one is turned away.

Some children come to school hungry ... homeless.

Some bear the burdens of poverty and neglect.

But when a child of want … and a child of wealth … walk through our schoolhouse doors, they enter as equals.

Support for public education should not be used as a wedge to divide us.

Here in Missouri, public education is an enduring value that unites us.

Some states have opted to balance their budgets on the backs of schoolchildren.

Kansas cut its basic funding formula for K-12 schools by $232 per child. Texas slashed $4 billion from the education budget, triggering massive layoffs. South Carolina, Arizona, and California have each reduced funding per pupil by more than 20 percent.

But I haven't met one parent or one teacher in Missouri who thinks we should balance our budget by taking money from their kids' classrooms.

For the past three years, even in challenging budget times, we maintained level funding for K-12 classrooms.

This year, we'll take that next step.

The budget I present tonight provides record funding for our K-12 classrooms. Because that's the right thing to do.

Several urgent issues facing public education require our action this session.

First, we must find a solution that applies the foundation formula fairly and predictably.

We also know that we have more work to do with our urban school districts on both sides of the state – to make sure that every child in every community has an equal opportunity to succeed.

Just take a look at St. Louis. We've still got a long way to go, but we're seeing how strong leadership, dedicated teachers, and committed parents are making a real difference right now.

Students have shown academic improvement for four years in a row. The district is now operating with a balanced budget. The attendance rate is at 93 percent.

From my frequent discussions with teachers, administrators, and others – and through our work with organizations like Teach for America – it's clear that the St. Louis schools are finding their footing and are moving in the right direction.

We need to take steps to improve public education in a number of other areas, including charter schools.

Missouri has some strong charter schools, where inspired teachers with fresh ideas are giving children a top-notch education.

But let's be frank.

We also have charter schools where children are languishing in classrooms that aren't up to par academically, in schools that aren't well managed. And our students pay the price.

I call on the legislature to send to my desk a comprehensive charter school accountability bill that holds all charter schools – and their sponsors – to high standards of academic achievement and financial integrity.

Educating our children is a high calling, and those who answer the call deserve our support and respect. Good teachers get results. Great teachers transform lives.

We need to entice our best college students to become teachers in those urban and rural public schools that have the greatest needs. And once they're on the job, they must be accountable for what kids are learning.

Our economy is changing. And education can't stop at high school. Because by the next decade, nearly two-thirds of all jobs in the United States will require some kind of post-secondary education. That means more Missouri kids will need a college degree.

But too many families simply can't afford the cost of a college education.

So for the past three years, Missouri has tackled college affordability head-on.

While universities in other states were increasing tuition by double digits, we froze tuition in 2009 and 2010 at all our public colleges and universities.

Last year, I challenged our colleges to continue to hold down tuition.

As a result, enrollment at our public colleges has surged. Over the past three years, we've added 31,000 students. That's set a new record each fall.

And that's great news for our students, our schools, and the future of our state.

In another challenging budget year, our top priorities in funding for higher education must continue to be high-quality academic programs and student scholarships.

So, in addition to a record investment in K-12 classrooms, my budget will provide stable funding for our state college scholarships, including Bright Flight, Access Missouri, and A+.

Let me talk for a moment about that A+ program.

These scholarships cover tuition and fees at any public two-year college in the state for students who are willing to work hard, play by the rules, and give back to their communities.

Since I became your Governor, we've worked to add 110 new A+ schools. And the number of students in our A+ program has risen 30 percent.

This year, 12,500 Missouri students will take advantage of our A+ scholarships. Next year, we anticipate closer to 14,000 students will be A+ scholars.

We will continue to expand access to A+ scholarships to students all across our state.

Investing in college affordability is critical for continued economic growth. But we have to balance this budget.

And we all know that means we'll have to cut in other areas.

So, to balance our budget in a way that protects our scholarships and academic programs, I am calling on all our colleges and universities to continue to look for more ways to cut overhead and administrative costs and run smarter, more efficient operations.

While leaner, more efficient operations are essential, higher education must continue to adapt for the modern economy. Public colleges and universities must change their business models.

Let me give you an exciting example of what one school is doing.

Earlier this month, the University of Central Missouri unveiled a new model called the Innovation Campus, and it has the potential to transform how we educate students.

Innovation Campus students will enroll in college courses while still in high school, and then participate in high-impact apprenticeships throughout the college curriculum. Corporate partners will underwrite tuition scholarships, and faculty and employers will partner to guide each student.

The expected results?

Students get a running start on college requirements;
They learn the practical skills necessary for excellent careers;
They can earn a degree in three years or less;
Business partners will recruit and build their workforce for the future;
And, costs for students are dramatically reduced.

I encourage all our universities to take the lessons of the Innovation Campus to heart and develop similar programs.

When we come together – and take that extra step – we are proving that there is no limit to what Missourians can accomplish.

Working together, we passed landmark legislation to ensure that children with autism get the therapy they need.

For too long, insurance companies weren't required to cover the most effective autism therapies. But that changed last year. And now, 1.6 million Missourians have plans that cover autism treatments.

This year, I call on the General Assembly to pass legislation to increase access to care by expanding the number of licensed professionals working with children with autism in Missouri.

That's what we can accomplish when we take that extra step.

Working together, our Partnership for Hope is changing the lives of Missourians with developmental disabilities and their families.

Before this compassionate program was in place, some folks waited years for services to help their loved ones live more independently – help with things like getting dressed, cooking meals, taking the bus to work.

But now, our Partnership includes 91 Missouri counties and the City of St. Louis, and serves 1,300 people with developmental disabilities.

This year, we'll keep expanding the Partnership, improving lives and saving money over the long run.

That's what we can accomplish when we take that extra step.

Last year, we reauthorized Missouri Rx, a vital program that cuts the cost of prescription drugs for 215,000 Missouri seniors and people with disabilities.

When that lifeline was in jeopardy last year, folks across our state came together to protect these vulnerable citizens. And my budget continues full funding for this program.

That's what we can accomplish when we take that extra step.

By working together, by taking that extra step, we've achieved a lot for our state.

We've shown that the partisan gridlock in Washington hasn't taken hold here in Missouri.

But we have more work to do.

That includes balancing our budget and holding the line on taxes.

That includes putting the Missouri Works strategy in place to create jobs and keep our economy growing.

That includes making a record investment in K-12 classrooms, keeping college affordable, and helping all Missouri children achieve their dreams.

And that also includes passing strict campaign contribution limits.

I've called for contribution limits every year – and I'm going to keep on doing it until we change the law.

When one person with an ax to grind can make an unlimited contribution to advance a narrow agenda … when lobbyists for powerful interests can tip the balance of an election … the very foundations of our democracy are at risk.

Unlimited contributions are overriding the will of the people … and undermining the principle of free and fair elections.

Missouri needs strict limits on campaign contributions.

Let's finally get it done.

Growing up in De Soto, I learned a lot about public service at the kitchen table.

My parents were deeply committed to our community and to public service. Dad was the Mayor. Mom served on the school board.

In our town, when folks needed help they'd call the house. Usually at suppertime.

We didn't have No-Call Lists back then.

Whatever the complaint or request, I don't ever recall hearing my parents ask: Are you a Democrat or a Republican? Or did you vote for me?

Because that's not what public service is about.

When you hold public office … you represent everyone.

We saw the best of public service in action in every corner of Missouri last year. But one man stands out as a shining example. His name is C. J. Huff.

Dr. Huff is the superintendent of Joplin schools. The tornado damaged or destroyed 10 of their buildings. Joplin High was left in ruins. C. J. feared that if the schools didn't open on time, families would start to leave town. He was not about to let that happen.

So C. J. rallied his forces: parents and teachers; students and civic leaders; carpenters and plumbers … and an army of volunteers.

In just 54 days, they turned an empty department store at a shopping mall into a high-tech high school.

Not only did all of Joplin's schools open on time, nearly 95 percent of the students showed up on that first day.

Folks, that was amazing to see.

Please welcome an outstanding leader: Superintendent C.J. Huff.

Public service matters.

What we do here matters.

But in a world of term limits, skeptics say we can't get much accomplished.

In a world of hyper-partisanship, cynics say we can't find common ground.

To them I say: Just watch us.

Whether you're from the big city or a small town.

Whether you make your living on the farm or in a lab.

Whether you're a Democrat, a Republican, an Independent – or none of the above.

We're all Missourians first.

And here in Missouri, we're not defined by our differences.

We're defined by our shared values.

Values that give us the strength to face whatever tomorrow brings … with faith and optimism.

There's a lot of uncertainty in this life.

We can't control the weather.

We can't always see what tomorrow will bring … but one thing is clear.

Through storms and floods and hard times, the good people of Missouri never give up or give in. Even in our darkest hours, the spirit will prevail.

And when people of good faith and good will work together … nothing can stop us.

Together, we will continue to balance this budget without raising taxes.

Together, we will continue to create more jobs, better schools, and more compassionate communities.

And, Quinton, I pledge to you that we will continue to work together to take that extra step ... and keep Missouri moving forward.

It is an honor to serve as your Governor.

I am grateful for the opportunity you have given me and for the trust you have placed in me.

With your help – and God's grace – we'll continue to show strong leadership to move Missouri toward brighter days ahead.

Thank you and God bless.

The Joint Session was dissolved by Senator Dempsey.

Speaker Tilly resumed the Chair.

JOURNAL OF THE HOUSE

Second Regular Session, 96th GENERAL ASSEMBLY

EIGHTH DAY, WEDNESDAY, JANUARY 18, 2012

The House met pursuant to adjournment.

Speaker Pro Tem Schoeller in the Chair.

Prayer by Msgr. Robert A. Kurwicki, Chaplain.

The Lord taketh pleasure in them that fear Him, in those that hope in His mercy. (Psalm 147:11)

God of Life and Light, by Whose love we have the gift of a new day, we thank You for this moment of prayer when we may draw close to You and let You draw close to us – as we face the demanding duties of these hours. From the noise of the outer world we would turn to the quiet of the inner world where in quietness and in confidence we may find strength in You for this day.

Help us to accept our privileges with thanksgiving, to carry our responsibilities with honor, to meet our difficulties with courage, and to discharge our duties with fidelity. Whatever good we do this day – may we do it with cheerfulness and with all sincerity of mind and heart, and to You shall be the praise world without end.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Lydia Bommel, Tyler Molendorp and Blake Molendorp.

Chief Justice Richard B. (Rick) Teitelman

Mr. Speaker, Mr. President, Mr. President Pro Tem, Mr. Auditor, Mr. Attorney General, members of the General Assembly: Thank you for welcoming me here this morning. It is my honor to deliver this 39th state of the judiciary address. I also want to thank the staffs of the House Clerk and the majority leader as well as our maintenance staff, who were kind enough to help make accommodations for me to be able to deliver this speech to you today.

As President Reagan once said, "There are no constraints on the human mind, no walls around the human spirit, no barriers to our progress except those we ourselves erect." My humble thanks to you.

I also want to thank you for your continued cooperation in working with our branch of government. I think the founders of our great nation would have been so proud of you and your predecessors in welcoming the chief justice and the governor into this beautiful chamber to talk with you each year.

In light of this week's recognition of Dr. Martin Luther King Jr., I want to mention a true gem of the state – Frankie Freeman – a 95-year-old African-American woman who is being honored as the St. Louis Citizen of the Year and who has spent most of her 95 years marching as a true drum major for justice.

I was appointed to serve on the Supreme Court in 2002. I have been proud to serve there in the company of some of the finest jurists our state has ever known. I want to take a moment now to recognize my colleagues on the Court, who make every day of my job there special. I start by introducing to you our newest member, Judge George Draper III. Judge Draper – who is only the second African-American ever to serve on our state's high court – is from St. Louis, where he spent 11 years on the Court of Appeals, preceded by six years as a trial judge in St. Louis County, and before that, he served as chief trial attorney in the city's circuit attorney's office. Judge Draper, we are honored for the opportunity to serve alongside you. I also want to recognize Judge Ray Price, whose very big shoes I have to try to fill as chief justice; Judge Patty Breckenridge; Judge Zel Fischer; Judge Mary Russell and Judge Laura Stith.

It is important for me to mention all of these judges to you because the leadership for the judicial branch of government comes from all these fine men and women who are serving and who have served on the Supreme Court. I also would add my accolades to recognize our esteemed former clerk, Tom Simon, who retired at the end of May after serving with distinction for four decades as clerk of the Supreme Court of Missouri. Just to give you an idea of the kind of change Tom saw during his time at the Court … the year he began his career, Richard Nixon was our president; you could buy a stamp for 8 cents, a gallon of gas for 40 cents and a movie ticket for $1.50; Walt Disney World opened in Orlando; the NASDAQ debuted; and television advertising of cigarettes ended. During his career at the Court, Tom did much to cultivate relationships among our branches of government. His kindness and thoughtfulness to all helped open dialogue and build friendships over time. We value those relationships. In his first inaugural address, Abraham Lincoln promoted a unifying focus on friendship and the things that bind us in affection by calling upon "the better angels of our nature."

I remember sitting here in this chamber for the first time, listening to then-Chief Justice Steve Limbaugh Jr. giving his state of the judiciary address to your predecessors. As the grandson of former state Rep. Rush Limbaugh, he focused much of his time as chief justice talking about the honor of public service as well as the importance of those citizens we all serve. Thankfully, as he noted then, we don't have to do it all by ourselves. We have many judges in this state who serve not only their courts but also their local communities with dignity and integrity.

One judge in particular has been the source of much Missouri pride in recent months. Judge Jimmie Edwards, a circuit judge in St. Louis City, believed there needed to be an alternative to incarceration for juveniles who deserve a second chance through education. So in collaboration with 45 community partners, he took over an abandoned school and opened the Innovative Concept Academy in 2009. The academy, which serves as a "school of last resort" for at-risk youth between the ages of 10 and 18 years, recently has received a number of national accolades. People magazine named Judge Edwards as one of its 2011 Heroes of the Year, and the academy was featured on the Today show last month. But the academy's biggest success is that it has changed the lives of many young people, helping them to turn away from problems such as gang violence. So far, 18 students have earned their high school diplomas or GED, and two of them have gone on to college. Judge Edwards is here this morning along with some of his students. Would you please stand and be recognized? We could not be more proud of you!

Many court employees throughout the state went to Joplin following the disaster to help the courageous citizens of Joplin rebuild their lives and their community. Our hearts go out to everyone affected by this disaster – and our appreciation goes to everyone who lent a helping hand. Vince Lombardi said, "Individual commitment to a group effort – that is what makes a team work, a company work, a society work, a civilization work." I am so proud to live in a state that works as well as it does because its citizens and public servants are so generous with their prayers and other assistance and are so willing to work together.

Much can be accomplished when, as Thomas Jefferson encouraged, we "unite with one heart and one mind." We owe many thanks for the bipartisan effort to improve criminal justice to Speaker of the House Steve Tilley and President Pro Tem Rob Mayer – as well as Governor Jay Nixon and former Chief Justice Ray Price. I understand legislation soon will be introduced to implement the recommendations of a broad-based committee led by Senator Jack Goodman and Representative Chris Kelly. I support your efforts to help make sentencing practices more cost-effective, helping Missouri to become, as Judge Price stressed so often, both tough *and* smart on crime.

We also owe you many thanks for helping the courts with their efforts in the area of technology. The state court administrator's office has undertaken a remarkable cooperative effort to help make our records more accessible through electronic filing. If any of you want a demonstration of how the system works, just let us know, and we will be happy to show you!

A wise man once said the worst kind of death is being talked to death. As we come to the end of my speech, I am reminded by the quote carved into the dais behind me of the privilege of public service. That quote reflects our state motto, "Salus Populi Supreme Lex Esto," which means, "Let the welfare of the people be the supreme law." I look forward to working with you and getting to know many of you better throughout my time as chief justice. I am humbled to serve alongside you.

I also have learned the worst place to be is between a person and lunch. The Missouri Bar has been gracious enough to sponsor a lunch in the third-floor rotunda, with fried chicken and all the fixings … and they've added for the first time – for a little bit of variety – knishes, a traditional Jewish dish. Enjoy!

Thank you. God Bless America!

The Joint Session was dissolved by Senator Dempsey.

Speaker Pro Tem Schoeller resumed the Chair.

JOURNAL OF THE HOUSE

Second Regular Session, 96th GENERAL ASSEMBLY

NINTH DAY, THURSDAY, JANUARY 19, 2012

The House met pursuant to adjournment.

Speaker Pro Tem Schoeller in the Chair.

Prayer by Msgr. Robert A. Kurwicki, Chaplain.

God has not given us the spirit of fear; but of power, and of love, and of a sound mind. (II Timothy 1:7)

Eternal God, Who is the refuge of Your people in every age and our strength in this present hour - make Yourself real to us as we bow humbly in Your presence. Help us to recognize our dependence upon You, our constant need of Your strength, Your guidance, and Your love. Give us to know that You are always with us and that with You we can be made ready for every responsibility and equal to every experience.

We pray for peace in our world, for good will among our people and for a faith in You which makes us strong, gives us courage and helps us on our upward way. May Your spirit touch each one of us with healing power. Kindle our faith, make sensitive our consciences, dedicate our strength, fortify us in our difficulties and send us out strong in You and in the power of Your might.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Journal of the eighth day was approved as printed.

JOURNAL OF THE HOUSE

Second Regular Session, 96th GENERAL ASSEMBLY

TENTH DAY, MONDAY, JANUARY 23, 2012

The House met pursuant to adjournment.

Speaker Tilley in the Chair.

Prayer by Major Kendall Mathews, Regional Coordinator of the Salvation Army of Jefferson City and Columbia, Missouri.

Lord, we come to You today to express our thankfulness for the many blessings You have given to us. We are indeed a people who need You more and more. May we never forget how much You love us and care for our every need. You are a God of LOVE, of PEACE and of GRACE, and we will strive to remember that as we go about our work today.

Lord, I am asking You to provide Your Holy guidance upon this House of Representatives – these legislators. As they make decisions that will impact our Great State of Missouri, may they be aware of the ever-growing needs that exist throughout our land. I pray that they will not forget all the people impacted by the current economic conditions – the BROKENHEARTED, the HOMELESS and the JOBLESS.

May our lawmakers' faith be unmovable, steadfast and unwavering. May You, the Holy One, strengthen this House and cause it to stand tall and stand up for what is righteous. Our faith can not be in earthly possessions or even in humankind. They fall short, Lord, when we place our hope in things that are not eternal.

This body bears our hope and our future. Lord, grant these women and men the wisdom to make decisions for a brighter future. Bless this House of lawmakers, their communities, their families, their staff and their constituents, as they serve not themselves, but others. May it be so, in the name and spirit of Jesus Christ.

The Pledge of Allegiance to the flag was recited.

The Journal of the ninth day was approved as printed by the following vote:

Second Regular Session, 96th GENERAL ASSEMBLY

ELEVENTH DAY, TUESDAY, JANUARY 24, 2012

The House met pursuant to adjournment.

Speaker Pro Tem Schoeller in the Chair.

Prayer by Msgr. Robert A. Kurwicki, Chaplain.

Be still and know that god is. (Psalm 46:10)

Eternal God, so high above us that we cannot comprehend You and yet so deep within us that we cannot escape You, make Yourself real to us as we pray today.

Tired are we of our littleness and we pray that You will lift us into the fellowship of great minds. Tired are we of our thoughts of discouragement and pray that You will lift us into the companionship of great hearts - that in these relationships our faith may be renewed, our hope strengthened, and our courage confirmed.

Bless these Representatives as they wait upon You. May they be wise with Your wisdom, strong with your power, and faithful in Your faithfulness to them. According to our needs, may the riches of Your grace enter the hearts of every one of us.

And the House says, "Amen!"

REORGANIZATION PLAN NO. 1
2012

TO THE SENATE AND HOUSE OF REPRESENTATIVES OF THE NINETY-SIXTH GENERAL ASSEMBLY OF THE STATE OF MISSOURI:

By virtue of the authority vested in me by the Constitution and laws of the State of Missouri, including the Omnibus State Reorganization Act of 1974 and sections 26.500 through 26.540, RSMo, I hereby transmit Reorganization Plan No. 1 of 2012, by Executive Order 12-2, to transfer all Medicaid Program audit and compliance responsibilities from the Department of Health and Senior Services, and the Department of Mental Health, and assign them to the Department of Social Services.

Respectfully submitted,

/s/ Jeremiah W. (Jay) Nixon
Governor

EXECUTIVE ORDER
12-2

WHEREAS, the Department of Social Services, established pursuant to Article IV, Section 37 of the Missouri Constitution, is the single state agency responsible for the administration of the Missouri Medicaid Title XIX, SCHIP Title XXI, and Medicaid Waiver programs; and

WHEREAS, the Department of Health and Senior Services, established pursuant to Section 192.005, RSMo, is responsible for public health and aging issues, including administration of the Personal Care and Home and Community-Based Medicaid programs for the aged and disabled; and

WHEREAS, the Department of Mental Health, established pursuant to Article IV, Section 37(a) of the Missouri Constitution, is responsible for issues and programs related to mental disorders, developmental disabilities, and substance abuse; and

WHEREAS, the Missouri Medicaid Audit and Compliance Unit (MMAC) was established in January 2011, within the Department of Social Services, to oversee audit and compliance of Missouri Medicaid Program providers and participants; and

WHEREAS, the MMAC is responsible for detecting, investigating, and preventing fraud against the Missouri Medicaid Program; and

WHEREAS, all Medicaid Program audit and compliance appropriations were transferred from the Department of Social Services' MO HealthNet Division, Department of Health and Senior Services, and the Department of Mental Health to the Department of Social Services MMAC unit in Fiscal Year 2012 by the General Assembly; and

WHEREAS, the work of MMAC has already resulted in the doubling of recoupment of provider overpayments in its first reporting quarter compared with the same quarter in previous years; and

WHEREAS, consolidation of Missouri's Medicaid Title XIX, SCHIP Title XXI and Medicaid Waiver programs' provider enrollment, audit and compliance responsibilities will promote consistent guidance to providers participating in these programs; and

WHEREAS, I am committed to prudently consolidating executive branch operations to ensure that the state delivers vital services in the most efficient and effective manner possible.

NOW, THEREFORE, I, JEREMIAH W. (JAY) NIXON, GOVERNOR OF THE STATE OF MISSOURI, by virtue of the authority vested in me by the Constitution and the laws of the State of Missouri, do hereby order the Department of Health and Senior Services, the Department of Mental Health, and the Department of Social Services to cooperate to:

1. Transfer all the authority, powers, duties, functions, records, personnel, property, contracts, budgets, matters pending, and other pertinent vestiges of all remaining audit and compliance responsibilities relating to Medicaid Title XIX, SCHIP Title XXI, and Medicaid Waiver programs from the Department of Health and Senior Services and the Department of Mental Health to the Department of Social Services, by Type I transfer, as defined under the Reorganization Act of 1974.

2. Develop mechanisms and processes necessary to effectively transfer these duties and functions to the Department of Social Services.

3. Transfer the responsibility for staff support for these duties and functions to the Department of Social Services.

4. Take the steps necessary to maintain compliance with federal requirements, so as not to jeopardize federal financial participation with this consolidation.

This Order shall become effective August 28, 2012, unless disapproved within sixty days of its submission to the Second Regular Session of the 96th General Assembly.

IN WITNESS WHEREOF, I have hereunto set my hand and caused to be affixed the Great Seal of the State of Missouri, in the City of Jefferson, on this 23rd day of January, 2012.

JOURNAL OF THE HOUSE

Second Regular Session, 96th GENERAL ASSEMBLY

TWELFTH DAY, WEDNESDAY, JANUARY 25, 2012

The House met pursuant to adjournment.

Speaker Tilley in the Chair.

Prayer by Msgr. Robert A. Kurwicki, Chaplain.

Why are thou cast down, O my soul? And why art thou disquieted in me - hope thou in God. (Psalm 42:5)

Eternal God, from Whom our spirits come, with Whom they live and unto Whom they return when life on earth is over - in the quiet of this moment we humbly lift our hearts unto You in prayer. We believe in You with all our minds - do make Yourself known to us in our hearts. Grant unto us a song on our lips in the morning, strength for the day, good will for one another, a steadfast loyalty to our country, courage to maintain high ideals in our political life, and a faith that gives us confidence and helps us to overcome the evil in the world.

Give to us an inner spirit of hospitality to that which is high in life and send us forth masters of ourselves because we are mastered by You. By Your spirit of truth alive within us, may we be among that company of Your children who lift up the world and do not lean upon it, and who leave it a better place in which to live.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Lauren Smith and Paula Booth.

THIRTEENTH DAY, THURSDAY, JANUARY 26, 2012

Representative Hampton in the Chair.

Prayer by Msgr. Robert A. Kurwicki, Chaplain.

I will extol Thee, my God, O King; and I will bless Thy name forever and ever. (Psalm 145:1)

Eternal God, Who commits to us the swift and solemn trust of life; since we know not what a day may bring forth, but only that the hour for serving You is always present, may we wake to the instant claims of Your Holy Will, not waiting for tomorrow, but yielding to today. Consecrate with Your presence the way our feet may go that the humblest work may shine and the roughest places be made smooth. Lift us above fear and doubt by a simple and steadfast reliance on Your Holy Will.

May the light of faith burn brightly within us, may the life of hope ever glow in our hearts, and may the love of truth always lead us in the way of Your peace.

And the House says, "Amen!"

JOURNAL OF THE HOUSE

Second Regular Session, 96th GENERAL ASSEMBLY

FOURTEENTH DAY, MONDAY, JANUARY 30, 2012

The House met pursuant to adjournment.

Speaker Tilley in the Chair.

Prayer by Representative Rodney Schad.

Our Father in heaven, we humbly bow our heads before You to acknowledge Your greatness and Your importance in our lives. You, Father, are our holy, loving and merciful God.

We thank You for our time at home with our families this weekend, for safe travel today and for all Your good and abundant blessings of this life.

Your Word in Proverbs declares "when pride comes, disgrace follows but with humility comes wisdom".

It is our desire just now, Father, to put away any pride that we may have and exhibit humility as we work on the task before us. We pray for wisdom that can only come from You as we serve the people of this great state and address the challenges of our responsibilities.

You, God, have put us here at this place at this time to carry out Your will. Make Your will evident to us. Make Your plans our plans and make Your purpose our purpose.

We pray all this in the holy name of Jesus. Amen.

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Paige Hooper and Katlyn Sawyer.

The Journal of the twelfth day was approved as printed.

The Journal of the thirteenth day was approved as printed by the following vote:

JOURNAL OF THE HOUSE

Second Regular Session, 96th GENERAL ASSEMBLY

FIFTEENTH DAY, TUESDAY, JANUARY 31, 2012

The House met pursuant to adjournment.

Speaker Tilley in the Chair.

Prayer by Msgr. Robert A. Kurwicki, Chaplain.

Peace I leave with you, My peace I give unto you. Let not your heart be troubled. (John 14:27)

Eternal God, from the shifting scenes of our earthly life we pause to lift our hearts in prayer to You - Who are from everlasting to everlasting. From daily duties which consume so much of our strength, from meetings and schedules which take up so much of our time, we would for this fleeting moment raise our eyes of our hearts to heaven and gaze upon Your face.

In all anxious moments grant unto us the assurance that You are with us; that behind every shadow stands Your presence; within every situation abides Your Spirit and beneath every experience are Your everlasting arms. Breathe Your Holy Spirit upon us, upon our people and upon our state.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Journal of the fourteenth day was approved as printed by the following vote:

JOURNAL OF THE HOUSE

Second Regular Session, 96th GENERAL ASSEMBLY

SIXTEENTH DAY, WEDNESDAY, FEBRUARY 1, 2012

The House met pursuant to adjournment.

Speaker Tilley in the Chair.

Prayer by Representative Tommie Pierson.

Eternal God, we come this morning with bowed heads and humble hearts. We thank You for the privilege to gather here today. And as we gather, we ask that You would help us as we strive to do the people's business.

Let us demonstrate our love and concern for the great state of Missouri, that the decisions that we make be in the best interests of all Missourians.

So we ask for guidance, recognizing that we are fallible people. Help us to share the kind of love that can only be given by You through us.

We thank You for the great honor that has been bestowed upon all of us by the people that You gave Your life for. So now let us honor You through honoring the people that we serve.

That when our day is done - that we can hear You say "Well done, thou good and faithful servant." It is in the name of Him who said, "Come unto me, all you who labor and are heavily-laden, and I'll give you rest."

And the House says, "Amen."

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Levi Barnes, Ryan Holem, Megan Borges, Valerie Schlotzhauer, Julia Bernskoetter and Trenton Bernskoetter.

JOURNAL OF THE HOUSE

Second Regular Session, 96th GENERAL ASSEMBLY

EIGHTEENTH DAY, MONDAY, FEBRUARY 6, 2012

The House met pursuant to adjournment.

Speaker Tilley in the Chair.

Prayer by Pastor Paul Meinsen.

Dear Lord, through Your prophet Isaiah, You have revealed that "It is You who sits above the circle of the earth...It is You who stretches out the heavens like a curtain and spreads them out like a tent to dwell in. It is You who reduces rulers to nothing, It is You who makes the judges of the earth meaningless. Scarcely have they been planted, scarcely have they been sown, scarcely has their stock taken root in the earth, but He merely blows on them, and they wither, and the storm carries them away like stubble." (Isaiah 40:22-24)

Lord, please remind us that we all, regardless of profession and stage in life, are here today and gone tomorrow. Remind each of us when we walk down the halls and see the photographs of past legislators that one future day today's legislators will be past legislators.

Therefore, may each one be of a humble mind and spirit, seeking to be diligent in his or her service by honoring You in all that is done.

Only You, O Lord, remain eternal.

May we all learn to fear You and You alone. Draw each one unto Yourself.

We call upon You in this prayer. Please answer and be glorified. For You are good, and Your love endures forever.

To the honor of Your name, O Lord, I pray in Your Son's name. Amen.

The Pledge of Allegiance to the flag was recited.

The Journal of the sixteenth day was approved as printed.

JOURNAL OF THE HOUSE

Second Regular Session, 96th GENERAL ASSEMBLY

NINETEENTH DAY, TUESDAY, FEBRUARY 7, 2012

The House met pursuant to adjournment.

Speaker Tilley in the Chair.

Prayer by Msgr. Robert A. Kurwicki, Chaplain.

Blessed is everyone that feareth the Lord; that walketh in His ways. (Psalm 128:1)

O God, Who is the Creator and the Sustainer of all peoples, without Whose benediction all our labor is in vain and with Whose blessing we walk the way to life and light - we pause before You this quiet moment seeking strength, peace and guidance from You.

Strengthen us when we are weak. May the peace of Your presence still the turmoil in our hearts, and when we would stumble on the way make straight our paths before us and give us courage to walk with You forever.

For our loved ones, for our districts and for our whole state we pray. Together may we be led from stress to peace, from fear to faith, from ill will to good will, from the depths of shallow living to the heights of a noble and sincere devotion.

We recall our Missouri history today when two hundred years ago, the New Madrid area was devastated by an earthquake. We pray that God will protect us from all earthquakes and other natural disasters in the future.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Journal of the eighteenth day was approved as printed by the following vote:

JOURNAL OF THE HOUSE

Second Regular Session, 96th GENERAL ASSEMBLY

TWENTIETH DAY, WEDNESDAY, FEBRUARY 8, 2012

The House met pursuant to adjournment.

Speaker Tilley in the Chair.

Prayer by Msgr. Robert A. Kurwicki, Chaplain.

The Lord will give strength unto His people; the Lord will bless His people with peace. (Psalm 29:11)

Our God, grant us Your peace as we begin this wintery day - give us peace in our own hearts, peace in our homes, peace in our districts and in our state. Grant to us, and all who meet with us, the sense of Your presence and the power of Your spirit. Out of these endeavors may there come a greater peace to our world and an increasing desire and determination to live together in greater harmony and finer accord.

May we meet the pressures of this present period with courage and faith through the presence of Your spirit living in our hearts.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as an Honorary Page for the Day, to serve without compensation: Lincoln Kaderly.

The Journal of the nineteenth day was approved as printed by the following vote:

House Amendment No. 1

AMEND House Committee Substitute for House Bill No. 1329, Page 6, Section 301.559, Line 55, by inserting after said line the following:

"301.3087. 1. Any person may receive special license plates as prescribed by this section, for any motor vehicle such person owns, either solely or jointly, other than an apportioned motor vehicle or a commercial motor vehicle licensed in excess of eighteen thousand pounds gross weight, after an annual payment of an emblem-use authorization fee to the Missouri State Humane Association. The Missouri State Humane Association hereby authorizes the use of its official emblem to be affixed on multiyear personalized license plates as provided in this section. All emblem-use authorization fees, except reasonable administrative costs, shall be placed into a special fund as described in subsection 4 of this section and shall be used exclusively for the purpose of spaying and neutering dogs and cats in the state of Missouri.

2. Upon annual application and payment of a twenty-five dollar emblem-use contribution to the Missouri State Humane Association, the Missouri State Humane Association shall issue to the vehicle owner, without further charge, an emblem-use authorization statement, which shall be presented by the owner to the department of revenue at the time of registration of a motor vehicle. **Application for the use of the logo and payment of the twenty-five dollar contribution may also be made at the time of registration to the director, who shall deposit such contribution in the state treasury to the credit of the Missouri pet spay-neuter fund.** Upon presentation of the annual statement, payment of a fifteen dollar fee in addition to the registration fee and documents which may be required by law, the department of revenue shall issue to the vehicle owner a personalized license plate which shall bear the emblem of the Missouri State Humane Association and shall have the words "I'M PET FRIENDLY" on the license plates in place of the words "SHOW-ME STATE". Such license plates shall be made with fully reflective material with a common color scheme and design, shall be clearly visible at night, and shall be aesthetically attractive, as prescribed by section 301.130. Notwithstanding the provisions of section 301.144, no additional fee shall be charged for the personalization of license plates pursuant to this section.

3. A vehicle owner, who was previously issued a plate with the Missouri State Humane Association emblem authorized by this section but who does not provide an emblem-use authorization statement at a subsequent time of registration, shall be issued a new plate which does not bear the Missouri State Humane Association emblem, as otherwise provided by law. The director of revenue shall make necessary rules and regulations for the administration of this section, and shall design all necessary forms required by this section. No rule or portion of a rule promulgated pursuant to the authority of this section shall become effective unless it has been promulgated pursuant to the provisions of chapter 536.

4. The "Missouri Pet Spay/Neuter Fund" is hereby created as a special fund in the state treasury and shall be administered by the department of agriculture. This fund shall consist of moneys collected pursuant to this section. All moneys deposited in the Missouri pet spay/neuter fund, except reasonable administrative costs, shall be paid as grants to humane societies, local municipal animal shelters regulated by sections 273.400 to 273.405, and organizations exempt from federal income taxation under Section 501(c)(3) of the Internal Revenue Code to be used solely for the spaying and neutering of dogs and cats in the state of Missouri. For purposes of approving grants under this section, the governor shall appoint a volunteer board that shall consist of three Missouri residents, of which two shall be administrators of local municipal animal shelters regulated by sections 273.400 to 273.405 and one shall be an administrator of a humane society. Each of the three members shall be from separate congressional districts. Members of this board shall be appointed for three-year terms and shall meet at least twice a year to review grant applications. All moneys deposited in the Missouri pet spay/neuter fund, except reasonable administrative costs, shall be spent by the end of each fiscal year. Notwithstanding the provisions of section 33.080 to the contrary, if any moneys remain in the fund at the end of the biennium, said moneys shall not revert to the credit of the general revenue fund."; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

JOURNAL OF THE HOUSE

Second Regular Session, 96th GENERAL ASSEMBLY

TWENTY-SECOND DAY, MONDAY, FEBRUARY 13, 2012

The House met pursuant to adjournment.

Speaker Tilley in the Chair.

Prayer by Major Kendall Mathews.

Dear Lord, I ask Your blessing on these men and women, Your legislators and people, to give them the courage to make sound decisions this week that will positively impact the people of this great state. Lord, we also pray for the people in need, the downtrodden, and the homeless in Missouri.

Give this body the wisdom, knowledge and clear thinking as they set policy that will impact people of every economic level. May Your Holy Hand touch them today and guide them to do what is right in Your sight. You, O Lord, have the power to renew, restore and reclaim these who need help to stand tall, even against all odds. You are a God Who will never fail them.

"Blessed are the peacemakers, for they will be called sons and daughters of God." *(Matthew 5:9).* May these lawmakers be Your agents of Your perfect peace, by their outward actions of sound policy making, and an inward conviction to remain faithful to the people they represent.

God, show them Your love, show them Your peace, show them Your grace, and show them that You are Lord of all. Bless their families, their staff and their constituents. May it be so in the power and joy of Jesus Christ. Amen.

The Pledge of Allegiance to the flag was recited.

JOURNAL OF THE HOUSE

Second Regular Session, 96th GENERAL ASSEMBLY

TWENTY-THIRD DAY, TUESDAY, FEBRUARY 14, 2012

The House met pursuant to adjournment.

Speaker Tilley in the Chair.

Prayer by Msgr. Robert A. Kurwicki, Chaplain.

Look unto Me, and be ye saved, all the ends of the earth: for I am God, and there is no other. (Isaiah 45:22)

Spirit of God, arise within our hearts and make us ready for the tasks of this day. Help us to turn our thoughts to You and to open our hearts to Your spirit that we may always be honest in our dealings, understanding in our endeavors, and loving in our relationships.

From this moment of prayer on St. Valentine's Day, may there come a power which will carry us through every experience with courage, love and faith.

Bless our people with Your favor, that being mindful of Your spirit we may live together in peace and good will, and all of us work for the good of all. May those who walk through the valley of the shadow of death find comfort and strength in You.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Journal of the twenty-second day was approved as printed by the following vote:

House Amendment No. 1

AMEND House Committee Substitute for House Bill Nos. 1298 & 1180, Page 2, Section 537.067, Line 32, by inserting after all of said section and line the following:

"**537.850. 1. Sections 537.850 to 537.862 shall be known and may be cited as the "Agritourism Promotion Act".**

2. As used in sections 537.850 to 537.862, the following terms shall mean:

(1) "Agritourism activity", any activity which allows members of the general public for recreational, entertainment, or educational purposes to view or enjoy rural activities, including but not limited to farming activities, ranching activities, or historic, cultural, or natural attractions. An activity may be an agritourism activity whether or not the participant pays to participate in the activity. An activity is not an agritourism activity if the participant is paid to participate in the activity;

(2) "Department", the state department of agriculture;

(3) "Director", the director of the department of agriculture;

(4) "Inherent risks of a registered agritourism activity", those dangers or conditions which are an integral part of such agritourism activity, including but not limited to certain hazards such as surface and subsurface conditions; natural conditions of land, vegetation, and waters; the behavior of wild or domestic animals; and ordinary dangers of structures or equipment ordinarily used in farming or ranching operations. Inherent risks of a registered agritourism activity also includes the potential of a participant to act in a negligent manner that may contribute to injury to the participant or others, such as failing to follow instructions given by the registered agritourism operator or failing to exercise reasonable caution while engaging in the registered agritourism activity;

(5) "Participant", any person who engages in a registered agritourism activity;

(6) "Registered agritourism activity", any agritourism activity that is registered with the director of the department of agriculture under section 537.853, and any rules promulgated thereunder;

(7) "Registered agritourism location", a specific parcel of land which is registered with the director of the department of agriculture under section 537.853, and any rules promulgated thereunder, and where a registered agritourism operator engages in registered agritourism activities;

(8) "Registered agritourism operator", any person who is engaged in the business of providing one or more agritourism activities and is registered with the director of the department of agriculture under section 537.853, and any rules promulgated thereunder.

537.853. 1. Any person who is engaged in the business of providing one or more agritourism activities may register with the director of the department of agriculture. The registration shall contain all of the following:

(1) Information describing the agritourism activity which the person conducts or intends to conduct;

(2) Information describing the location where the person conducts or intends to conduct such agritourism activity.

2. The department shall maintain a list of all registered agritourism operators, the registered agritourism activities conducted by each operator, and the registered agritourism location where the operator conducts such activities. Such list shall be made available to the public. The department shall promote and publicize registered agritourism operators, activities, and locations to advance the purpose of sections 537.850 to 537.862 by promoting and encouraging tourism.

3. Registration under this section shall be for a period of two years.

4. A registration fee not to exceed one hundred dollars may be imposed on an applicant to cover the actual administrative costs associated with such registration under this section.

537.856. 1. At every registered agritourism location, the registered agritourism operator shall post and maintain signage which contains the warning notice specified in subsection 3 of this section. The requirements of this section shall be deemed satisfied if such signage is placed in a clearly visible location at or near the registered agritourism location. The warning notice shall appear on the sign in black letters, with each letter to be at least one inch in height.

2. Every written contract entered into by a registered agritourism operator for the providing of a registered agritourism activity shall contain in clearly readable print the warning notice and language specified in subsection 3 of this section.

3. The required signage under this section shall contain the following warning notice:

"WARNING: Under Missouri law, there is no liability for an injury or death of a participant in a registered agritourism activity conducted at this registered agritourism location if such injury or death results from the inherent risks of such agritourism activity. Inherent risks of agritourism activities include, but are not limited to, the potential of you as a participant to act in a negligent manner that may contribute to your injury or death and the potential of another participant to act in a negligent manner that may contribute to your injury or death. You are assuming the risk of participating in this registered agritourism activity.".

4. Upon request, the registered agritourism operator shall provide to any participant a written description of the registered agritourism activity, as set forth in the registration under section 537.853 for which sections 537.850 to 537.862 limits the registered agritourism operator's liability at the registered agritourism location.

537.859. 1. Any participant is assuming the inherent risks of a registered agritourism activity when such participant engages in such agritourism activity. Except as provided in subsection 2 of this section, a registered agritourism operator is not liable for injury to or death of a participant resulting from the inherent risks of agritourism activities so long as the warning contained in section 537.856 is posted as required and, except as provided in subsection 2 of this section, no participant or participant's representative shall maintain an action against or recover from a registered agritourism operator for injury, loss, damage, or death of the participant resulting exclusively from any of the inherent risks of agritourism activities.

2. Nothing in sections 537.850 to 537.862 shall prevent or limit the liability of a registered agritourism operator if the registered agritourism operator:

(1) Injures the participant by willful or wanton conduct;

(2) Has actual knowledge or should have known of a dangerous condition in the facilities or equipment used in the registered agritourism activity and does not make such dangerous condition known to a participant and such dangerous condition causes the participant to sustain injuries; or

(3) Fails to use that degree of care that an ordinarily careful and prudent person would use under the same or similar circumstances.

3. In any action for damages for personal injury, death, or property damage arising from the operation of a registered tourism activity in which an owner or operator is named as a defendant, it shall be an affirmative defense to that liability that:

(1) The injured person assumed the risk;

(2) The injured person deliberately disregarded conspicuously posted signs, verbal instructions, or other warnings regarding safety measures during the activity; or

(3) Any equipment, animals, or appliance used by the injured person during the activity were used in a manner or for a purpose other than that for which a reasonable person should have known they were intended.

537.862. 1. There is hereby created in the state treasury the "Agritourism Fee Fund", which shall consist of any moneys appropriated to the fund and registration fees collected under section 537.853. The state treasurer shall be custodian of the fund. In accordance with sections 30.170 and 30.180, the state treasurer may approve disbursements. Upon appropriation, money in the fund shall be used solely for the administration of sections 537.850 to 537.862.

2. Notwithstanding the provisions of section 33.080 to the contrary, any moneys remaining in the fund at the end of the biennium shall not revert to the credit of the general revenue fund.

3. The state treasurer shall invest moneys in the fund in the same manner as other funds are invested. Any interest and moneys earned on such investments shall be credited to the fund."; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

HOUSE CONCURRENT RESOLUTION NO. 22

WHEREAS, women have served honorably and with courage in all of America's wars and conflicts since the American Revolution; and

WHEREAS, the United States military has evolved from a predominantly male force to a force of over 14% women who are currently serving on active duty, and nearly 17% serving in the Reserves and National Guard; and

WHEREAS, the population of women veterans is increasing exponentially from 1.1 million in 1980 to a projection of nearly 2 million by 2020, and will comprise more than 10% of the veteran population; and

WHEREAS, the projected population of male veterans is expected to continue to decline; and

WHEREAS, given that an unprecedented number of women are serving in the military and participating in Operation Enduring Freedom and Operation Iraqi Freedom, the United States Department of Veterans Affairs (VA) is working to provide consistent, comprehensive, and quality health care and benefits to women veterans of all eras; and

WHEREAS, the number of women veterans has increased over the last decade because there is an increasing number and proportion of women who are entering and leaving the military, and women are living longer than men and have a younger age distribution compared to male veterans; and

WHEREAS, even though the VA has been at the forefront of health care and lifestyle solutions affecting an aging male population, there is now a growing need to improve health care services for women veterans, ensure clinicians are properly trained to provide primary care and gender specific care to women of all ages, and identify innovative courses of treatment and solutions to obstacles that are unique to women veterans; and

WHEREAS, with a rapidly increasing number of women serving in the military today and returning from deployments as seasoned veterans, and some with exposure to combat, VA facilities and veterans service organizations are working to ensure that the post-deployment mental and physical health needs unique to women veterans are also met; and

WHEREAS, even though the roles of women in the military have changed over time and will continue to change, they deserve to be acknowledge for their military service and treated with equal respect:

NOW THEREFORE BE IT RESOLVED that we, the members of the Missouri House of Representatives, Ninety-sixth General Assembly, Second Regular Session, the Senate concurring therein, hereby encourages the Missouri Veterans Commission and its women veterans state coordinator to work in conjunction with the National Foundation for Women Legislators and the Center for Women Veterans at the United States Department of Veterans Affairs to reach out to all women veterans within the State of Missouri to encourage them to bring their specific needs and concerns to the attention of agency officials so that state legislators and agency officials may work together to identify unique issues impacting women veterans and consider policy solutions that will improve the quality of life for women veterans within this state; and

BE IT FURTHER RESOLVED that the Missouri General Assembly formally honors all of the women in this state who have heroically answered their call to duty and recognizes the important role women have played in shaping this great nation; and

BE IT FURTHER RESOLVED that the Chief Clerk of the Missouri House of Representatives be instructed to prepare a properly inscribed copy of this resolution for the Missouri Veterans Commission.

Mr. Speaker: Your Committee on Veterans, to which was referred **HB 1098** and **HB 1084**, begs leave to report it has examined the same and recommends that it **Do Pass by Consent with House Committee Substitute**, and pursuant to Rule 25(32)(f) be referred to the Committee on Rules.

JOURNAL OF THE HOUSE

Second Regular Session, 96th GENERAL ASSEMBLY

TWENTY-FOURTH DAY, WEDNESDAY, FEBRUARY 15, 2012

The House met pursuant to adjournment.

Speaker Tilley in the Chair.

Prayer by Msgr. Robert A. Kurwicki, Chaplain.

Let the words of my mouth, and the mediation of my heart, be acceptable in Thy sight, O Lord, my strength, and my Redeemer. (Psalm 19:14)

Our God, Who is in Heaven and on Earth, we pause in Your presence once again to acknowledge our dependence upon You, and to offer to You the devotion of our hearts. Make plain to us what we should do this day and give us courage to walk in that way.

In all our thinking, in all our speaking, in all our doing, may Your love motivate us. Your strength support us, and Your spirit guide us for the good of our state and for the well-being of all people.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Journal of the twenty-third day was approved as printed.

JOURNAL OF THE HOUSE

Second Regular Session, 96th GENERAL ASSEMBLY

TWENTY-FIFTH DAY, THURSDAY, FEBRUARY 16, 2012

The House met pursuant to adjournment.

Representative Schad in the Chair.

Prayer by Msgr. Robert A. Kurwicki, Chaplain.

He that dwelleth in the secret place of the Most High shall abide under the shadow of the Almighty. (Psalm 91:1)

O God, Who is a tower of strength to all Who put their trust in You, help us to turn from the noise and clamor of the world, and to find peace in the assurance of Your presence. Keep us sensitive to the needs of others, understanding amid our differences, and determined to live in the spirit of good will. May we ever be mindful of the fact that we are one family in You, and in this oneness may we do our work and live our lives.

Our minds and hearts reach out in prayer for those in the Armed Forces of our country. Keep them strong in temptations, resolute in duty, and faithful to You, Who is ever with them and with us. Lord God of Hosts, be with us all - lest we forget, lest we forget You.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Megan Crocker, Cailin Mooney, RaeAnn Fooks, Grace Griffin, Alex Standgard, Grant Argent, Ryan Sparks, Daniel Xiang, Andrew Chaffin, Nathan Dennigmann, Drew Brissette, Connor Cantwell and Anders Stenstadvolden.

MESSAGES FROM THE SENATE

Mr. Speaker: I am instructed by the Senate to inform the House of Representatives that the Senate has taken up and adopted **SCR 15**.

SENATE CONCURRENT RESOLUTION NO. 15

WHEREAS, the United States Corps of Engineers' five-year study of the Upper Mississippi River Basin, which is everything north of Cairo, Illinois, failed to produce a plan for flood control acceptable to all stakeholders; and

WHEREAS, the Mississippi River Commission did recommend Plan H to the United States Congress; and

WHEREAS, the Corps of Engineers has not recommended this plan to the United States Congress, citing the expense of the construction of 500-year levees along these rivers, estimated to be $6 billion, does not meet current cost-benefit guidelines for federal funding; and

WHEREAS, the Corps of Engineers additionally determined a need for better data based upon new hydrology and flow studies and the need to study tributaries of the Mississippi River; and

WHEREAS, the Corps of Engineers indicated that ramifications of the additional 500-year levees and their potential to cause additional flooding would need to be determined, and affected populations and communities informed and advised of the potential impact; and

WHEREAS, the affected counties include the Missouri counties of Lincoln, Pike, and St. Charles; and

WHEREAS, Plan H designates only about half of the levees in the Missouri counties of Lincoln, Pike, and St. Charles be raised, while to the north a higher percentage of 500-year levees are recommended for both sides of the river; and

WHEREAS, the stakeholders in the Missouri counties of Lincoln, Pike, and St. Charles desire the protections provided by the 500-year levees; and

WHEREAS, the proposed Plan H, if implemented, denies the benefits of 500-year levees to those making a living along the Mississippi River, negatively impacting agriculture, transportation, businesses, industries, tourism, hunting, fishing, boating, infrastructure, and residences; and

WHEREAS, over 6,500 citizens have signed petitions opposing the proposed Plan H; and

WHEREAS, the Upper Mississippi River Basin should receive funding comparable to funding for the Southern Mississippi River Basin from Cairo, Illinois, to New Orleans, Louisiana:

NOW THEREFORE BE IT RESOLVED that the members of the Missouri Senate, Ninety-sixth General Assembly, Second Regular Session, the House of Representatives concurring therein, hereby strongly urge the United States Congress to support a comprehensive plan for the Upper Mississippi River Basin that enhances system-wide flood control without creating adverse impacts on existing levees, levee districts, rural communities, and metropolitan areas. The plan should be based on analysis that quantifies the impacts of enhanced flood control measures and acknowledges the importance of keeping agricultural land in production. The proposed Plan H making the Missouri counties of Lincoln, Pike, and St. Charles the lowest points on the Mississippi River levee system is totally unacceptable and we ask the Missouri Congressional delegation to oppose this plan; and

BE IT FURTHER RESOLVED that the Secretary of the Missouri Senate be instructed to prepare properly inscribed copies of this resolution for each member of the Missouri Congressional delegation.

In which the concurrence of the House is respectfully requested.

JOURNAL OF THE HOUSE

Second Regular Session, 96th GENERAL ASSEMBLY

TWENTY-SEVENTH DAY, MONDAY, FEBRUARY 20, 2012

The House met pursuant to adjournment.

Speaker Tilley in the Chair.

Prayer by Pastor Paul Meinsen.

Dear LORD, through Your servants You have revealed that You are "a God of truth and without injustice" (Deuteronomy 32:4a); that You are "abounding in loving-kindness and truth" (Exodus 34:6); that Your words are truth (2 Samuel 7:28) and that it is impossible for You to lie (Hebrews 6:18).

We also know, O LORD, that You want people to "speak the truth to one another" and to "judge with truth" (Zechariah 8:16b) and that "You desire truth in the innermost being..." (Psalm 51:6a)

"Loyalty and truth preserve the king, and he upholds his throne by righteousness" (Proverbs 20:28).

O LORD, may this place be a place of truth. May these, Your servants who lead our state, be people of truth. May we all repent of our falsehoods. May we all see and know that so much is lost and nothing really gained when we seek to deceive and distort. Give to each of us – legislators, staff, lobbyists, guests and pastors – a heart that desires and is able to speak the truth in love; for the good of all people and for the glory of Your name.

May we all learn to fear You and You alone. Draw each one unto Yourself.

We call upon You in this prayer. Please answer and be glorified. For You are good and Your love endures forever.

To the honor of Your name, O Lord, I pray in Your Son's name. Amen.

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Emma Grace Winschel, Elizabeth Rose Winschel, Caroline Renee Winschel, Olivia Korpecki and John Korpecki.

HOUSE CONCURRENT RESOLUTION NO. 41

WHEREAS, under Section 2713 of the federal Patient Protection and Affordable Care Act of 2010 health insurers must cover "preventive services" for women without charging a co-pay beginning August 1, 2012; and

WHEREAS, Health and Human Services Secretary Kathleen Sebelius defined these preventive services to include "all FDA-approved forms of contraception, sterilization procedures and patient education and counseling"; and

WHEREAS, regulations announced last year (Interim Final Rule 76 FR 46621, August 3, 2011) provided an exemption for certain religious employers regarding contraception. At that time, it was unclear if the religious exemption applied to entities operated by religious organizations that employed or served people from a variety of faiths or had no religious affiliation at all; and

WHEREAS, on January 20, 2012, Secretary Sebelius said this mandate would take effect in August for most employers. Churches would be exempted from the rule, but not religious affiliated hospitals, colleges, or charities, though they would be given an extra year to comply; and

WHEREAS, Obama administration officials said that 28 states, including California and New York, already have similar rules for health insurance; and

WHEREAS, on Friday, February 10, 2012, President Obama announced a compromise that would exempt churches, other houses of worship, and similar organizations from covering contraception on the basis of their religious objections, and would provide a one-year transition period for religious organizations while this policy is being implemented; and

WHEREAS, the Obama administration also announced that sometime in the upcoming year it will propose and finalize a new regulation to address the religious objections of the non-exempted religious organizations. The new regulation will require insurance companies to cover contraception if the non-exempted religious organization chooses not to. Under the compromise:

(1) Religious organizations would not have to provide contraception coverage or refer their employees to organizations that provide contraception;

(2) Religious organizations would not be required to subsidize the cost of contraception;

(3) Contraception coverage would be offered to women by their employers' insurance companies directly, with no role for religious employers who oppose contraception;

(4) Insurance companies would be required to provide contraception coverage to these women free of charge; and

WHEREAS, the Missouri General Assembly has a solemn duty and obligation to uphold the laws of the State of Missouri, and to take all steps necessary and legal to stop any infringement upon the protected rights of Missouri citizens; and

WHEREAS, the people of the State of Missouri adopted Section 1.330, RSMo, by referendum, Proposition C, on August 3, 2010, which states in part:

"1.330. 1. No law or rule shall compel, directly or indirectly, any person, employer, or health care provider to participate in any health care system."; and

WHEREAS, in accordance with Section 1.330:

(1) No employee, self-employed person, or any other person should be compelled to obtain coverage for, or be discriminated against or penalized for declining or refusing coverage for, abortion, contraception, or sterilization in a health plan if such items or procedures are contrary to the religious beliefs or moral convictions of such employee or person; and

(2) No employer, health plan provider, health plan sponsor, health care provider, or any other entity should be compelled to provide coverage for, or be discriminated against or penalized for declining or refusing coverage for, abortion, contraception, or sterilization in a health plan if such items or procedures are contrary to the religious beliefs or moral convictions of such employer, health plan provider, health plan sponsor, health care provider, or entity; and

(3) No governmental entity, public official, or entity acting in a governmental capacity should be permitted to discriminate against or penalize a health plan, plan sponsor, health care provider, employer, employee, or other entity or person because of such plan's, sponsor's, provider's, employer's, employee's, entity's, or person's unwillingness, based on religious beliefs or moral convictions, to provide or obtain coverage for, participate in, or refer for, abortion, contraception, or sterilization in a health plan; and

WHEREAS, the most recent regulation under the federal Patient Protection and Affordable Care Act (PPACA) will require religious hospitals and institutions to choose between offering insurance coverage to their employees which provide birth control, sterilization procedures, and abortifacients, such as the "morning after pill", services which are contrary to the religious tenets and beliefs of the Catholic Church, other churches, and religious organizations who operate such hospitals and institutions, or decide not to provide health insurance coverage to their employees and pay the penalty imposed under PPACA; and

WHEREAS, the compromise announced by President Barack Obama on February 10, 2012, does not resolve the issue for the Catholic Church, other churches, and many religious organizations because it failed to address several important issues, such as self insurers, conscience objections of individuals, and states' rights; and

WHEREAS, in many religious hospitals and institutions, the Catholic Church, other churches, or religious organizations are self insured, which once again forces them to make an unnecessary choice in violation of their religious liberties; and

WHEREAS, even if the Catholic Church, other churches, or religious organizations do not self insure, the transfer of responsibility to the insurer of providing these services free of charge under the announced compromise will likely be passed on to employers in the form of higher premiums to cover the cost to the insurer, which forces these churches and institutions to indirectly pay for these mandates through their premiums in violation of their religious liberties; and

WHEREAS, religious liberty is a fundamental principle in our nation and state that must be protected. The intrusion of the federal government into our health care choices by creating a health care mandate which forces not only the Catholic Church, other churches, and religious organizations, but also any person with deeply held religious beliefs to violate their conscience or be subject to a penalty is unacceptable in a free society; and

WHEREAS, under the Tenth Amendment to the United States Constitution, the State of Missouri and every other state in the nation has the right to enact laws which prohibit the infringement of the federal government into the lives and affairs of its citizens in areas which are not expressly provided to the federal government under the United States Constitution; and

WHEREAS, Missouri has enacted legislation which directly contradicts the mandates contained in the federal Patient Protection and Affordable Care Act of 2010; and

WHEREAS, the Missouri General Assembly takes a firm and unwavering stand against an unconstitutional infringement on the right of the State of Missouri and its citizens not to be forced to participate in any health care system which is contrary to the laws of the State of Missouri:

NOW THEREFORE BE IT RESOLVED that the members of the House of Representatives of the Ninety-sixth General Assembly, Second Regular Session, the Senate concurring therein, hereby declare the firm and unwavering stand of the Missouri General Assembly to strongly oppose the federal health care mandates contained in the Patient Protection and Affordable Care Act of 2010, including the most recent regulation requiring the provision of preventive services, as an infringement of the rights of the State of Missouri and a violation of state law; and

BE IT FURTHER RESOLVED that the Missouri General Assembly strongly affirms the right of each state under the Tenth Amendment of the United States Constitution to enact laws which prohibit the unconstitutional infringement of the federal government into the lives and affairs of the states in areas which are not expressly provided to the federal government; and

BE IT FURTHER RESOLVED that the Missouri General Assembly strongly urges and encourages the members of the Missouri Congressional delegation to write letters to Secretary Sebelius to express opposition to this new regulation; and

BE IT FURTHER RESOLVED that the Chief Clerk of the Missouri House of Representatives be instructed to prepare properly inscribed copies of this resolution for Kathleen Sebelius, Secretary of the Department of Health and Human Services, and each member of the Missouri Congressional delegation.

Mr. Speaker: Your Committee on Rules, to which was referred **HCS HB 1174**, begs leave to report it has examined the same and recommends that it **Do Pass**.

JOURNAL OF THE HOUSE

Second Regular Session, 96th GENERAL ASSEMBLY

TWENTY-NINTH DAY, WEDNESDAY, FEBRUARY 22, 2012

The House met pursuant to adjournment.

Speaker Tilley in the Chair.

Prayer by Msgr. Robert A. Kurwicki, Chaplain.

The Lord is just in all His ways, and kind in all His doings. (Psalm 145:17)

Almighty God, unto Whom all hearts are open, all desires known and from Whom no secrets are hid, cleanse our hearts as we at this moment wait upon You in prayer on this Ash Wednesday. And as we prepare ourselves for the period of Lent, give us grace to recognize the awakening of Your spirit within us and to listen to all You have to say to us. Let us not yield to the temptations of the world, but strong in You may we face our experiences with courage and faith.

In all sincerity do we pray for each other and for all those with whom we associate this day. In our minds may we think of our friends with love, our enemies with forgiveness, and our fellow people with abounding good will. Unto You do we commend ourselves and our state. Together may we walk in the way of Your commandments, speak Your word of love, and obey Your will to serve our people.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Journal of the twenty-eighth day was approved as printed.

JOURNAL OF THE HOUSE

Second Regular Session, 96th GENERAL ASSEMBLY

THIRTIETH DAY, THURSDAY, FEBRUARY 23, 2012

The House met pursuant to adjournment.

Representative Jones (89) in the Chair.

Prayer by Msgr. Robert A. Kurwicki, Chaplain.

In God we live, and move, and have our being. (Acts 17:28)

Our God, Who is the source of light and life, and Whose glory is in all the world, without Whom no one can live - make us one with You as we move through the experiences of this day. By ourselves we are not adequate for our daily tasks, but with You we are made ready for every responsibility and equal to every experience. This day, help us to think, and to think clearly; help us to speak, and to speak wisely; help us to live, and to live faithfully. May we always do our very best and then leave the results with You.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Helena Schmidt, Elijah Schmidt, Noah Schmidt, Joshua Schmidt, John Paul Schmidt and Benjamin Schmidt.

The Journal of the twenty-ninth day was approved as printed by the following vote:

JOURNAL OF THE HOUSE

Second Regular Session, 96th GENERAL ASSEMBLY

THIRTY-FIRST DAY, MONDAY, FEBRUARY 27, 2012

The House met pursuant to adjournment.

Speaker Tilley in the Chair.

Prayer by Msgr. Robert A. Kurwicki, Chaplain.

My help cometh from the Lord, who made heaven and earth. (Psalm 121:2)

Almighty God, Who has given us this good state for our heritage, we humbly pray that we may always be a people mindful of Your favor, eager to do Your will, and glad to be of service to our fellow citizens.

Save us from discord and discrimination, from pride and prejudice, from vindictiveness and violence, and lead us into the glorious liberty of those who put their trust in You, and who walk in the way of Your commandments.

Give us wisdom to know Your will and the strength to do it. Fill us all with the love of truth and righteousness and good will, that we may be a blessing to our state and in turn our state be a blessing to our nation.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Journal of the thirtieth day was approved as printed by the following vote:

HOUSE COMMITTEE SUBSTITUTE
for
HOUSE CONCURRENT RESOLUTION NO. 32

WHEREAS, the Land and Water Conservation Fund (LWCF) was established by the United States Congress in 1965 to preserve, develop, and assure accessibility to quality outdoor recreation resources "to strengthen the health and vitality of the citizens of the United States"; and

WHEREAS, the LWCF is principally funded by revenue received from offshore energy extraction and is authorized to receive $900 million annually through the annual appropriations process; and

WHEREAS, the LWCF funds a federal land acquisition program and provides matching grants to states and localities for capital projects through the State Assistance program; and

WHEREAS, investments from the LWCF State Assistance program support the creation of public parks in rural and urban communities throughout America, protect green space and local water supplies, guarantee outdoor recreation opportunities, spur economic development, create jobs, and significantly aid national efforts to promote health, connect youth to nature and the outdoors, combat childhood obesity, and protect the environment; and

WHEREAS, in the original authorizing legislation, Congress recognized the important role of state and local parks in achieving its intended purpose by requiring the allocation of 60% of LWCF annual funding to the State Assistance program and 40% to the federal program; and

WHEREAS, the language protecting the State Assistance program was removed in the mid 1970s resulting in a disproportional amount (84%) of LWCF funding going to the federal side of the program over the past 25 years; and

WHEREAS, no language exists to protect the State Assistance funding allocations, and Congress appropriated a total of approximately $304 million to LWCF in FY 2009 but allocated only $19 million (6%) to the State Assistance program, and in FY 2010 appropriated a total of approximately $479 million to LWCF with a mere $40 million (8%) going to the State Assistance program; and

WHEREAS, Missouri received only $509,599 in FY 2009 and $699,429 in FY 2010 based on Missouri's portion (.017%) of the 16% that is currently allocated to the states; and

WHEREAS, the disproportional allocation of LWCF funding between the two programs has severely limited state and local governments in their capacity to develop parks and open spaces and protect green space and local water supplies in light of rapidly increasing populations; and

WHEREAS, LWCF provides one-time funding for state and local capital projects and state and local governments equally match the federal dollars, then assume all costs of management and maintenance; and

WHEREAS, the State of Missouri has approximately $7 million in unmet need for LWDF State Assistance projects; and

WHEREAS, requiring 40% of LWCF funds to be annually allocated to the State Assistance program would not increase the national debt, but would ensure a more balanced allocation of resources between federal land acquisition and state and local community conservation efforts, as intended by the authorizing legislation:

NOW THEREFORE BE IT RESOLVED that the members of the House of Representatives of the Ninety-sixth General Assembly, Second Regular Session, the Senate concurring therein, hereby call on the United States Congress to implement legislation specifying an annual allocation of at least 40% of Land and Water Conservation Fund (LWCF) moneys to the State Assistance program; and

BE IT FURTHER RESOLVED that the Chief Clerk of the Missouri House of Representatives be instructed to prepare properly inscribed copies of this resolution for President Barack Obama, the Majority and Minority Leaders of the United States Senate and House of Representatives, and each member of the Missouri Congressional delegation.

Committee on Workforce Development and Workplace Safety, Chairman Fisher reporting:

Mr. Speaker: Your Committee on Workforce Development and Workplace Safety, to which was referred **SS SCS SB 572**, begs leave to report it has examined the same and recommends that it **Do Pass**, and pursuant to Rule 25(32)(f) be referred to the Committee on Rules.

JOURNAL OF THE HOUSE

Second Regular Session, 96th GENERAL ASSEMBLY

THIRTY-SECOND DAY, TUESDAY, FEBRUARY 28, 2012

The House met pursuant to adjournment.

Speaker Tilley in the Chair.

Prayer by Msgr. Robert A. Kurwicki, Chaplain.

I remind you to rekindle the gift of God that is within you, for God did not give us the spirit of fear, but of power, and of love and of a sound mind. (II Timothy 1:6-7)

Our God, beyond Whose love and care we cannot drift, in the glory of a new day we come lifting our hearts unto You, praying that Your spirit may guide us, Your strength support us, and Your peace pervade our minds and hearts.

Within the noise and commotion of this day may we hear Your still small voice and responding find our weakness changed to strength, our fear to faith, and our ill will to good will.

We are disturbed by the dangers in our world, weighted down by many burdens, and tempted to be critical if not cynical, because of human error and human evil. Give us the spirit to carry on with courage and faith, believing that You are with us, and believing that together we can do what needs to be done.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Jacque-Adam Smith, Jacque-Arthur Smith, Anwar Smith, Sebastian Smith, Aidan Smith and Hannah R. Barron.

JOURNAL OF THE HOUSE

Second Regular Session, 96th GENERAL ASSEMBLY

THIRTY-THIRD DAY, WEDNESDAY, FEBRUARY 29, 2012

The House met pursuant to adjournment.

Speaker Tilley in the Chair.

Prayer by Msgr. Robert A. Kurwicki, Chaplain.

Rest in the Lord and wait patiently for Him; fret not thyself. (Psalm 37:7)

Eternal God, Who has made us for Yourself so that our hearts are restless until they find rest in You, we pause in silence before You as we begin our duties on this leap year day. We would quiet our spirits in Your presence and find rest in the support of Your sustaining strength.

Forgive our folly and our excuses, our coldness to human suffering, our indifference to those treasures of the spirit which are light and life, and our neglect of Your wise and gracious laws. So change our minds and turn our thoughts to You that we may walk in the way of Your commandments and with courage serve our state, with compassion help our citizens, and with confidence keep our lives committed to You.

Finally, watch over and bless all who were harmed last evening by severe storms in Southern Missouri. Spare and save us from all harmful weather in the future.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Journal of the thirty-second day was approved as printed.

JOURNAL OF THE HOUSE

Second Regular Session, 96th GENERAL ASSEMBLY

THIRTY-FOURTH DAY, THURSDAY, MARCH 1, 2012

The House met pursuant to adjournment.

Speaker Tilley in the Chair.

Prayer by Msgr. Robert A. Kurwicki, Chaplain.

Peace I leave with you, My peace I give unto you: not as the world giveth, give I unto you. Let not your heart be troubled, neither let it be afraid. (John 14:27)

Eternal God, our refuge and strength in every generation and Whose creative spirit does ever call us to new frontiers of thought and action, we bow before You this moment as we enter another day and month together. With Your wisdom we would be made wise, by Your strength we would be made strong, inspired by Your spirit we would be made ready for our responsibilities.

May no danger overwhelm us, no difficulty overcome us, no discouragement overburden us, no duty overtax us, but may we now and ever keep our faith in You and in the leading of Your wise and gracious spirit.

Bless our state and all the States of America - together may we seek peace, patiently pursue it and persevere in our pursuit until peace reigns in the hearts of all and in the heart of our world.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Matthew Breite, Leah Grace McCaherty and Jonathan Elijah McCaherty.

The Journal of the thirty-third day was approved as corrected.

COMMITTEE REPORTS

Committee on General Laws, Chairman Franz reporting:

Mr. Speaker: Your Committee on General Laws, to which was referred **HCR 37**, begs leave to report it has examined the same and recommends that it **Do Pass**, and pursuant to Rule 25(32)(f) be referred to the Committee on Rules.

HOUSE CONCURRENT RESOLUTION NO. 37

WHEREAS, the United States relies - and will continue to rely for many years - on gasoline, diesel, and jet fuel, as well as renewable and alternative sources of energy; and

WHEREAS, in order to fuel our economy, the United States will need more oil and natural gas while also requiring additional alternative energy sources; and

WHEREAS, the United States currently depends on foreign imports for more than half of its petroleum usage and is the largest consumer of petroleum in the world. United States dependence on overseas oil has created difficult geopolitical relationships with potentially damaging consequences for our national security; and

WHEREAS, oil deposits in the Bakken Reserves of Montana, North Dakota, and South Dakota are an increasingly important crude oil resource, with an estimated 11 billion barrels of recoverable crude oil. There is not enough pipeline capacity for crude oil supplies from Montana, North Dakota, South Dakota, Oklahoma, and Texas to American refineries; and

WHEREAS, Canadian oil reserves contain an estimated 173 billion barrels of recoverable oil. Canada is the single largest supplier of oil to the United States at 2.62 million barrels per day and has the capacity to significantly increase that rate; and

WHEREAS, the original Keystone Pipeline which spans across the northern part of Missouri supplies over 435,000 barrels of North American crude oil to American refineries in the Midwest. The Keystone XL Pipeline will,

when completed, carry 700,000 barrels of North American crude oil to American refineries in the Gulf Coast region; and

WHEREAS, construction of pipelines linking North American energy to the United States will create hundreds of thousands of jobs nationwide, including tens of thousands in construction and manufacturing, creating billions in economic growth and generating millions of dollars worth of government receipts; and

WHEREAS, a recent study by the United States Department of Energy found that increasing delivery of crude oil from Montana, North Dakota, South Dakota, and Alberta, Canada, as well as Texas and Oklahoma to American refineries has the potential to substantially reduce our country's dependency on sources outside of North America; and

WHEREAS, Canada sends more than 99% of its oil exports to the United States, the bulk of which goes to Midwestern refineries. Oil companies are investing huge sums to expand and upgrade refineries in the Midwest and elsewhere to make gasoline and other refined products from Canadian oil derived from oil sands. The expansion and upgrade projects have and will create many new construction jobs over the next five years and will add to the gross product of Missouri; and

WHEREAS, 99% of the money used to buy Canadian oil will likely later be spent directly on United States goods and services, in contrast with increasing the trade relationship with unstable regions. Supporting the continued shift towards reliable and secure sources of North American oil is of vital interest to the United States and the State of Missouri:

NOW THEREFORE BE IT RESOLVED that the members of the House of Representatives of the Ninety-sixth General Assembly, Second Regular Session, the Senate concurring therein, hereby strongly:

(1) Support continued and increased development and delivery of oil derived from North American oil reserves to American refineries;

(2) Urge the United States Congress to support continued and increased development and delivery of oil from Canada to the United States; and

(3) Urge the United States Congress to enact legislation deeming the Keystone XL Pipeline to be in the national interest of the United States; and

(4) Urge the United States Secretary of State to approve the Keystone XL pipeline project to ensure America's oil independence, improve our national security, reduce the cost of gasoline, create new jobs, and strengthen ties between the United States and Canada; and

BE IT FURTHER RESOLVED that the Chief Clerk of the Missouri House of Representatives be instructed to prepare properly inscribed copies of this resolution for the President of the United States, the President Pro Tem of the United States Senate, the Speaker of the United States House of Representatives, and each member of the Missouri Congressional delegation.

JOURNAL OF THE HOUSE

Second Regular Session, 96th GENERAL ASSEMBLY

THIRTY-FIFTH DAY, MONDAY, MARCH 5, 2012

The House met pursuant to adjournment.

Speaker Pro Tem Schoeller in the Chair.

Prayer by Pastor Paul Meinsen.

O Lord, the beings in the heavens continually sing "HOLY, HOLY, HOLY is THE LORD GOD, THE ALMIGHTY, WHO WAS AND WHO IS AND WHO IS TO COME...Worthy are You, our Lord and our God, to receive glory and honor and power; for You created all things, and because of Your will they existed, and were created". *(Revelation 4:8b, 11)*

It is to You, glorious LORD, that we offer up this prayer; a prayer on behalf of these, Your servants who govern this great state.

Father, while we continue to pray for the supply of wisdom, discernment, humility and grace that each one needs today, I also lift up a special request to You.

O Lord, please guard and guide each one who is married. May each husband love and cherish the wife You have given him as Christ loves the church. And may each wife show proper respect to her husband. Allow not the pressures and busyness of this profession come between what has been put together. May not another marriage be sacrificed upon the idolatrous altar of politics. It simply is not worth it.

May each one here who has children raise them in the grace and knowledge of You.

May we all learn to fear You and You alone. Draw each one unto Yourself.

We call upon You in this prayer. Please answer and be glorified. For You are good and Your love endures forever.

To the honor of Your name, O Lord, I pray in Your Son's name. Amen.

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Pastan Gladden and Karissa Sandfort.

The Journal of the thirty-fourth day was approved as printed.

WHEREAS, today in Missouri, according to the 2007 Census of Agriculture:

(1) 66% of Missouri's total land area is farmland;

(2) 53% of Missouri's total agricultural receipts came from livestock;

(3) Missouri ranks 2nd in the nation in the number of farms, with 108,000 farms. The average farm size is 269 acres, with 86% of all Missouri farms having less than 500 acres of land;

(4) 88% of all farm operations in this state were owned by individuals, families, or sole proprietors. Only 0.3% were owned by nonfamily corporations;

(5) Missouri has $7.51 billion value in agricultural products sold each year, with cattle and calves, hogs, and turkeys as Missouri's top livestock crops; and

(6) Missouri ranks 14th in the nation in total value of agricultural products sold. In 2009, 30% of Missouri's top agricultural production was in cattle and calves (16.1%), hogs (10%), and turkeys (4%); and

WHEREAS, in 2009, Missouri ranked 12th in the nation in agricultural exports, with livestock animals and meat as the 3rd highest agricultural export in the state; and

WHEREAS, with animal agriculture playing such a vital role in the lives of Missourians, it is appropriate to set aside one day to celebrate Missouri's animal agriculture industry in Missouri:

NOW THEREFORE BE IT RESOLVED that the members of the House of Representatives of the Ninety-sixth General Assembly, Second Regular Session, the Senate concurring therein, hereby designate October 3, 2012, as "Missouri Animal Agriculture Day" and encourage all citizens of this state to commemorate the day by eating and enjoying the fine meat selections raised in Missouri, including beef, pork, chicken, and turkey, as well as our wild game of deer, turkey, rabbit, and elk, and the many fish from our lakes, rivers, streams, and creeks.

HOUSE COMMITTEE SUBSTITUTE
FOR
HOUSE CONCURRENT RESOLUTION NO. 30

WHEREAS, over the course of the Spring and Summer of 2011, unprecedented releases of water upstream by the U.S. Army Corps of Engineers have caused extensive pressure on the river levees in the state of Missouri that protect many communities, businesses, and prime agricultural lands; and

WHEREAS, in the face of this tremendous pressure some of Missouri's levees have been intentionally and unintentionally breached, resulting in widespread flooding, which has proved devastating to many Missouri homes, farms, families, and livelihoods; and

WHEREAS, last summer, the U.S. Army Corps of Engineers intentionally breached the Birds Point levee in southeast Missouri which resulted in the flooding of 130,000 acres of mostly agricultural land; and

WHEREAS, Missouri families have suffered unprecedented losses as a result of this situation and many Missouri farmers have experienced a complete and total loss of agricultural production, resulting in decimated farm incomes and ravaged local economies; and

WHEREAS, according to a June 2011 report drafted by the Food and Agriculture Policy Research Institute of the University of Missouri, the breach of the levee and subsequent flooding of crop lands in Southeast Missouri has resulted in economic losses totaling $60.6 million, a combination of forgone net returns and incurred production expenses in the affected area; and

WHEREAS, according to the University of Missouri Extension, the southeast Missouri region produced the following shares of the state's total production of specific agricultural commodities in 2010:

1) 100% of total cotton production in Missouri;
2) 99.6% of total rice production in Missouri;
3) 52.9% of total wheat production in Missouri;
4) 21.4% of total grain sorghum production in Missouri;
5) 18.1% of total soybean production in Missouri;
6) 15.4% of total corn production in Missouri; and

WHEREAS, with the agricultural production of southeast Missouri accounting for approximately one-third of the state's total economy, the catastrophic results of the flooding of agricultural land due to the intentional breach of the Birds Point levee in southeast Missouri has a significant economic impact for the entire state. This complete and total loss of agricultural production at a time when our state's economy is experiencing recession can only exacerbate the state's current economic hardships; and

WHEREAS, the flood waters have not yet receded in some parts of Missouri and continue to disrupt the lives of hard-working Missourians; and

WHEREAS, even after the flood waters recede, much work will need to be done to restore the productivity of the damaged agricultural land and repair the ruined homes and businesses; and

WHEREAS, the U.S. Army Corps of Engineers is charged with management of the nation's rivers and flood control is one of the primary purposes for which the rivers are to be managed; and

WHEREAS, the original flood plan was authorized in 1928 in response to severe flooding of the Mississippi River in 1927. The U.S. Army Corps of Engineers is obligated to re-examine the flood plan in light of the devastating losses, both short-term and long-term, suffered in this state as a result of the unprecedented releases of water upstream and the intentional breach of the Birds Point levee by the U.S. Army Corps of engineers during the Spring and Summer of 2011:

NOW THEREFORE BE IT RESOLVED that the members of the House of Representatives of the Ninety-sixth General Assembly, Second Regular Session, the Senate concurring therein, hereby strongly urge the U.S. Army Corps of Engineers to:

1) Re-examine the flood control operations for the Missouri and Mississippi rivers; and

2) Manage the rivers in such a way as to avoid the devastating flooding disasters that have occurred this year; and

3) Rebuild the damaged levees to at least their previous heights as expediently as possible; and

BE IT FURTHER RESOLVED that the members of the Missouri General Assembly encourage communities, families and other stakeholders to work together to restore the prime agricultural lands that have been damaged by the recent flooding so that the productive value of these lands is not irrevocably lost; and

BE IT FURTHER RESOLVED that the members of the Missouri General Assembly strongly encourage the members of the Missouri Congressional delegation to actively support policies for the management of the Missouri River that minimize devastating flood events such as those that have been experienced by so many Missourians this summer; and

BE IT FURTHER RESOLVED that the Chief Clerk of the Missouri House of Representatives be instructed to prepare a properly inscribed copy of this resolution for the Secretary of the U.S. Army and the members of the Missouri Congressional delegation.

JOURNAL OF THE HOUSE

Second Regular Session, 96th GENERAL ASSEMBLY

THIRTY-SIXTH DAY, TUESDAY, MARCH 6, 2012

The House met pursuant to adjournment.

Speaker Pro Tem Schoeller in the Chair.

Prayer by Pastor Brett Capranica, Summit Woods Baptist Church, Lee's Summit, MO.

Most High God, as one ancient ruler once acknowledged:

You are "the Most High and praised and honored," the one "who lives forever, for Your dominion is an everlasting dominion, and Your kingdom endures from generation to generation" *(Daniel 4:34)*. Your "works are right and Your ways are just; and those who walk in pride You are able to humble." *(Daniel 4:37)*.

So we begin this day of legislation acknowledging You as the supreme lawmaker and ultimate king. We humble ourselves in recognition that justice is not determined by human pleasures, but by who You have revealed Yourself to be through the Holy Scriptures. Wisdom is not found in man-made principles but from the foundation of fearing You as the Almighty. Mercy is not calculated according to natural inclinations, but by the heights and depths by which You have shown Your own love to us through Your Son. All human authority is a derived authority, fixed by Your sovereign pleasure.

And so we pray with humility to You. Govern Your creation through these men and women whom You have sent as Your servants for good. For each of these leaders, along with all who interact with them, give them a humbled sense that they serve a cause, a purpose, a society, and a creator all much greater than themselves. As they serve the people of Missouri, may they have a strong sense that they are serving You by Your pleasure. Let Your supremacy season every debate, conversation, vote, and legal measure presented here this day.

We acknowledge You as the Most High. We humble ourselves as people here to carry out Your pleasure.

To the honor of Your great name, O Lord, I pray in Your Son's name. Amen.

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Chance Bedell, Chloe Bedell, Jacob Vegso, Montana Bedell and Tate Bedell.

The Journal of the thirty-fifth day was approved as printed.

JOURNAL OF THE HOUSE

Second Regular Session, 96th GENERAL ASSEMBLY

THIRTY-SEVENTH DAY, WEDNESDAY, MARCH 7, 2012

The House met pursuant to adjournment.

Speaker Tilley in the Chair.

Prayer by Representative Rodney Schad.

Our Father in Heaven, we bow our heads before You in reverence because of who You are. You are our holy, loving and merciful Father and we stand here today in awe of You and Your compassion for us in this life. We are Your servants and just now we praise You and thank You for this life and all the joy that it brings. We give You thanks for our health and we pray for Your healing for those we love who are hurting or sick or broken.

We lift up to You our service men and women wherever they may be serving and ask for their safety and protection. Be with our families this week as distance separates us and allow them to feel Your comfort and peace as we work to accomplish Your will and Your purpose. Your Word declares "The fear of the Lord is the beginning of knowledge but fools despise wisdom and discipline."

At this hour on this day in this place we seek Your help and Your wisdom to do the work that You have called us to do. You know our needs before we speak and yet as Your children we ask that You be with us as we strive to represent and serve the people of Missouri. We pray all this in the name of Jesus. Amen.

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as an Honorary Page for the Day, to serve without compensation: Maranda Burke.

The Journal of the thirty-sixth day was approved as printed.

House Amendment No. 1

AMEND House Committee Substitute for House Bill Nos. 1319, 1045 & 1369, Page 6, Section 571.092, Line 1, by deleting the words "**over the age of eighteen years**"; and

Further amend said bill, Page 18, Section 571.117, Line 100, by inserting after all of said section and line the following:

"**[**475.375. 1. Any individual over the age of eighteen years who has been adjudged incapacitated under this chapter or who has been involuntarily committed under chapter 632 may file a petition for the removal of the disqualification to purchase, possess, or transfer a firearm when:

(1) The individual no longer suffers from the condition that resulted in the individual's incapacity or involuntary commitment;

(2) The individual no longer poses a danger to self or others for purposes of the purchase, possession, or transfer of firearms under 18 U.S.C. Section 922; and

(3) Granting relief under this section is not contrary to the public interest. No individual who has been found guilty by reason of mental disease or defect may petition a court for restoration under this section.

2. The petition shall be filed in the circuit court that entered the letters of guardianship or the most recent order for involuntary commitment, whichever is later. Upon receipt of the petition, the clerk shall schedule a hearing and provide notice of the hearing to the petitioner.

3. The burden is on the petitioner to establish by clear and convincing evidence that:

(1) The petitioner no longer suffers from the condition that resulted in the incapacity or the involuntary commitment;

(2) The individual no longer poses a danger to self or others for purposes of the purchase, possession, or transfer of firearms under 18 U.S.C. Section 922; and

(3) Granting relief under this section is not contrary to the public interest.

4. Upon the filing of the petition the court shall review the petition and determine if the petition is based upon frivolous grounds and if so may deny the petition without a hearing. In order to determine whether petitioner has met the burden pursuant to this section, the court may request the local prosecuting attorney, circuit attorney, or attorney general to provide a written recommendation as to whether relief should be granted. In any order requiring such review the court may grant access to any and all mental health records, juvenile records, and criminal history of the petitioner wherever maintained. The court may allow presentation of evidence at the hearing if requested by the local prosecuting attorney, circuit attorney, or attorney general.

5. If the petitioner is filing the petition as a result of an involuntary commitment under chapter 632, the hearing and records shall be closed to the public, unless the court finds that public interest would be better served by conducting the hearing in public. If the court determines the hearing should be open to the public, upon motion by the petitioner, the court may allow for the in-camera inspection of mental health records. The court may allow the use of the record but shall restrict from public disclosure, unless it finds that the public interest would be better served by making the record public.

6. The court shall enter an order that:

(1) The petitioner does or does not continue to suffer from the condition that resulted in commitment;

(2) The individual does or does not continue to pose a danger to self or others for purposes of the purchase, possession, or transfer of firearms under 18 U.S.C. Section 922; and

(3) Granting relief under this section is not contrary to the public interest. The court shall include in its order the specific findings of fact on which it bases its decision.

7. Upon a judicial determination to grant a petition under this section, the clerk in the county where the petition was granted shall forward the order to the Missouri state highway patrol for updating of the petitioner's record with the National Instant Criminal Background Check System (NICS).

8. (1) Any person who has been denied a petition for the removal of the disqualification to purchase, possess, or transfer a firearm pursuant to this section shall not be eligible to file another petition for removal of the disqualification to purchase, possess, or transfer a firearm until the expiration of one year from the date of such denial.

(2) If a person has previously filed a petition for the removal of the disqualification to purchase, possess, or transfer a firearm and the court determined that:

(a) The petitioner's petition was frivolous; or

(b) The petitioner's condition had not so changed such that the person continued to suffer form the condition that resulted in the individual's incapacity or involuntary commitment and continued to pose a danger to self or others for purposes of the purchase, possession, or transfer of firearms under 18 U.S.C. Section 922; or

(3) Granting relief under this section would be contrary to the public interest, then the court shall deny the subsequent petition unless the petition contains the additional facts upon which the court could find the condition of the petitioner had so changed that a hearing was warranted.**]**"; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

On motion of Representative Riddle, **House Amendment No. 1** was adopted.

Representative Cross offered **House Amendment No. 2**.

House Amendment No. 1

AMEND House Committee Substitute for House Bill No. 1042, Page 7, Section 173.040, Line 19, by adding after all of said line the following:

"173.300. The Compact for Education is hereby entered into and enacted into law with all jurisdictions legally joining therein, in the form substantially as follows:

Article I Purpose and Policy

A. It is the purpose of this compact to:

1. Establish and maintain close cooperation and understanding among the executive, legislative, professional, educational and lay leadership on a nationwide basis at the state and local levels.

2. Provide a forum for the discussion, development, crystallization and recommendation of public policy alternatives in the field of education.

3. Provide a clearing house of information on matters relating to educational problems and how they are being met in different places throughout the nation, so that the executive and legislative branches of state government and of local communities may have ready access to the experience and record of the entire country, and so that both lay and professional groups in the field of education may have additional avenues for the sharing of experience and the interchange of ideas in the formation of public policy in education.

4. Facilitate the improvement of state and local educational systems so that all of them will be able to meet adequate and desirable goals in a society which requires continuous qualitative and quantitative advance in educational opportunities, methods and facilities.

B. It is the policy of this compact to encourage and promote local and state initiative in the development, maintenance, improvement and administration of educational systems and institutions in a manner which will accord with the needs and advantages of diversity among localities and states.

C. The party states recognize that each of them has an interest in the quality and quantity of education furnished in each of the other states, as well as in the excellence of its own educational systems and institutions, because of the highly mobile character of individuals within the nation, and because the products and services contributing to the health, welfare and economic advancement of each state are supplied in significant part by persons educated in other states.

Article II State Defined

As used in this compact, "state" means a state, territory, or possession of the United States, the District of Columbia, or the Commonwealth of Puerto Rico.

Article III The Commission

A. The **[**Educational**]** **Education** Commission of the States, hereinafter called "the commission", is hereby established. The commission shall consist of seven members representing each party state. One of such members shall be the governor; two shall be members of the state legislature selected by its respective houses and serving in such manner as the legislature may determine; and four shall be appointed by and serve at the pleasure of the governor, unless the laws of the state otherwise provide. If the laws of a state prevent legislators from serving on the commission, six members shall be appointed and serve at the pleasure of the governor, unless the laws of the state otherwise provide. In addition to any other principles or requirements which a state may establish for the appointment and service of its members of the commission, the guiding principle for the composition of the membership on the commission from each party state shall be that the members representing such state shall, by virtue of their training, experience, knowledge or affiliations be in a position collectively to reflect broadly the interests of the state government, higher education, the state education system, local education, lay and professional, public and non-public educational leadership. Of those appointees, one shall be the head of a state agency or institution, designated by the governor, having responsibility for one or more programs of public education. In addition to the members of the commission representing the party states, there may be not to exceed ten non-voting commissioners selected by the steering committee for terms of one year. Such commissioners shall represent leading national organizations of professional educators or persons concerned with educational administration.

B. The members of the commission shall be entitled to one vote each on the commission. No action of the commission shall be binding unless taken at a meeting at which a majority of the total number of votes on the commission are cast in favor thereof. Action of the commission shall be only at a meeting at which a majority of the commissioners are present. The commission shall meet at least once a year. In its bylaws, and subject to such directions and limitations as may be contained therein, the commission may delegate the exercise of any of its powers to the steering committee or the executive director, except for the power to approve budgets or requests for appropriations, the power to make policy recommendations pursuant to Article IV and adoption of the annual report pursuant to Article III(J).

C. The commission shall have a seal.

D. The commission shall elect annually, from among its members, a chairman, who shall be a governor, a vice chairman and a treasurer. The commission shall provide for the appointment of an executive director. Such executive director shall serve at the pleasure of the commission, and together with the treasurer and such other personnel as the commission may deem appropriate shall be bonded in such amount as the commission shall determine. The executive director shall be secretary.

E. Irrespective of the civil service, personnel or other merit system laws of any of the party states, the executive director subject to the approval of the steering committee shall appoint, remove or discharge such personnel as may be necessary for the performance of the functions of the commission, and shall fix the duties and compensation of such personnel. The commission in its bylaws shall provide for the personnel policies and programs of the commission.

F. The commission may borrow, accept or contract for the services of personnel from any party jurisdiction, the United States, or any subdivision or agency of the aforementioned governments, or from any agency of two or more of the party jurisdictions or their subdivisions.

G. The commission may accept for any of its purposes and functions under this compact any and all donations, and grants of money, equipment, supplies, materials and services, conditional or otherwise, from any state, the United States, or any other governmental agency, or from any person, firm, association, foundation, or corporation, and may receive, utilize and dispose of the same. Any donation or grant accepted by the commission pursuant to this paragraph or services borrowed pursuant to paragraph (F) of this article shall be reported in the annual report of the commission. Such report shall include the nature, amount and conditions, if any, of the donation, grant, or services borrowed, and the identity of the donor or lender.

H. The commission may establish and maintain such facilities as may be necessary for the transacting of its business. The commission may acquire, hold, and convey real and personal property and any interest therein.

I. The commission shall adopt bylaws for the conduct of its business and shall have the power to amend and rescind these bylaws. The commission shall publish its bylaws in convenient form and shall file a copy thereof and a copy of any amendment thereto, with the appropriate agency or officer in each of the party states.

J. The commission annually shall make to the governor and legislature of each party state a report covering the activities of the commission for the preceding year. The commission may make such additional reports as it may deem desirable.

Article IV Powers

In addition to authority conferred on the commission by other provisions of the compact, the commission shall have authority to:

1. Collect, correlate, analyze and interpret information and data concerning educational needs and resources.

2. Encourage and foster research in all aspects of education, but with special reference to the desirable scope of instruction, organization, administration, and instructional methods and standards employed or suitable for employment in public educational systems.

3. Develop proposals for adequate financing of education as a whole and at each of its many levels.

4. Conduct or participate in research of the types referred to in this article in any instance where the commission finds that such research is necessary for the advancement of the purposes and policies of this compact, utilizing fully the resources of national associations, regional compact organizations for higher education, and other agencies and institutions, both public and private.

5. Formulate suggested policies and plans for the improvement of public education as a whole or for any segment thereof, and make recommendations with respect thereto available to the appropriate governmental units, agencies and public officials.

6. Do such other things as may be necessary or incidental to the administration of any of its authority or functions pursuant to this compact.

Article V Cooperation With Federal Government

A. If the laws of the United States specifically so provide, or if administrative provision is made therefor within the federal government, the United States may be represented on the commission by not to exceed ten representatives. Any such representative or representatives of the United States shall be appointed and serve in such manner as may be provided by or pursuant to federal law, and may be drawn from any one or more branches of the federal government, but no such representative shall have a vote on the commission.

B. The commission may provide information and make recommendations to any executive or legislative agency or officer of the federal government concerning the common educational policies of the states, and may advise with any such agencies or officers concerning any matter of mutual interest.

Article VI Committees

A. To assist in the expeditious conduct of its business when the full commission is not meeting, the commission shall elect a steering committee of thirty-two members which, subject to the provisions of this compact and consistent with the policies of the commission, shall be constituted and function as provided in the bylaws of the commission. Eight of the voting membership of the steering committee shall consist of governors, eight shall be legislators, and the remainder shall consist of other members of the commission. A federal representative on the commission may serve with the steering committee, but without vote. The voting members of the steering committee shall serve for terms of two years, except that members elected to the first steering committee of the commission shall be elected as follows: sixteen for one year and sixteen for two years. The chairman, vice chairman, and treasurer of the commission shall be members of the steering committee and, anything in this paragraph to the contrary notwithstanding, shall serve during their continuance in these offices. Vacancies in the steering committee shall not affect its authority to act, but the commission at its next regularly ensuing meeting following the occurrence of any vacancy shall fill it for the unexpired term. No person shall serve more than two terms as a member of the steering committee; provided that service for a partial term of one year or less shall not be counted toward the two term limitation.

B. The commission may establish advisory and technical committees composed of state, local and federal officials, and private persons to advise it with respect to any one or more of its functions. Any advisory or technical committee may, on request of the states concerned, be established to consider any matter of special concern to two or more of the party states.

C. The commission may establish such additional committees as its bylaws may provide.

Article VII Finance

A. The commission shall advise the governor or designated officer or officers of each party state of its budget and estimated expenditures for such period as may be required by the laws of that party state. Each of the commission's budgets of estimated expenditures shall contain specific recommendations of the amount or amounts to be appropriated by each of the party states.

B. The total amount of appropriation requests under any budget shall be apportioned among the party states. In making such apportionment, the commission shall devise and employ a formula which takes equitable account of the populations and per capita income levels of the party states.

C. The commission shall not pledge the credit of any party states. The commission may meet any of its obligations in whole or in part with funds available to it pursuant to Article III(G) of this compact, provided that the commission takes specific action setting aside such funds prior to incurring an obligation to be met in whole or in part in such manner. Except where the commission makes use of funds available to it pursuant to Article III(G) thereof, the commission shall not incur any obligation prior to the allotment of funds by the party states adequate to meet the same.

D. The commission shall keep accurate accounts of all receipts and disbursements. The receipts and disbursements of the commission shall be subject to the audit and accounting procedures established by its bylaws. However, all receipts and disbursements of funds handled by the commission shall be audited yearly by a qualified public accountant, and the report of the audit shall be included in and become part of the annual reports of the commission.

E. The accounts of the commission shall be open at any reasonable time for inspection by duly constituted officers of the party states and by any person authorized by the commission.

F. Nothing contained herein shall be construed to prevent commission compliance with laws relating to audit or inspection of accounts by or on behalf of any government contributing to the support of the commission.

Article VIII Eligible Parties; Entry Into and Withdrawal

A. This compact shall have as eligible parties all states, territories, and possessions of the United States, the District of Columbia, and the Commonwealth of Puerto Rico. In respect of any such jurisdiction not having a governor, the term "governor", as used in this compact, shall mean the closest equivalent official of such jurisdiction.

B. Any state or other eligible jurisdiction may enter into this compact and it shall become binding thereon when it has adopted the same; provided that in order to enter into initial effect, adoption by at least ten eligible party jurisdictions shall be required.

C. Adoption of the compact may be either by enactment thereof or by adherence thereto by the governor; provided that in the absence of enactment, adherence by the governor shall be sufficient to make his state a party only until December 31, 1967. During any period when a state is participating in this compact through gubernatorial action, the governor shall appoint those persons who, in addition to himself, shall serve as the members of the commission from his state, and shall provide to the commission an equitable share of the financial support of the commission from any source available to him.

D. Except for a withdrawal effective on December 31, 1967 in accordance with paragraph C of this article, any party state may withdraw from this compact by enacting a statute repealing the same, but no such withdrawal shall take effect until one year after the governor of the withdrawing state has given notice in writing of the withdrawal to the governors of all other party states. No withdrawal shall affect any liability already incurred by or chargeable to a party state prior to the time of such withdrawal.

Article IX Construction and Severability

This compact shall be liberally construed so as to effectuate the purposes thereof. The provisions of this compact shall be severable and if any phrase, clause, sentence or provision of this compact is declared to be contrary to the constitution of any state or of the United States, or the application thereof to any government, agency, person or circumstance is held invalid, the validity of the remainder of this compact and the applicability thereof to any government, agency, person or circumstance shall not be affected thereby. If this compact shall be held contrary to the constitution of any state participating therein, the compact shall remain in full force and effect as to the state affected as to all severable matters." ; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

HOUSE CONCURRENT RESOLUTION NO. 25

WHEREAS, the practice of school nursing began in the United States in 1902, when the initial role of the school nurse was to reduce absenteeism by intervening with students and families regarding health care needs related to communicable diseases; and

WHEREAS, today, professional school nursing is a specialized practice that advances the well-being, academic success, and lifelong achievement of students. To that end, school nurses facilitate positive student responses to normal development, promote health and safety, intervene with actual and potential health problems, provide case management services, and actively collaborate with others to build student and family capacity for adaptation, self-management, and self-advocacy, and learning; and

WHEREAS, seven roles have been identified by the National Association of School Nurses:

(1) Providing health care to students and staff;
(2) Providing leadership for the provision of health services;
(3) Providing screening and referral for health care;
(4) Promoting a healthy school environment;
(5) Promoting health;
(6) Serving in a leadership role for health policies and programs;
(7) Serving as a liaison between school personnel, family, community, and health care providers; and

WHEREAS, under optimal conditions, all public schools should have a school nurse on staff; and

WHEREAS, today, school nurses are facing increased pressures from every direction. Overwhelming amounts of paperwork, strict administrative policies, diminishing school budgets, and serious concerns regarding legal liabilities leave an insufficient amount of time and resources to provide students with the quality of care they deserve; and

WHEREAS, as schools grapple with mandates from the federal government to vaccinate students, many districts have few or no nurses to prevent or respond to outbreaks, leaving students more vulnerable to viruses that spread easily in classrooms and take a heavier toll on children and young adults; and

WHEREAS, a 2008 survey by the National Association of School Nurses found that only 45% of public schools have their own full-time nurse, another 30% have a part-time nurse, and 25% don't have any nurses at all; and

WHEREAS, given the vital role of our professional school nurses, school districts should recognize the dedication and contributions made by professionals:

NOW THEREFORE BE IT RESOLVED that the members of the House of Representatives of the Ninety-sixth General Assembly, Second Regular Session, the Senate concurring therein, hereby recognize the important health and educational services that professional school nurses provide and strongly urge every school district in this state to recognize the dedication of professional school nurses and the valuable role they play in Missouri schools; and

BE IT FURTHER RESOLVED that the Chief Clerk of the Missouri House of Representatives be instructed to prepare a properly inscribed copy of this resolution for each school district in Missouri.

MESSAGE FROM THE SENATE

Mr. Speaker: I am instructed by the Senate to inform the House of Representatives that the Senate has taken up and adopted **SCR 24.**

SENATE CONCURRENT RESOLUTION NO. 24

WHEREAS, the trucking industry is a critical component of the United States economy; and

WHEREAS, truck safety is an important public policy concern; and

WHEREAS, on December 16, 2011, the Federal Motor Carrier Safety Administration (FMCSA) published a final rule establishing new Hours of Service (HOS) regulations for commercial motor vehicles; and

WHEREAS, the final rule institutes a new 30-minute rest break requirement for drivers, mandates that the 34-hour restart provision include two off-duty periods between 1:00 a.m. and 5:00 a.m., and revises the definition of on-duty time; and

WHEREAS, FMCSA's new HOS rule reduces the maximum weekly hours truck drivers may work from an average of 82 hours to 70 hours; and

WHEREAS, the final rule also establishes penalties for egregious violations of the HOS regulations and revises log book requirements for drivers involved in oilfield operations; and

WHEREAS, the FMCSA's final rule would decrease the overall number of hours a truck driver could work, and require the addition of more trucks and drivers to deliver the nation's freight; and

WHEREAS, this impact would likely compromise highway safety by generating more exposure to crashes, putting less experienced drivers on the road, exacerbating the shortage of rest area parking spaces and creating long periods of idle time for truck drivers; and

WHEREAS, the increased costs generated by the need for additional trucks and drivers, as well as operational changes, under the proposal would inflate delivery expenses and raise business and consumer costs; and

WHEREAS, the impact of the final rule will result in additional costs for motor carriers, reduced income for truck drivers, reduced productivity, an increase in highway congestion, and an increase in the cost of goods for Missourians; and

WHEREAS, the FMCSA's cost-benefit analysis of the proposal is incomplete, fails to completely account for all trucking-industry and economy-wide costs, and inflates the safety benefits of the proposal; and

WHEREAS, the American Trucking Association recently filed a petition with the U.S. Circuit Court of Appeals for the District of Columbia, asking the court to set aside FMCSA's recently published final rule as arbitrary and capricious and contrary to law; and

WHEREAS, FMCSA advisory panels are looking toward adopting regulations that involve screening and treatment of drivers at risk for obstructive sleep apnea; and

WHEREAS, the FMCSA Advisory Committee and Medical Review Board adopted 11 recommendations, including a requirement that all drivers with a body mass index measurement (BMI) of 35 or higher be tested for sleep apnea; and

WHEREAS, while there is some evidence to indicate that some commercial truck drivers have sleep apnea, there is insufficient evidence that this condition has resulted in the increased likelihood of crashes; and

WHEREAS, the Owner-Operator Independent Drivers Association Foundation calculated that 49 percent of the 3.5 million commercial truck drivers have a BMI of 30 or greater and that if a number of drivers is required to undergo sleep lab exams, such a rule would cost truckers $5.25 billion; and

WHEREAS, the reach of the proposed sleep apnea testing regulation would even govern school bus drivers; and

WHEREAS, there are valid operational differences between school bus operations and other commercial carrier operations which should be taken into account when considering applying the recommendations to all commercial drivers; and

WHEREAS, FMCSA is considering adopting other rules and regulations, notably regulations concerning electronic stability control for large trucks and speed limits for large trucks, all measures that could have a profound effect on the national economy:

NOW, THEREFORE, BE IT RESOLVED that the members of the Missouri Senate, Ninety-sixth General Assembly, Second Regular Session, the House of Representatives concurring therein, hereby urge the Federal Motor Carrier Safety Administration to rescind its newly published rule regarding hours of service and refrain from adopting regulations concerning sleep apnea and other measures affecting the trucking industry; and

BE IT FURTHER RESOLVED that the Secretary of the Missouri Senate be instructed to prepare properly inscribed copies of this resolution for the Administrator of the Federal Motor Carrier Safety Administration, Anne S. Ferro, and each member of the Missouri Congressional delegation.

In which the concurrence of the House is respectfully requested.

JOURNAL OF THE HOUSE

Second Regular Session, 96th GENERAL ASSEMBLY

THIRTY-EIGHTH DAY, THURSDAY, MARCH 8, 2012

The House met pursuant to adjournment.

Speaker Pro Tem Schoeller in the Chair.

Prayer by Representative Tommie Pierson.

Eternal God, Our Father – As we stand here in thanksgiving, we pray now that You would give us the wisdom to do those things that will strengthen and build up the people of the great State of Missouri and the love for each citizen of our great state that we would make the kind of laws that will make us all stronger and more prosperous.

I thank You that You look down upon all of us with Your hand of mercy and Your love of kindness, and now as we debate the bills that will come before us today, let us do it with a love for self and a love for others, and make the best decision that we know how; because one day, every knee shall bow and every tongue confess the deeds that we have done in this body.

As we leave here today to embark upon our spring break, let us use that time to allow God to renew and refresh us. Let us connect with our families and loved ones, realizing that what we do in this House can have a profound effect on their lives. So Lord, relax us and refresh us that when we come back from spring break, we will have a new and refreshing look as we deliberate our bills, guided by Your Holy Spirit. We will joyously and gladly do what is in the best interests of the people of the great State of Missouri.

Because You are the author and finisher of our faith, let Your words be a lamp unto our feet and a light unto our path.

In the name of Him who said, "Blessed and fortunate and happy and spiritually prosperous are those who hunger and thirst for righteousness, for they shall be completely satisfied!" *(Matthew 5:6)*

And the House says, "Amen."

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Madison Mitchell, Michael Kempker, Gavin Spicer, Caitlyn Murdick, Drew Anthony and Watson Byrd.

Help them to know that faith is the key to the Kingdom, which has the power to direct their decisions and to impact this great State of Missouri. "For as many as are led by the Spirit of God, they are the daughters and sons of God." *(Romans 8:14)*

May Your righteous and holy hand uphold these governmental officials and keep them in perfect peace, while the uncertainty of the world influences our community. Holy God, they need Your spiritual presence, Your endless power, and Your passion to be stamped upon their hearts this very moment, as they make resolutions that will affect the rich and the poor of our state. May these representatives respond to Your holy voice, so they can favorably reply to the voices of the people.

Grant these women and men, and their families, physical health, inner peace and endless mercy as they serve and preserve high governmental standards for our fellow citizens. "To give and it will be given to you; good measure passed over, they will pour into your lap. For whatever measure you deal out to others, it will be dealt to you in return." *(Luke 6:38)* Help them deal fairly with all people so that they can understand how You deal fairly with them, Lord.

And now unto You Who are able to do more than we can think or imagine, I pray that these officials will submit to Your authority and be led by You. May it be so in the righteous Name of our Lord, Savior and Master, Jesus Christ. Amen.

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Abigail Leara, Kathleen Leara, Alexander Leara and Thomas Leara.

The Journal of the thirty-eighth day was approved as corrected.

MESSAGE FROM THE GOVERNOR

EXECUTIVE OFFICE

March 16, 2012

TO THE CHIEF CLERK OF THE
HOUSE OF REPRESENTATIVES
96TH GENERAL ASSEMBLY
SECOND REGULAR SESSION
STATE OF MISSOURI

Herewith I return to you **House Bill No. 1219** entitled:

"AN ACT"

To repeal sections 213.010, and 213.111, RSMo, and to enact in lieu thereof three new sections relating to unlawful discriminatory practices.

I disapprove of **House Bill No. 1219**. My reasons for disapproval are as follows:

Much like Senate Committee Substitute for Senate Bill No. 188, which I vetoed in 2011, **House Bill No. 1219** weakens Missouri's commitment to address discriminatory conduct and limits existing protections for whistleblowers in the workplace.

The following are several of the unacceptable provisions contained in **House Bill No. 1219** that collectively evince a desire to undo decades of progress in Missouri.

Eliminates individual responsibility for discrimination. House Bill No. 1219 ignores a basic tenet of the Missouri Human Rights Act in that it releases from liability the very person who committed the discriminatory act. The Missouri Human Rights Act was established to protect Missourians from such treatment by holding those who discriminate and harass accountable for their actions.

Exempts private clubs and seasonal employers from suit. House Bill No. 1219 would exempt private clubs and many seasonal employers from the type of conduct prohibited by the Missouri Human Rights Act. This Act must continue to protect against discrimination regardless of where it occurs.

Significantly reduces the availability of damages in discrimination cases. House Bill No. 1219 would establish a cap on damages in discrimination cases. And while federal law also establishes limits, the federal caps apply against the aggregate of only compensatory and punitive damages. **House Bill No. 1219**, meanwhile, would apply that same monetary limit to the sum of awarded "back pay, interest on back pay, other equitable relief **[**front pay**]**, court costs and reasonable attorneys fees," as well as compensatory and punitive damages. Such limits would significantly reduce the potential award in any given case and would undermine the effectiveness of the Missouri Human Rights Act.

Prevents a court from awarding any damages in housing discrimination cases. State law makes it unlawful to discriminate in housing decisions because of race, color, religion, national origin, ancestry, sex, disability or familial status and provides for the recovery of damages for such conduct. **House Bill No. 1219**, by way of Section 213.111.8, RSMo, would inexplicably eliminate a court's ability to award damages in housing discrimination cases brought under Sections 213.040, 213.045 or 213.050, RSMo.

Prohibits punitive damages against government. House Bill No. 1219 would bar punitive damages in discrimination suits against the State or political subdivisions except in certain housing cases, effectively holding governmental entities less accountable to its citizens than their private sector counterparts. Discrimination and unfair treatment does not become more or less abhorrent based on who is doing the discriminating, and the Missouri Human Rights Act should therefore make no such distinction.

Reduces protection for Whistleblowers. House Bill No. 1219 would narrow the protections that currently exist against retaliation in the workplace. Whistleblowers provide an important service to all Missourians, and laws should not be written to discourage individuals from exposing misconduct.

In accordance with the above stated reasons for disapproval, I am returning **House Bill No. 1219** without my approval.

Respectfully submitted,

/s/ Jeremiah W. (Jay) Nixon
Governor

The following member's presence was noted: Franklin.

HOUSE BILLS VETOED FROM SECOND REGULAR SESSION

HB 1219 - Elmer

JOURNAL OF THE HOUSE

Second Regular Session, 96th GENERAL ASSEMBLY

FORTIETH DAY, TUESDAY, MARCH 20, 2012

The House met pursuant to adjournment.

Speaker Tilley in the Chair.

Prayer by Msgr. Robert A. Kurwicki, Chaplain.

I will lift up mine eyes unto the hills, from whence cometh my help. (Psalm 121:1)

Almighty God, Who is ever present in our world and with us always all our lives, grant unto us Your spirit which will enable us to live this day with dignity, do our work with patience, and serve our state with complete devotion. Lift up before our eyes the standards of truth and love. May they lighten our path, and may we be given courage to walk in that way for the good of our spirits, for the well-being of our state, and for the welfare of all people.

We commend to Your wise and loving care those who walk in sorrow, those who have given their lives for our country. May we match their devotion with our dedication, their willingness to sacrifice with our readiness to serve the great State of Missouri.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

JOURNAL OF THE HOUSE

Second Regular Session, 96th GENERAL ASSEMBLY

FORTY-FIRST DAY, WEDNESDAY, MARCH 21, 2012

The House met pursuant to adjournment.

Speaker Tilley in the Chair.

Prayer by Msgr. Robert A. Kurwicki, Chaplain.

Trust in the Lord with all thine heart; and lean not unto thine own understanding. (Proverbs 3:5)

Dear Lord, our spirit's unseen and powerful friend, make Your ways known to us as we bow in Your presence this morning after a long day yesterday. May this moment of prayer be an open door to the reality of Your spirit and as we look up to You may we find our strength renewed, our souls restored and be given courage and wisdom for the living of these days.

Grant us with one mind to do justly, to love mercy, and to walk humbly with You, and in so doing to promote the welfare of all our people. Give to us and to all our citizens a love for truth, a passion for doing our duty, and a dedication to You which will hold us steady amid difficult times.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Katherine Jones, Abigail Jones, Daniel Diehl, Tucker Maddox, Samantha Maddox, Hannah Coleman, Kirsten Hilburn, James Prater, Kelsey Stevens, Andrew Cummings, Griffin Buschjost and Kaitlyn Sandbothe.

House Amendment No. 1

AMEND House Bill No. 1191, Page 1, in the Title, Lines 2-3, by deleting "the state park earnings fund" and inserting in lieu thereof "state parks"; and

Further amend said bill, Page 2, Section 253.090, Line 28, by inserting the following after all of said line:

"**640.950. 1. This section shall be known and may be cited as "The Renewable Energy Pilot Program for State Parks".**

2. The department of natural resources shall, in consultation with the public service commission, develop and implement a pilot program in which renewable energy technology is used to operate a state park.

3. The commission shall retain authority to regulate the rates and cost recovery for electric utilities under its jurisdiction that enter into a contractual agreement to provide renewable energy resources for the department. The department may also contract with those electric utilities that are unregulated by the commission.

4. The pilot program shall begin with the department's selection of a suitable state park by August 28, 2013. The department shall set a goal of achieving the one hundred percent use of renewable energy resources, as defined in section 393.1025, within the boundaries of the park.

5. The pilot program shall involve the department's use of as many energy-efficient products as possible within the boundaries of the park.

6. The department shall set a goal of completing such renewable energy pilot program by August 28, 2018.

7. Beginning August 28, 2012, the department shall annually report to the general assembly if the goal of this section has been met. If the goal provided in this section is not achieved, then such report shall explain why such goal is not feasible at the current time and develop alternative suggestions. If the goal in subsection 6 of this section is not met, then such report shall continue indefinitely on an annual basis.

8. The department shall promulgate rules to implement the provisions of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly under chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2012, shall be invalid and void."; and

HOUSE BILLS VETOED FROM SECOND REGULAR SESSION

HB 1219 - Elmer

JOURNAL OF THE HOUSE

Second Regular Session, 96th GENERAL ASSEMBLY

FORTY-SECOND DAY, THURSDAY, MARCH 22, 2012

The House met pursuant to adjournment.

Speaker Tilley in the Chair.

Prayer by Msgr. Robert A. Kurwicki, Chaplain.

Blessed are the poor in spirit: for theirs is the kingdom of heaven. (Matthew 5:3)

O God, our Creator and Sustainer, the strength of those who labor and the supporter of all who put their trust in You, in reverence we bow before You this moment. You are ever with us and we pray that we may always be aware of Your presence and keep our lives open to the guidance to Your Word.

By Your spirit may we become conscious of our own sins and shortcomings, our own limitations and liabilities. May we not mistake prejudice for principle nor conceit for confidence, but in all humility depend upon You for guidance and grace for daily living. Cleanse our hearts of selfishness, pettiness, and narrowness of mind. Create in us a new spirit - a new faith in You, a new joy in living, a new courage for life, and a new enthusiasm for good will among all our people.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Alexis Marie Leara, Logan Jones, Maureen Lawless, Autumn Lawless, Shelby Nolte, Samantha Nolte, Sydney Nolte, Simone Robinson, Sam Hernandez, Hannah Robinson, Issabella Avery, Jessica Hill, Kayla Thomas, Madison Thomas, Rachel Hermasillo, Alex Turner, Amy Goldsbury, Atalie Dycus, Avyon Barnes, Brooke Thornburg, Jessica Nation, Ashlee Lawless, Emma Will, Francesca Fazzino, Gabrielle Rivera, Genevieve Holmes and Gillian Buchholz.

HB 1219 - Elmer

JOURNAL OF THE HOUSE

Second Regular Session, 96th GENERAL ASSEMBLY

FORTY-FOURTH DAY, MONDAY, MARCH 26, 2012

The House met pursuant to adjournment.

Speaker Tilley in the Chair.

Prayer by Pastor Paul Meinsen.

Psalm 25, A Psalm of David. To You, O LORD, I lift up my soul. O my God, in You I trust, do not let me be ashamed; Do not let my enemies exult over me. Indeed, none of those who wait for You will be ashamed; Those who deal treacherously without cause will be ashamed. Make me know Your ways, O LORD; Teach me Your paths. Lead me in Your truth and teach me, for You are the God of my salvation; For You I wait all the day.

Remember, O LORD, Your compassion and Your loving-kindness, for Your goodness' sake, O LORD, pardon my iniquity, for it is great. Who is the man who fears the LORD? He will instruct him in the way he should choose. His soul will aide in prosperity, and his descendants will inherit the land. The secret of the LORD is for those who fear Him, and He will make them know His covenant.

My eyes are continually toward the LORD, for He will pluck my feet out of the net. Turn to me and be gracious to me, for I am lonely and afflicted. The troubles of my heart are enlarged; Bring me out of my distresses. Look upon my affliction and my trouble, and forgive all my sins. Look upon my enemies, for they are many, and they hate me with violent hatred. Guard my soul and deliver me; Do not let me be ashamed for I take refuge in You. Let integrity and uprightness preserve me, for I wait for You.

We call upon You in this prayer. Please answer and be glorified.

To the honor of Your name, O Lord, I pray in Your Son's name. Amen.

The Pledge of Allegiance to the flag was recited.

The Journal of the forty-second day was approved as corrected.

The Journal of the forty-third day was approved as printed.

JOURNAL OF THE HOUSE

Second Regular Session, 96th GENERAL ASSEMBLY

FORTY-FIFTH DAY, TUESDAY, MARCH 27, 2012

The House met pursuant to adjournment.

Speaker Tilley in the Chair.

Prayer by Msgr. Robert A. Kurwicki, Chaplain.

Blessed are they that mourn: for they shall be comforted. (Matthew 5:4)

O Eternal God of our spirits, Who is the light of the minds that know You, the life of the souls that love You, and the strength of the hearts that serve You, help us so to know You that we may come to love You, so to love You that we may be able to serve You with all our hearts.

We face tasks that are beyond our power to meet adequately; we have responsibilities that are more than we can manage acceptably; we are confronted by duties that are greater than our ability to master competently - so we pray for the sustaining power of Your presence in our lives. Even in distress and sorrow may we feel the comfort of Your Holy Spirit.

Lead, Kindly Light, amid the encircling confusion, lead on us - that with clean hearts, clear minds, and courageous spirits we may usher in the day when peace shall reign and good will rule the hearts of all. So may Your kingdom come and Your will be done on Earth.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Grace Hamby and Abigail Rainwater.

The Journal of the forty-fourth day was approved as printed.

2. No standard, rule or regulation or any amendment or repeal thereof shall be adopted except after a public hearing to be held by the commission after at least thirty days' prior notice in the manner prescribed by the rulemaking provisions of chapter 536 and an opportunity given to the public to be heard; the commission may solicit the views, in writing, of persons who may be affected by, knowledgeable about, or interested in proposed rules and regulations, or standards. Any person heard or registered at the hearing, or making written request for notice, shall be given written notice of the action of the commission with respect to the subject thereof. Any rule or portion of a rule, as that term is defined in section 536.010, that is promulgated to administer and enforce sections 640.100 to 640.140 shall become effective only if the agency has fully complied with all of the requirements of chapter 536, including but not limited to section 536.028, if applicable, after June 9, 1998. All rulemaking authority delegated prior to June 9, 1998, is of no force and effect and repealed as of June 9, 1998, however, nothing in this section shall be interpreted to repeal or affect the validity of any rule adopted or promulgated prior to June 9, 1998. If the provisions of section 536.028 apply, the provisions of this section are nonseverable and if any of the powers vested with the general assembly pursuant to section 536.028 to review, to delay the effective date, or to disapprove and annul a rule or portion of a rule are held unconstitutional or invalid, the purported grant of rulemaking authority and any rule so proposed and contained in the order of rulemaking shall be invalid and void, except that nothing in this chapter or chapter 644 shall affect the validity of any rule adopted and promulgated prior to June 9, 1998.

3. The commission shall promulgate rules and regulations for the certification of public water system operators, backflow prevention assembly testers and laboratories conducting tests pursuant to sections 640.100 to 640.140. Any person seeking to be a certified backflow prevention assembly tester shall satisfactorily complete standard, nationally recognized written and performance examinations designed to ensure that the person is competent to determine if the assembly is functioning within its design specifications. Any such state certification shall satisfy any need for local certification as a backflow prevention assembly tester. However, political subdivisions may set additional testing standards for individuals who are seeking to be certified as backflow prevention assembly testers. Notwithstanding any other provision of law to the contrary, agencies of the state or its political subdivisions shall only require carbonated beverage dispensers to conform to the backflow protection requirements established in the National Sanitation Foundation standard eighteen, and the dispensers shall be so listed by an independent testing laboratory. The commission shall promulgate rules and regulations for collection of samples and analysis of water furnished by municipalities, corporations, companies, state establishments, federal establishments or individuals to the public. The department of natural resources or the department of health and senior services shall, at the request of any supplier, make any analyses or tests required pursuant to the terms of section 192.320 and sections 640.100 to 640.140. The department shall collect fees to cover the reasonable cost of laboratory services, both within the department of natural resources and the department of health and senior services, laboratory certification and program administration as required by sections 640.100 to 640.140. The laboratory services and program administration fees pursuant to this subsection shall not exceed two hundred dollars for a supplier supplying less than four thousand one hundred service connections, three hundred dollars for supplying less than seven thousand six hundred service connections, five hundred dollars for supplying seven thousand six hundred or more service connections, and five hundred dollars for testing surface water. Such fees shall be deposited in the safe drinking water fund as specified in section 640.110. The analysis of all drinking water required by section 192.320 and sections 640.100 to 640.140 shall be made by the department of natural resources laboratories, department of health and senior services laboratories or laboratories certified by the department of natural resources.

4. The department of natural resources shall establish and maintain an inventory of public water supplies and conduct sanitary surveys of public water systems. Such records shall be available for public inspection during regular business hours.

5. (1) For the purpose of complying with federal requirements for maintaining the primacy of state enforcement of the federal Safe Drinking Water Act, the department is hereby directed to request appropriations from

the general revenue fund and all other appropriate sources to fund the activities of the public drinking water program and in addition to the fees authorized pursuant to subsection 3 of this section, an annual fee for each customer service connection with a public water system is hereby authorized to be imposed upon all customers of public water systems in this state. The fees collected shall not exceed the amounts specified in this subsection and the commission may set the fees, by rule, in a lower amount by proportionally reducing all fees charged pursuant to this subsection from the specified maximum amounts. Reductions shall be roughly proportional but in each case shall be divisible by twelve. Each customer of a public water system shall pay an annual fee for each customer service connection.

(2) The annual fee per customer service connection for unmetered customers and customers with meters not greater than one inch in size shall be based upon the number of service connections in the water system serving that customer, and shall not exceed:

1 to 1,000 connections	$ 3.24
1,001 to 4,000 connections	3.00
4,001 to 7,000 connections	2.76
7,001 to 10,000 connections	2.40
10,001 to 20,000 connections	2.16
20,001 to 35,000 connections	1.92
35,001 to 50,000 connections	1.56
50,001 to 100,000 connections	1.32
More than 100,000 connections	1.08.

(3) The annual user fee for customers having meters greater than one inch but less than or equal to two inches in size shall not exceed seven dollars and forty-four cents; for customers with meters greater than two inches but less than or equal to four inches in size shall not exceed forty-one dollars and sixteen cents; and for customers with meters greater than four inches in size shall not exceed eighty-two dollars and forty-four cents.

(4) Customers served by multiple connections shall pay an annual user fee based on the above rates for each connection, except that no single facility served by multiple connections shall pay a total of more than five hundred dollars per year.

6. Fees imposed pursuant to subsection 5 of this section shall become effective on August 28, 2006, and shall be collected by the public water system serving the customer beginning September 1, 2006, and continuing until such time that the safe drinking water commission, at its discretion, specifies a lower amount under subdivision (1) of subsection 5 of this section. The commission shall promulgate rules and regulations on the procedures for billing, collection and delinquent payment. Fees collected by a public water system pursuant to subsection 5 of this section are state fees. The annual fee shall be enumerated separately from all other charges, and shall be collected in monthly, quarterly or annual increments. Such fees shall be transferred to the director of the department of revenue at frequencies not less than quarterly. Two percent of the revenue arising from the fees shall be retained by the public water system for the purpose of reimbursing its expenses for billing and collection of such fees.

7. Imposition and collection of the fees authorized in subsection 5 of this section shall be suspended on the first day of a calendar quarter if, during the preceding calendar quarter, the federally delegated authority granted to the safe drinking water program within the department of natural resources to administer the Safe Drinking Water Act, 42 U.S.C. 300g-2, is withdrawn. The fee shall not be reinstated until the first day of the calendar quarter following the quarter during which such delegated authority is reinstated.

HOUSE CONCURRENT RESOLUTION NO. 31

WHEREAS, the United States Corps of Engineers' five-year study of the Upper Mississippi River Basin, which is everything north of Cairo, Illinois, failed to produce a plan for flood control acceptable to all stakeholders; and

WHEREAS, the Mississippi River Commission did recommend Plan H to the United States Congress; and

WHEREAS, the Corps of Engineers has not recommended this plan to the United States Congress, citing the expense of the construction of 500-year levees along these rivers, estimated to be $6 billion, does not meet current cost-benefit guidelines for federal funding; and

WHEREAS, the Corps of Engineers additionally determined a need for better data based upon new hydrology and flow studies and the need to study tributaries of the Mississippi River; and

WHEREAS, the Corps of Engineers indicated that ramifications of the additional 500-year levees and their potential to cause additional flooding would need to be determined, and affected populations and communities informed and advised of the potential impact; and

WHEREAS, the affected counties include the Missouri counties of Lincoln, Pike, and St. Charles; and

WHEREAS, Plan H designates only about half of the levees in the Missouri counties of Lincoln, Pike, and St. Charles be raised, while to the north a higher percentage of 500-year levees are recommended for both sides of the river; and

WHEREAS, the stakeholders in the Missouri counties of Lincoln, Pike, and St. Charles desire the protections provided by the 500-year levees; and

WHEREAS, the proposed Plan H, if implemented, denies the benefits of 500-year levees to those making a living along the Mississippi River, negatively impacting agriculture, transportation, businesses, industries, tourism, hunting, fishing, boating, infrastructure, and residences; and

WHEREAS, over 6,500 citizens have signed petitions opposing the proposed Plan H; and

WHEREAS, the Upper Mississippi River Basin should receive funding comparable to funding for the Southern Mississippi River Basin from Cairo, Illinois, to New Orleans, Louisiana:

NOW THEREFORE BE IT RESOLVED that the members of the House of Representatives of the Ninety-sixth General Assembly, Second Regular Session, the Senate concurring therein, hereby strongly urge the United States Congress to support a comprehensive plan for the Upper Mississippi River Basin that enhances system-wide flood control without creating adverse impacts on existing levees, levee districts, rural communities, and metropolitan areas. The plan should be based on analysis that quantifies the impacts of enhanced flood control measures and acknowledges the importance of keeping agricultural land in production. The proposed Plan H making the Missouri counties of Lincoln, Pike, and St. Charles the lowest points on the Mississippi River levee system is totally unacceptable and we ask the Missouri Congressional delegation to oppose this plan; and

BE IT FURTHER RESOLVED that the Chief Clerk of the Missouri House of Representatives be instructed to prepare a properly inscribed copies of this resolution for each member of the Missouri Congressional delegation.

JOURNAL OF THE HOUSE

Second Regular Session, 96th GENERAL ASSEMBLY

FORTY-SIXTH DAY, WEDNESDAY, MARCH 28, 2012

The House met pursuant to adjournment.

Representative Silvey in the Chair.

Prayer by Msgr. Robert A. Kurwicki, Chaplain.

Blessed are the meek: for they shall inherit the earth. (Matthew 5:5)

O God, in these anxious moments and uncertain hours, we come to You with needs and longings only You can help us meet. As we live through these lengthy legislative days, grant to us beliefs big enough, hearts honest enough and spirits strong enough to make us more than a match for the mood of this modern time.

By Your spirit help us to rise above all that is narrow, petty and selfish, and with increased devotion may we work together for the well-being of our state and for the welfare of all our citizens.

To this end guide us in our thinking, direct us in our speaking, and govern us in our living, that at the end of this day we may hear Your voice say, "Well done, good and faithful servant."

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Samantha Ellis, Emily Thurman and Addi Bussen.

House Amendment No. 1

AMEND House Bill No. 1593, Page 1, Section A, Line 2, by inserting after all of said lines the following:

"135.680. 1. As used in this section, the following terms shall mean:

(1) "Adjusted purchase price", the product of:

(a) The amount paid to the issuer of a qualified equity investment for such qualified equity investment; and

(b) The following fraction:

a. The numerator shall be the dollar amount of qualified low-income community investments held by the issuer in this state as of the credit allowance date during the applicable tax year; and

b. The denominator shall be the total dollar amount of qualified low-income community investments held by the issuer in all states as of the credit allowance date during the applicable tax year;

c. For purposes of calculating the amount of qualified low-income community investments held by an issuer, an investment shall be considered held by an issuer even if the investment has been sold or repaid; provided that the issuer reinvests an amount equal to the capital returned to or recovered by the issuer from the original investment, exclusive of any profits realized, in another qualified low-income community investment within twelve months of the receipt of such capital. An issuer shall not be required to reinvest capital returned from qualified low-income community investments after the sixth anniversary of the issuance of the qualified equity investment, the proceeds of which were

used to make the qualified low-income community investment, and the qualified low-income community investment shall be considered held by the issuer through the seventh anniversary of the qualified equity investment's issuance;

(2) "Applicable percentage", zero percent for each of the first two credit allowance dates, seven percent for the third credit allowance date, and eight percent for the next four credit allowance dates;

(3) "Credit allowance date", with respect to any qualified equity investment:

(a) The date on which such investment is initially made; and

(b) Each of the six anniversary dates of such date thereafter;

(4) "Long-term debt security", any debt instrument issued by a qualified community development entity, at par value or a premium, with an original maturity date of at least seven years from the date of its issuance, with no acceleration of repayment, amortization, or prepayment features prior to its original maturity date, and with no distribution, payment, or interest features related to the profitability of the qualified community development entity or the performance of the qualified community development entity's investment portfolio. The foregoing shall in no way limit the holder's ability to accelerate payments on the debt instrument in situations where the issuer has defaulted on covenants designed to ensure compliance with this section or Section 45D of the Internal Revenue Code of 1986, as amended;

(5) "Qualified active low-income community business", the meaning given such term in Section 45D of the Internal Revenue Code of 1986, as amended; provided that any business that derives or projects to derive fifteen percent or more of its annual revenue from the rental or sale of real estate shall not be considered to be a qualified active low-income community business;

(6) "Qualified community development entity", the meaning given such term in Section 45D of the Internal Revenue Code of 1986, as amended; provided that such entity has entered into an allocation agreement with the Community Development Financial Institutions Fund of the U.S. Treasury Department with respect to credits authorized by Section 45D of the Internal Revenue Code of 1986, as amended, which includes the state of Missouri within the service area set forth in such allocation agreement;

(7) "Qualified equity investment", any equity investment in, or long-term debt security issued by, a qualified community development entity that:

(a) Is acquired after September 4, 2007, at its original issuance solely in exchange for cash;

(b) Has at least eighty-five percent of its cash purchase price used by the issuer to make qualified low-income community investments; and

(c) Is designated by the issuer as a qualified equity investment under this subdivision and is certified by the department of economic development as not exceeding the limitation contained in subsection 2 of this section. This term shall include any qualified equity investment that does not meet the provisions of paragraph (a) of this subdivision if such investment was a qualified equity investment in the hands of a prior holder;

(8) "Qualified low-income community investment", any capital or equity investment in, or loan to, any qualified active low-income community business. With respect to any one qualified active low-income community business, the maximum amount of qualified low-income community investments made in such business, on a collective basis with all of its affiliates, that may be used from the calculation of any numerator described in subparagraph a. of paragraph (b) of subdivision (1) of this subsection shall be ten million dollars whether issued to one or several qualified community development entities;

(9) "Tax credit", a credit against the tax otherwise due under chapter 143, excluding withholding tax imposed in sections 143.191 to 143.265, or otherwise due under section 375.916 or chapter 147, 148, or 153;

(10) "Taxpayer", any individual or entity subject to the tax imposed in chapter 143, excluding withholding tax imposed in sections 143.191 to 143.265, or the tax imposed in section 375.916 or chapter 147, 148, or 153.

2. A taxpayer that makes a qualified equity investment earns a vested right to tax credits under this section. On each credit allowance date of such qualified equity investment the taxpayer, or subsequent holder of the qualified equity investment, shall be entitled to a tax credit during the taxable year including such credit allowance date. The tax credit amount shall be equal to the applicable percentage of the adjusted purchase price paid to the issuer of such qualified equity investment. The amount of the tax credit claimed shall not exceed the amount of the taxpayer's state tax liability for the tax year for which the tax credit is claimed. No tax credit claimed under this section shall be refundable or transferable. Tax credits earned by a partnership, limited liability company, S-corporation, or other pass-through entity may be allocated to the partners, members, or shareholders of such entity for their direct use in accordance with the provisions of any agreement among such partners, members, or shareholders. Any amount of tax credit that the taxpayer is prohibited by this section from claiming in a taxable year may be carried forward to any of the taxpayer's five subsequent taxable years. The department of economic development shall limit the monetary amount of qualified equity investments permitted under this section to a level necessary to limit tax credit utilization at no more than twenty-five million dollars of tax credits in any fiscal year. Such limitation on qualified equity investments shall

be based on the anticipated utilization of credits without regard to the potential for taxpayers to carry forward tax credits to later tax years.

3. The issuer of the qualified equity investment shall certify to the department of economic development the anticipated dollar amount of such investments to be made in this state during the first twelve-month period following the initial credit allowance date. If on the second credit allowance date, the actual dollar amount of such investments is different than the amount estimated, the department of economic development shall adjust the credits arising on the second allowance date to account for such difference.

4. The department of economic development shall recapture the tax credit allowed under this section with respect to such qualified equity investment under this section if:

(1) Any amount of the federal tax credit available with respect to a qualified equity investment that is eligible for a tax credit under this section is recaptured under Section 45D of the Internal Revenue Code of 1986, as amended; or

(2) The issuer redeems or makes principal repayment with respect to a qualified equity investment prior to the seventh anniversary of the issuance of such qualified equity investment. Any tax credit that is subject to recapture shall be recaptured from the taxpayer that claimed the tax credit on a return.

5. The department of economic development shall promulgate rules to implement the provisions of this section, including recapture provisions on a scaled proportional basis, and to administer the allocation of tax credits issued for qualified equity investments, which shall be conducted on a first-come, first-serve basis. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after September 4, 2007, shall be invalid and void.

6. **[**For fiscal years following fiscal year 2010, qualified equity investments shall not be made under this section unless reauthorization is made pursuant to this subsection. For all fiscal years following fiscal year 2010, unless the general assembly adopts a concurrent resolution granting authority to the department of economic development to approve qualified equity investments for the Missouri new markets development program and clearly describing the amount of tax credits available for the next fiscal year, or otherwise complies with the provisions of this subsection, no qualified equity investments may be permitted to be made under this section. The amount of available tax credits contained in such a resolution shall not exceed the limitation provided under subsection 2 of this section. In any year in which the provisions of this section shall sunset pursuant to subsection 7 of this section, reauthorization shall be made by general law and not by concurrent resolution. Nothing in this subsection shall preclude a taxpayer who makes a qualified equity investment prior to the expiration of authority to make qualified equity investments from claiming tax credits relating to such qualified equity investment for each applicable credit allowance date.

7.**]** Under section 23.253 of the Missouri sunset act:

(1) The provisions of the new program authorized under this section shall automatically sunset six years after September 4, 2007, unless reauthorized by an act of the general assembly; and

(2) If such program is reauthorized, the program authorized under this section shall automatically sunset twelve years after the effective date of the reauthorization of this section; and

(3) This section shall terminate on September first of the calendar year immediately following the calendar year in which the program authorized under this section is sunset. However, nothing in this subsection shall preclude a taxpayer who makes a qualified equity investment prior to sunset of this section under the provisions of section 23.253 from claiming tax credits relating to such qualified equity investment for each credit allowance date.”; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

On motion of Representative Zerr, **House Amendment No. 1** was adopted.

On motion of Representative Jones (89), **HB 1593, as amended,** was ordered perfected and printed.

HB 1219 - Elmer

JOURNAL OF THE HOUSE

Second Regular Session, 96th GENERAL ASSEMBLY

FORTY-SEVENTH DAY, THURSDAY, MARCH 29, 2012

The House met pursuant to adjournment.

Speaker Tilley in the Chair.

Prayer by Msgr. Robert A. Kurwicki, Chaplain.

Blessed are they who hunger and thirst after righteousness, for they shall be filled. (Matthew 5:6)

Eternal God, amid the maddening maze of daily duties and the fever and fret of trying times, we would dwell for a moment in the secret quiet place of the Most High and abide under the shadow of the Almighty.

In this quiet moment of prayer we make ourselves receptive to You. Help us to hear Your voice and to be obedient to the call of Your spirit. May our hunger for truth and our thirst for life find their fulfillment in Your presence. As we live through this long legislative day may we keep our hearts open to You, Who is the source of strength for the faithful soul.

To You we bring the members of this body and for them we pray. Give them clarity of insight to see what is right, confidence to do what is right, and the courage to keep on the right path now and always.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Emery Davis, Morgan Green, Katie Mayes, Abby Gaunt, Evan Gorrell, Victoria Warden and Rylee Smith.

MESSAGES FROM THE SENATE

Mr. Speaker: I am instructed by the Senate to inform the House of Representatives that the Senate has taken up and passed **SCS SCR 17.**

SENATE COMMITTEE SUBSTITUTE
FOR
SENATE CONCURRENT RESOLUTION NO. 17

WHEREAS, two of this country's greatest waterways, the Mississippi River on Missouri's eastern border and the Missouri River which winds across the state, helped Missouri become a supply center for many of the westward-bound settlers of the nation's early years; and

WHEREAS, from the muddy Missouri to the swift and clear Jacks Fork, the hundreds of rivers and streams in Missouri snake across more than 110,000 miles of the state - more than four times the distance around the earth - providing endless recreational opportunities for Missourians, including boating, fishing, swimming, and bird watching along the bluffs bordering our many rivers and streams; and

WHEREAS, shipping along the navigable rivers boosted Missouri's status as an agriculture supplier, barges and steamboats used the waterways to move goods, river towns boomed, and railroads continued to fuel the growth of Missouri as a large transportation center; and

WHEREAS, the Missouri Territory, and later the State of Missouri, took the name of the Missouri River which was named for the Missouri Indians who lived along the banks; and

WHEREAS, the State of Missouri has many nicknames, with the most widely recognized being "The Show-Me State" and "The Cave State"; and

WHEREAS, roads along or near both banks of the Mississippi River along its entire length have been designated as "The Great River Road" and are marked with a special road sign which depicts a ship's wheel; and

WHEREAS, the Great Rivers Greenway District was established in November 2000 in St. Louis City, St. Louis County, and St. Charles County to eventually develop "The River Ring" as an interconnected system of greenways, parks, and trails in the St. Louis area which will enhance the quality of life for residents and visitors; and

WHEREAS, from confluence of the Big Muddy and the Mighty Mississippi at the eastern portion of the state and looking north, south, or west, the State of Missouri includes the land that Meriwether Lewis and William Clark scanned as they began their journey up the Missouri River on their Voyage of Discovery in 1804, the land that is habitat for deer, turkey, bald eagles, and other wildlife, the land that is farmland abundant with agricultural crops, and the same land that held 260 billion gallons of water during the Great Flood of 1993; and

WHEREAS, with much of Missouri's history tied to the mighty rivers that flow through it, Missouri should also be known as the "The Great Rivers State":

NOW THEREFORE BE IT RESOLVED that the members of the Missouri Senate, Ninety-sixth General Assembly, Second Regular Session, the House of Representatives concurring therein, hereby encourage the use of the slogan "The Great Rivers State" as a slogan for the State of Missouri; and

JOURNAL OF THE HOUSE

Second Regular Session, 96th GENERAL ASSEMBLY

FORTY-NINTH DAY, MONDAY, APRIL 2, 2012

The House met pursuant to adjournment.

Representative Leara in the Chair.

Prayer by Msgr. Robert A. Kurwicki, Chaplain.

The Lord is good unto them that wait for Him, to the soul that seeketh Him. (Lamentations 3:25)

Almighty and Eternal God, Whose love is eternal and Whose patience never ends, in all quietness of mind and sincerity of heart we wait upon You. Fill us with Your Holy Spirit that this afternoon may be a good afternoon and this week a great week. Purify our hearts from every vain and sinful thought and prepare our spirits to live with You and to work for the welfare of our beloved state.

Strong in You, may we receive power to think good thoughts, strength to do our duty to ourselves, to others, and to You. Grant unto us the confidence to say "yes" to what is good; the courage to say "no" to what is evil and the insight to know the difference. So may Your will be done in us and in all people.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

JOURNAL OF THE HOUSE

Second Regular Session, 96th GENERAL ASSEMBLY

FIFTIETH DAY, TUESDAY, APRIL 3, 2012

The House met pursuant to adjournment.

Speaker Pro Tem Schoeller in the Chair.

Prayer by Msgr. Robert A. Kurwicki, Chaplain.

Blessed are the merciful, for they shall obtain mercy. (Matthew 5:7)

Almighty God, the creator of all things, the sustainer of all life, and the giver of every good gift - again we bow in Your presence and in spirit kneel before the Throne of Mercy. We acknowledge our selfishness, our shortcomings, and our sins. We have done that which we ought not to have done, and we have left undone that which we ought to have done. We do earnestly repent and are heartily sorry for these our misdoings.

Have mercy upon us, most merciful Father, we humbly beseech You. Forgive us, and receiving Your forgiveness, may we in turn, forgive one another; as we have received mercy may we also be merciful; as love has come to us may love also go out from us to others.

As we bow before You in prayer give to us the assurance, that with You, all good things are possible. So may we do good, speak good, live good, because in You, we are good.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as an Honorary Page for the Day, to serve without compensation: Marin McMenus.

The Journal of the forty-ninth day was approved as printed.

4. Any operator of a tanning facility who allows a person less than fifteen years of age to use a tanning device in violation of this section shall be assessed a fine of two hundred fifty dollars for the first violation and five hundred dollars for each subsequent violation. Every use of a tanning facility in violation of this section is a separate offense.

5. The enforcement of the provisions of this section shall be provided by existing personnel and resources of law enforcement and the department of health and senior services."; and

Further amend said section by renumbering the subsequent sub-sections accordingly; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

On motion of Representative Barnes, **House Amendment No. 1** was adopted.

HCS HB 1475, as amended, was laid over.

HB 1403, relating to workers' compensation, was taken up by Representative Schatz.

Representative Richardson offered **House Amendment No. 1**.

House Amendment No. 1

AMEND House Bill No. 1403, Page 1, Section A, Line 4, by inserting the following after all of said line:

"287.067. 1. In this chapter the term "occupational disease" is hereby defined to mean, unless a different meaning is clearly indicated by the context, an identifiable disease arising with or without human fault out of and in the course of the employment. Ordinary diseases of life to which the general public is exposed outside of the employment shall not be compensable, except where the diseases follow as an incident of an occupational disease as defined in this section. The disease need not to have been foreseen or expected but after its contraction it must appear to have had its origin in a risk connected with the employment and to have flowed from that source as a rational consequence.

2. An injury **or death** by occupational disease is compensable only if the occupational exposure was the prevailing factor in causing both the resulting medical condition and disability. The "prevailing factor" is defined to be the primary factor, in relation to any other factor, causing both the resulting medical condition and disability. Ordinary, gradual deterioration, or progressive degeneration of the body caused by aging or by the normal activities of day-to-day living shall not be compensable.

3. An injury due to repetitive motion is recognized as an occupational disease for purposes of this chapter. An occupational disease due to repetitive motion is compensable only if the occupational exposure was the prevailing factor in causing both the resulting medical condition and disability. The "prevailing factor" is defined to be the primary factor, in relation to any other factor, causing both the resulting medical condition and disability. Ordinary, gradual deterioration, or progressive degeneration of the body caused by aging or by the normal activities of day-to-day living shall not be compensable.

4. "Loss of hearing due to industrial noise" is recognized as an occupational disease for purposes of this chapter and is hereby defined to be a loss of hearing in one or both ears due to prolonged exposure to harmful noise in employment. "Harmful noise" means sound capable of producing occupational deafness.

5. "Radiation disability" is recognized as an occupational disease for purposes of this chapter and is hereby defined to be that disability due to radioactive properties or substances or to Roentgen rays (X-rays) or exposure to ionizing radiation caused by any process involving the use of or direct contact with radium or radioactive properties or substances or the use of or direct exposure to Roentgen rays (X-rays) or ionizing radiation.

6. Disease of the lungs or respiratory tract, hypotension, hypertension, or disease of the heart or cardiovascular system, including carcinoma, may be recognized as occupational diseases for the purposes of this chapter and are defined to be disability due to exposure to smoke, gases, carcinogens, inadequate oxygen, of paid firefighters of a paid fire department or paid police officers of a paid police department certified under chapter 590 if a direct causal relationship is established, or psychological stress of firefighters of a paid fire department if a direct causal relationship is established.

7. Any employee who is exposed to and contracts any contagious or communicable disease arising out of and in the course of his or her employment shall be eligible for benefits under this chapter as an occupational disease.

8. With regard to occupational disease due to repetitive motion, if the exposure to the repetitive motion which is found to be the cause of the injury is for a period of less than three months and the evidence demonstrates that the exposure to the repetitive motion with the immediate prior employer was the prevailing factor in causing the injury, the prior employer shall be liable for such occupational disease."; and

Further amend said bill, Section 287.120, Page 1, Lines 4-8, by deleting said lines and inserting in lieu thereof the following:

"in the course of the employee's employment**[**,**]. Any employee of such employer shall not be liable for any injury or death for which compensation is recoverable under this chapter** and **every employer and employees of such employer** shall be released from all other liability therefor whatsoever, whether to the employee or any other person**, except that an employee shall not be released from liability for injury or death if the employee engaged in an affirmative negligent act that purposefully and dangerously caused or increased the risk of injury**. The term "accident" as used"; and

Further amend said bill, Section 287.149, Page 9, Line 10, by inserting the following after all of said line:

"287.150. 1. Where a third person is liable to the employee or to the dependents, for the injury or death, the employer shall be subrogated to the right of the employee or to the dependents against such third person, and the recovery by such employer shall not be limited to the amount payable as compensation to such employee or dependents, but such employer may recover any amount which such employee or his dependents would have been entitled to recover. Any recovery by the employer against such third person shall be apportioned between the employer and employee or his dependents using the provisions of subsections 2 and 3 of this section.

2. When a third person is liable for the death of an employee and compensation is paid or payable under this chapter, and recovery is had by a dependent under this chapter either by judgment or settlement for the wrongful death of the employee, the employer shall have a subrogation lien on any recovery and shall receive or have credit for sums paid or payable under this chapter to any of the dependents of the deceased employee to the extent of the settlement or recovery by such dependents for the wrongful death. Recovery by the employer and credit for future installments shall be computed using the provisions of subsection 3 of this section relating to comparative fault of the employee.

3. Whenever recovery against the third person is effected by the employee or his dependents, the employer shall pay from his share of the recovery a proportionate share of the expenses of the recovery, including a reasonable attorney fee. After the expenses and attorney fee have been paid, the balance of the recovery shall be apportioned between the employer and the employee or his dependents in the same ratio that the amount due the employer bears to the total amount recovered if there is no finding of comparative fault on the part of the employee, or the total damages determined by the trier of fact if there is a finding of comparative fault on the part of the employee. Notwithstanding the foregoing provision, the balance of the recovery may be divided between the employer and the employee or his dependents as they may otherwise agree. Any part of the recovery found to be due to the employer, the employee or his dependents shall be paid forthwith and any part of the recovery paid to the employee or his dependents under this section shall be treated by them as an advance payment by the employer on account of any future installments of compensation in the following manner:

(1) The total amount paid to the employee or his dependents shall be treated as an advance payment if there is no finding of comparative fault on the part of the employee; or

(2) A percentage of the amount paid to the employee or his dependents equal to the percentage of fault assessed to the third person from whom recovery is made shall be treated as an advance payment if there is a finding of comparative fault on the part of the employee.

4. In any case in which an injured employee has been paid benefits from the second injury fund as provided in subsection 3 of section 287.141, and recovery is had against the third party liable to the employee for the injury, the second injury fund shall be subrogated to the rights of the employee against said third party to the extent of the payments made to him from such fund, subject to provisions of subsections 2 and 3 of this section.

5. No construction design professional who is retained to perform professional services on a construction project or any employee of a construction design professional who is assisting or representing the construction design professional in the performance of professional services on the site of the construction project shall be liable for any injury resulting from the employer's failure to comply with safety standards on a construction project for which compensation is recoverable under the workers' compensation law, unless responsibility for safety practices is specifically assumed by contract. The immunity provided by this subsection to any construction design professional shall not apply to the negligent preparation of design plans or specifications.

6. Any provision in any contract or subcontract, where one party is an employer in the construction group of code classifications, which purports to waive subrogation rights provided under this section in anticipation of a future injury or death is hereby declared against public policy and void. Each contract of insurance for workers' compensation shall require the insurer to diligently pursue all subrogation rights of the employer and shall require the employer to fully cooperate with the insurer in pursuing such recoveries, except that the employer may enter into compromise agreements with an insurer in lieu of the insurer pursuing subrogation against another party. The amount of any subrogation recovery by an insurer shall be credited against the amount of the actual paid losses in the determination of such employer's experience modification factor within forty-five days of the collection of such amount.

7. Notwithstanding any other provision of this section, when a third person is liable to the employee or to the dependents of an employee in a case when there is a finding that an occupational disease was caused by toxic exposure and the employee or dependents are compensated under this chapter, in no case shall the employer be subrogated to the rights of an employee or to the dependents of an employee against such third person when the employer caused the occupational disease. As used in this subsection, the term "toxic exposure" is defined to mean exposure to chemicals, dusts, particulates, fumes, mists, fibers, solvents, vapors, radiation, or other substances or materials that, when ingested, consumed, inhaled, or absorbed are sufficient to cause disease, death, mutations, cancer, deformities, or reproductive abnormalities in humans."; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

On motion of Representative Richardson, **House Amendment No. 1** was adopted.

On motion of Representative Schatz, **HB 1403, as amended,** was ordered perfected and printed by the following vote:

On motion of Representative Korman, **House Amendment No. 2** was adopted.

On motion of Representative Dugger, **HCS HB 1060, as amended,** was adopted.

On motion of Representative Dugger, **HCS HB 1060, as amended,** was ordered perfected and printed.

HCS HB 1361, relating to utilities, was taken up by Representative Pollock.

Representative Pollock offered **House Amendment No. 1**.

House Amendment No. 1

AMEND House Committee Substitute for House Bill No. 1361, Page 1, Section 392.602, Line 3, by inserting after the word "**telecommunications**" on said line the phrase:

"**and broadband**"; and

Further amend said section and page, Line 16, by removing from said line the phrase "**either regulate the rates, terms, and conditions**" and inserting in lieu thereof the phrase "**regulate either the rates, terms, or conditions**"; and

Further amend said section, Page 2, Line 19, to Page 3, Line 71, Subsections 2, 3, and 4, by removing all of said subsections and lines from the bill and inserting in lieu thereof the following:

"**2. Attaching entities shall inform the pole owner on whose system any equipment is to be attached of its intent to attach and the specific location of the attachment prior to attaching any such equipment. Unless otherwise agreed, the pole owner shall respond within fifteen business days of the attaching party's notice, except in cases where the pole owner is engaged in large-scale, emergency repairs or disaster response efforts, as to whether the attachment may be made without modifications to the pole, or whether additional requirements must be met prior to allowing the attachment in order to ensure system safety, reliability, and pole integrity. All attachments shall be made in accordance with safety and reliability codes applicable to the pole owner's**

telecommunications transmission or rural electric cooperative distribution system as may be promulgated by any governmental agency or instrumentality of appropriate jurisdiction. If an attaching entity causes damages to, or improperly attaches equipment, such that it jeopardizes the safety, integrity, reliability, or creates replacement issues with respect to the telecommunications transmission or rural electric cooperative distribution system owner's pole or system, the attaching entity shall, at a minimum, pay to the pole owner the reasonable costs for any repairs or modification that are necessary to ensure the safe, reliable, and effective operation of the telecommunications transmission or rural electric cooperative distribution system and the attached equipment. In case of a conflict that cannot otherwise be addressed through necessary make ready work, repairs, or pole replacements, to be paid for by the attaching entity whose pole attachment or pole attachment request is responsible for same, the continued reliability and safety of the pole owner's telecommunications transmission or rural electric cooperative distribution system shall have priority over the attachments. If an attachment is made without proper notice to the pole owner, the parties may determine the penalty fee that shall be paid in addition to the past-due pole attachment fee for each such attachment. If the parties cannot agree on a reasonable penalty fee, the penalty for unauthorized attachments made after August 28, 2012, shall equal twenty-five percent of the pole attachment fee for a maximum period of twelve months. Notwithstanding any provision in this subsection, any existing contract provisions for pole attachment penalties shall remain in full force and effect until such contract expires.

3. The telecommunications transmission or rural electric cooperative distribution system pole owner shall be entitled to a reasonable rate for permitting attachments to its telecommunications transmission or rural electric cooperative distribution system poles. Any pole attachment fee charged by a pole owner shall be agreed to between the parties and shall be assessed on a per-pole basis. Such pole attachment fees shall not exceed the reasonable costs to the pole owner's system attributable to the attachments based on the current costs of such equipment calculated in a manner similar to the Federal Communications Commission rules for pole and conduit attachments. In addition, if the pole owner can provide competent evidence of additional cost-based inefficiencies in the maintenance of its system due solely to the presence of the attached equipment, the pole owner may increase the pole attachment fee by a corresponding reasonable amount in the event that such costs are not paid to the pole owner through the operation of some other provision of the agreement between the pole owner and the attaching party. Notwithstanding the forgoing, any existing contracts for pole attachments shall remain in full force and effect until such contracts expire. At the expiration of the term of an existing contract, the pole attachment fee in the new agreement shall not be subject to any increase greater than ten percent per year over any previously established pole attachment fee, provided however, that if the pole owner can provide competent evidence that the previously established pole attachment fee was set at fifty percent or more below the pole owner's cost, the pole attachment fee in the new agreement then shall not be subject to an increase greater than twenty percent per year over any previously established pole attachment fee. In either case, the pole attachment fee in the new agreement shall not exceed the pole owner's reasonable costs calculated in the manner specified in this subsection.

4. If the parties cannot agree on a reasonable pole attachment fee, either party may demand nonbinding mediation. If mediation is unsuccessful in producing an agreement, the pole owner shall set the pole attachment fee under the limits set forth in subsection 3 of this section. If the attaching entity believes the pole attachment fee exceeds the standards provided in this section, it may file a petition in the circuit court of any county in which the pole owner maintains an office for the conduct of its business. The circuit court shall have the right to hear evidence presented by the parties as to the use being made by the attaching entity and as to the relevant costs and determine the pole attachment fee to be paid for such attachments under the limits set forth in subsection 3 of this section."; and

Further amend said section, Page 3, Line 79, by deleting the word "**with**" on said line and inserting in lieu thereof the word:

"**within**"; and

Further amend said section, Page 3, Lines 88 and 89, by deleting the phrase "**telcommunications service providers or rural**" and inserting in lieu thereof the phrase "**telecommunications and broadband service providers and rural**"; and

Further amend said section, Page 4, Line 113, by inserting after all of said line the following:

"**8. In addition to the compensation provided for in subsection 7 of this section, a landowner may request to receive from a rural electric cooperative pole owner a one-time payment of five hundred dollars per mile prorated for the distance the attached line crosses the landowner's property with a minimum payment of one hundred dollars per parcel under the following circumstances:**

(1) the rural electric cooperative's easement or right-of-way interest was acquired prior to August 28, 2006 and does not expressly prohibit use of the rural electric cooperative's facilities for broadband or similar communications use; and

(2) the size of the rural electric cooperative's transmission line located on the landowner's property is 34.5 kilovolts or above and has broadband communications facilities that are a part thereof or attached thereto; and

(3) the parties agree, or a court of competent jurisdiction has determined, that the rural electric cooperative's then-existing easement or right-of-way interest does not permit the attachment of broadband communications facilities or the use of electric facilities on the easement or right-of-way interest for broadband communications purposes; and

(4) the landowner grants in writing an easement to the rural electric cooperative, fully binding on the landowner's successors and assigns until abandoned by the rural electric cooperative, that authorizes the use of the rural electric cooperative's electric facilities for broadband communications purposes; and

(5) the landowner makes application for payment in writing to the cooperative within one year of the effective date of this section if the broadband communications facilities were installed prior thereto, or if the broadband facilities were installed after the effective date of this section, within one year of the initial installation of the broadband communications facilities.

The payment fixed hereunder, combined with any amounts calculated under subsection 7 of this section if any, shall be presumed to be the total amount owed for the use of the electric easements or right-of-way interests for broadband communications purposes. This presumption may only be rebutted by competent evidence that the broadband communications use has caused an additional diminution in fair market value of the landowner's property or additional interference with the owner's use of the property as provided for under subsection 7 of this section."; and

Further amend said section, Page 5, Line 127, by inserting after the phrase "**August 28, 2012**" on said line the following:

"**, nor to prevent a landowner from voluntarily entering into any agreement with any other entity for use of the landowner's property provided that such agreement is subordinate to and does not conflict with the property rights and uses authorized in any easement or right-of-way interest previously granted by the landowner or by the landowner's predecessors in interest**"; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

'**The provisions of this section, except for subsections 6 and 8, shall apply to cable television providers and others transmitting information by wire, radio, optical cable, electronic impulses, wireless technology, or other means that are not capable of providing broadband, and in the case of such providers, the law in effect prior to August 28, 2012, governing easements shall continue to apply.**'; and"; and

"**9. If a rural electric cooperative undertakes pole attachments involving fiber optic cables, or any other technology that functions to provide broadband service or other high speed fiber optic cable based services, under this section and if such provider also provides broadband service to any customers within this state, then such provider shall, within a three year period from the installation of a pole attachment, be required to offer to the owner of the property upon which the pole is situated, internet broadband service at a reasonable price substantially similar to the rate charged to other customers of broadband internet service within this state. A property owner may enforce the provisions of this subsection in any court of competent jurisdiction and such court may grant injunctive relief, including, but not limited to, the removal of pole attachments from properties in which the provider is not in compliance with the requirements of this subsection.**"; and

HOUSE CONCURRENT RESOLUTION NO. 53

Relating to submission of a revised Summary Statement to House Committee Substitute No. 2 for Senate Joint Resolution No. 2, Ninety-sixth General Assembly, First Regular Session, to the secretary of state.

WHEREAS, on March 27, 2012, the Circuit Court of Cole County in *Aziz v. Mayer*, Case No. 11AC-CC00439 consolidated with No. 11AC-CC00449, found that the Summary Statement as enacted in House Committee Substitute No. 2 for Senate Joint Resolution No. 2, Ninety-sixth General Assembly, First Regular Session, "is insufficient and unfair because...the Proposed Constitutional Amendment (1) does not contain a "Voter Protection Act" in any of its sections; (2) the words "voter protection act," "protection," or "act" do not appear anywhere therein; and (3) no indication is given to where this "Voter Protection Act" can be found"; and

WHEREAS, Section 116.155, RSMo, allows the General Assembly to formulate a summary statement for measures it refers to the people for a vote; and

WHEREAS, the Court in *Aziz* stated, "Because significant changes are required here and policy choices need to be made as to how to reallocate the words in a revised summary statement, the Court chooses to vacate the summary statement and to provide the General Assembly an opportunity to revise it"; and

WHEREAS, in accordance with the Court's statement which gives the General Assembly the opportunity to revise the Summary Statement, the General Assembly hereby submits a revised Summary Statement to House Committee Substitute No. 2 for Senate Joint Resolution No. 2, Ninety-sixth General Assembly, First Regular Session, to read as follows:

NOW THEREFORE BE IT RESOLVED that the members of the House of Representatives of the Ninety-sixth General Assembly, Second Regular Session, the Senate concurring therein, hereby submits a revised Summary Statement to House Committee Substitute No. 2 for Senate Joint Resolution No. 2, Ninety-sixth General Assembly, First Regular Session, in order to address the issues raised in *Aziz v. BE IT FURTHER RESOLVED that this resolution of the General Assembly be deemed as an official submission by the General Assembly of a revised Summary Statement for House Committee Substitute No. 2 for Senate Joint Resolution No. 2, Ninety-sixth General Assembly, First Regular Session, to the Secretary of State; and

BE IT FURTHER RESOLVED that the Chief Clerk of the Missouri House of Representatives be instructed to prepare a properly inscribed copy of this resolution for Robin Carnahan, Secretary of State.

HOUSE CONCURRENT RESOLUTION NO. 6

WHEREAS, last year, the average price of gasoline rose to nearly $4.00 a gallon and is projected to remain high for the forseeable future; and

WHEREAS, numerous components make up the price of gasoline, including the cost of crude oil (45%), federal and state taxes (23%), refining costs (22%), and marketing and distribution costs (10%). These components are affected by many factors; and

WHEREAS, the three main factors that contribute to changes in the price of gasoline are changes in crude oil prices, the transparency of energy markets, and regulations that affect the price of gasoline; and

WHEREAS, there is very little government can do about crude oil prices and transparency. Crude oil prices are affected by world supply and demand, which continues to grow and most rapidly in Asia. Transparency produces highly efficient markets, but it also increases volatility. Any reduction in transparency would offset efficiency; and

WHEREAS, while states have limited authority and options available to attempt to reverse the soaring fuel prices and alleviate the growing financial burden on its citizenry, the federal government is able to ease the pressure on prices and reduce volatility by reducing its own interference in the market - most directly by the way of taxes and regulation; and

WHEREAS, federal regulations have contributed significantly to the high price, high volatility environment facing consumers today. These regulations have led to the proliferation of numerous fuel blends - known as "boutique fuels" - which in turn have increased refining and distribution costs; and

WHEREAS, in addition to addressing the boutique fuel problem, Congress and the Administration should reform other Clean Air Act regulations that have resulted in the halt of construction of new refinery capacity and offshore drilling. More production and refinery capacity is needed to ease the pressure on the production system; and

WHEREAS, federal regulations are also affecting gasoline imports because foreign suppliers are unable to keep up with the increasing complexity of federal gasoline requirements. Volatility in the Middle East also threatens our second largest supplier of oil - OPEC; and

WHEREAS, while changes in federal regulations and policies are needed as a long-term solution, the federal government is able to impact gasoline prices in the short-term as well; and

WHEREAS, in the short-term, the Environmental Protection Agency should temporarily suspend clean-fuel requirements and reduce the number of fuel specifications across the country by offering a limited menu of fuel choices that states and localities can choose from; and

WHEREAS, with crude oil costs being the single largest component in the cost of gasoline, the only real impact on crude oil prices is the threat of competition; and

WHEREAS, the leading supplier of oil to the United States market is Canada, with Mexico as the third leading supplier. There are enough oil and gas resources under the ground of those two reliable neighbors to supply the United States at current consumption levels for the next 100 years; and

WHEREAS, by lowering any remaining cross-border barriers to energy imports and by increasing the capacity of cross-border distribution systems, Congress can lower the cost to both Canada and Mexico of shipping oil to the United States, thereby inducing them to bring more supply on line; and

WHEREAS, in order to reduce our dependence on foreign oil, Congress and the Administration should find ways to facilitate the building of new refineries, and an increase in production by permitting the uncapping of existing wells and the drilling of new wells; and

WHEREAS, Congress and the Administration should strive to maintain a well-functioning gasoline market for the good of the economy, without interfering in the marketplace. Changes in federal regulation, introduction of fuel flexibility, removing impediments to importation of fuel from Canada and Mexico, increasing refinery capacity and pipeline construction, as well as greater domestic oil exploration and opening additional areas of production would begin to ease the rising cost of fuels and reduce our dependence on foreign sources of oil:

NOW THEREFORE BE IT RESOLVED that the members of the House of Representatives of the Ninety-sixth General Assembly, Second Regular Session, the Senate concurring therein, hereby strongly urge the United States Congress and the Obama Administration to immediately seek long-term and short-term solutions to the rapidly rising fuel costs to ease the financial burden on its citizens and prevent a second recession; and

BE IT FURTHER RESOLVED that the Chief Clerk of the Missouri House of Representatives be instructed to prepare properly inscribed copies of this resolution for President Barack Obama; Lisa P. Jackson, Administrator of the Environmental Protection Agency; the Majority and Minority Leaders of the United States Congress; and each member of the Missouri Congressional delegation.

Mr. Speaker: Your Committee on Transportation, to which was referred **SS SCS SB 470**, begs leave to report it has examined the same and recommends that it **Do Pass by Consent**, and pursuant to Rule 25(32)(f) be referred to the Committee on Rules.

Committee on Workforce Development and Workplace Safety, Chairman Fisher reporting:

Mr. Speaker: Your Committee on Workforce Development and Workplace Safety, to which was referred **HCR 33**, begs leave to report it has examined the same and recommends that it **Do Pass with House Committee Substitute**, and pursuant to Rule 25(32)(f) be referred to the Committee on Rules.

(3) Request the State Office of Administration, with the advice and consent of the Joint Interim Committee, to use the data from the comprehensive study to produce a long-term strategic plan for increasing state employee wages and to present such plan to the Governor, the House Budget Committee, and the Senate Appropriations Committee by January 31, 2015;

The State Treasurer shall deposit to the credit of such fund all moneys which may be appropriated to it by the General Assembly and any gifts, contributions, grants, bequests, or other aid received from federal, private, or other sources. The general assembly may appropriate moneys into the fund to be used by the State Office of Administration for the purpose of investing in a consultant to conduct salary and total compensation surveys to more comprehensively review and analyze the state classification and compensation structures. Notwithstanding the provisions of section 33.080 to the contrary, moneys in the fund shall not revert to the credit of the general revenue fund at the end of the biennium; and

BE IT FURTHER RESOLVED that the Joint Interim Committee may solicit input and information necessary to fulfill its obligations, including but not limited to soliciting input and information from any state department or agency the Joint Interim Committee deems relevant, and the general public; and

BE IT FURTHER RESOLVED that the staff of House Appropriations, Senate Appropriations, House Research, Senate Research, and the Joint Committee on Legislative Research shall provide such legal, research, clerical, technical, and bill drafting services as the Joint Interim Committee may require in the performance of its duties; and

BE IT FURTHER RESOLVED that this resolution be sent to the Governor for his approval or rejection pursuant to the Missouri Constitution; and

BE IT FURTHER RESOLVED that because immediate action is necessary to help attract and maintain a talented and dedicated workforce in order to best serve the needs of Missouri citizens, this resolution is deemed necessary for the immediate preservation of the public health, welfare, peace, and safety, and is hereby declared to be an emergency act within the meaning of the constitution, and this resolution shall be in full force and effect upon its passage and approval.

JOURNAL OF THE HOUSE

Second Regular Session, 96th GENERAL ASSEMBLY

FIFTY-FIRST DAY, WEDNESDAY, APRIL 4, 2012

The House met pursuant to adjournment.

Speaker Tilley in the Chair.

Prayer by Msgr. Robert A. Kurwicki, Chaplain.

Blessed are the pure in heart; for they shall see God. (Matthew 5:8)

Eternal God, from the busy traffic of daily living we pause in Your presence and wait upon You seeking strength for the day, wisdom to make wise decisions, courage to carry our responsibilities with honor, and love to motivate all our endeavors.

Should we fail in achieving some of our objectives, let not the spirit of defeat dampen our devotion; should others criticize, let not criticism get us down, but seeing the good in it may we let it lift us up; if others misunderstand, let not bitterness blight our best judgment; and if we can win, help us to be humble in victory.

In this moment of prayer we recharge our lives that we may face this day with high principles, real integrity, abounding good will, and with a pure heart that sees You.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Mark Schwartz, Danielle Schwartz, Jack Schwartz, Anna Schwartz, Jarrica Williams, Stephanie Trevino and Amiya Tatum.

The Journal of the fiftieth day was approved as corrected.

House Amendment No. 1

AMEND House Committee Substitute for House Bill No. 1640, Page 54, Section 302.132, Line 27, by inserting after all of said line the following:

"**302.800. 1. For purposes of this section, the following terms mean:**

(1) "Department", the department of revenue;

(2) "Director", the director of the department of revenue;

(3) "Emergency responder", a municipal, county, or state law enforcement officer or firefighter, or other person who has been trained to provide emergency medical first response services;

(4) "Program participant", an individual who has completed a health information card that includes health and emergency contact information, and affixed the decal provided by the department of revenue under this section to the individual's motor vehicle.

2. There is hereby established a "Missouri Yellow Dot Program" in the department of revenue. The purpose of the program is to provide emergency responders with critical health and emergency contact information about program participants so emergency responders may aid program participants when those individuals are involved in motor vehicle emergencies or accidents and are unable to communicate.

3. The department of revenue shall design Missouri yellow dot program materials, giving consideration to the program materials used by other states in similar programs. Program materials shall include, but shall not be limited to:

(1) A yellow decal of a size and design to be determined by the department which shall be affixed to the rear driver's side window of the program participant's vehicle;

(2) A health information card which provides space for an individual to attach a recent photograph and indicate the individual's name, emergency contact information, physician's names and contact information, medical conditions, recent surgeries, allergies, medications, and any other information the director deems relevant to emergency responders in the case of emergency;

(3) A yellow envelope of a size and design to be determined by the director into which the health information card established under this subsection is to be inserted and placed into the program participant's glove compartment; and

(4) A program instruction sheet including an electronic mail address required under subsection 4 of this section.

4. The department shall establish an electronic mail mechanism through which persons may ask questions about the program and receive assistance in completing the health information card.

5. The department shall provide sufficient program materials to other state departments or agencies seeking to distribute or make program materials available to interested persons.

6. The director shall notify the state highway patrol regarding the implementation of the Missouri yellow dot program so that all emergency responders are informed about the program.

7. The department may charge an individual seeking to participate in the program a nominal fee to cover the administrative cost of the program.

8. The department shall make Missouri yellow dot program materials available for pick up by any interested person at any driver's license office and shall provide for an online means through which individuals

can request the materials required to participate in the program. Any other state department or agency may make the program materials available for distribution to, or pick up by, any interested person.

9. The department shall develop and undertake a public education campaign to inform the public about the program established in this section.

10. The director may promulgate all necessary rules and regulations for the administration of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2012, shall be invalid and void.

11. Under section 23.253 of the Missouri sunset act:

(1) The provisions of the new program authorized under this section shall automatically sunset six years after the effective date of this section unless reauthorized by an act of the general assembly; and

(2) If such program is reauthorized, the program authorized under this section shall automatically sunset twelve years after the effective date of the reauthorization of this section; and

(3) This section shall terminate on September first of the calendar year immediately following the calendar year in which the program authorized under this section is sunset."; and

The director of revenue shall by regulation determine the characteristic features of land improvement contractors' license plates so that they**] plate so that it** may be readily identified as such."; and

2. For motor vehicles that require the issuance of only one license plate under section 301.130 on or after August 28, 2012, an owner whose motor vehicle has a front license plate on the effective date of this section shall surrender the front license plate to the department of revenue at the next renewal of registration for the motor vehicle."; and

Further amend said bill, Pages 21-24, Section 301.130, Lines 1-115, by removing all of said lines from the bill and inserting in lieu thereof the following:

"301.130. 1. **Beginning August 28, 2012,** the director of revenue, upon receipt of a proper application for registration, required fees and any other information which may be required by law, shall issue to the applicant a certificate of registration in such manner and form as the director of revenue may prescribe and **[**a set of license plates**] only one license plate**, or other evidence of registration, as provided by this section. Each **license plate or** set of license plates shall bear the name or abbreviated name of this state, the words "SHOW-ME STATE", the month and year in which the registration shall expire, and an arrangement of numbers or letters, or both, as shall be assigned from year to year by the director of revenue. The **plate or** plates shall also contain fully reflective material with a common color scheme and design for each type of license plate issued pursuant to this chapter. The **plate or** plates shall be clearly visible at night, and shall be aesthetically attractive. Special plates for qualified disabled veterans will have the "DISABLED VETERAN" wording on the license plates in preference to the words "SHOW-ME STATE" and special plates for members of the national guard will have the "NATIONAL GUARD" wording in preference to the words "SHOW-ME STATE".

2. The arrangement of letters and numbers of license plates shall be uniform throughout each classification of registration. The director may provide for the arrangement of the numbers in groups or otherwise, and for other distinguishing marks on the plates.

3. All property-carrying commercial motor vehicles to be registered at a gross weight in excess of twelve thousand pounds, all passenger-carrying commercial motor vehicles, local transit buses, school buses, trailers, semitrailers, motorcycles, motortricycles, motorscooters and driveaway vehicles shall be registered with the director of revenue as provided for in subsection 3 of section 301.030, or with the state highways and transportation commission as otherwise provided in this chapter, but only one license plate shall be issued for each such vehicle**, except as provided in this subsection. The applicant for registration of any property-carrying commercial motor vehicle may request and be issued two license plates for such vehicle, and if such plates are issued the director of revenue may assess and collect an additional charge from the applicant in an amount not to exceed the fee prescribed for personalized license plates in subsection 1 of section 301.144**.

4. The plates issued to manufacturers and dealers shall bear the letters and numbers as prescribed by section 301.560, and the director may place upon the plates other letters or marks to distinguish commercial motor vehicles and trailers and other types of motor vehicles.

5. No motor vehicle or trailer shall be operated on any highway of this state unless it shall have displayed thereon the license plate **[**or set of license plates**]** issued by the director of revenue or the state highways and transportation commission and authorized by section 301.140. Each such plate shall be securely fastened to the motor vehicle or trailer in a manner so that all parts thereof shall be plainly visible and reasonably clean so that the reflective qualities thereof are not impaired. Each such plate may be encased in a transparent cover so long as the plate is plainly visible and its reflective qualities are not impaired. **[**License plates**] The license plate** shall be fastened to all motor

vehicles except trucks, tractors, truck tractors or truck-tractors licensed in excess of twelve thousand pounds on the **[**front and**]** rear of such vehicles not less than eight nor more than forty-eight inches above the ground, with the letters and numbers thereon right side up. The license plates on trailers, motorcycles, motortricycles and motorscooters shall be displayed on the rear of such vehicles, with the letters and numbers thereon right side up. The license plate on buses, other than school buses, and on trucks, tractors, truck tractors or truck-tractors licensed in excess of twelve thousand pounds shall be displayed on the front of such vehicles not less than eight nor more than forty-eight inches above the ground, with the letters and numbers thereon right side up or if two plates are issued for the vehicle pursuant to subsection 3 of this section, displayed in the same manner on the front and rear of such vehicles. The license plate or plates authorized by section 301.140, when properly attached, shall be prima facie evidence that the required fees have been paid.

6. (1) The director of revenue shall issue annually or biennially a tab **[**or set of tabs**]** as provided by law as evidence of the annual payment of registration fees and the current registration of a vehicle in lieu of the set of plates. Beginning January 1, 2010, the director may prescribe any additional information recorded on the tab or tabs to ensure that the tab or tabs positively correlate with the license plate or plates issued by the department of revenue for such vehicle. Such tabs shall be produced in each license bureau office.

(2) The vehicle owner to whom a tab **[**or set of tabs**]** is issued shall affix and display such tab **[**or tabs**]** in the designated area of the license plate**[**, no more than one per plate**]**.

(3) A tab **[**or set of tabs**]** issued by the director of revenue when attached to a vehicle in the prescribed manner shall be prima facie evidence that the registration fee for such vehicle has been paid.

(4) Except as otherwise provided in this section, the director of revenue shall issue plates for a period of at least six years.

(5) For those commercial motor vehicles and trailers registered pursuant to section 301.041, the plate issued by the highways and transportation commission shall be a permanent nonexpiring license plate for which no tabs shall be issued. Nothing in this section shall relieve the owner of any vehicle permanently registered pursuant to this section from the obligation to pay the annual registration fee due for the vehicle. The permanent nonexpiring license plate shall be returned to the highways and transportation commission upon the sale or disposal of the vehicle by the owner to whom the permanent nonexpiring license plate is issued, or the plate may be transferred to a replacement commercial motor vehicle when the owner files a supplemental application with the Missouri highways and transportation commission for the registration of such replacement commercial motor vehicle. Upon payment of the annual registration fee, the highways and transportation commission shall issue a certificate of registration or other suitable evidence of payment of the annual fee, and such evidence of payment shall be carried at all times in the vehicle for which it is issued.

(6) Upon the sale or disposal of any vehicle permanently registered under this section, or upon the termination of a lease of any such vehicle, the permanent nonexpiring plate issued for such vehicle shall be returned to the highways and transportation commission and shall not be valid for operation of such vehicle, or the plate may be transferred to a replacement vehicle when the owner files a supplemental application with the Missouri highways and transportation commission for the registration of such replacement vehicle. If a vehicle which is permanently registered under this section is sold, wrecked or otherwise disposed of, or the lease terminated, the registrant shall be given credit for any unused portion of the annual registration fee when the vehicle is replaced by the purchase or lease of another vehicle during the registration year.

7. The director of revenue and the highways and transportation commission may prescribe rules and regulations for the effective administration of this section. No rule or portion of a rule promulgated under the authority of this section shall become effective unless it has been promulgated pursuant to the provisions of section 536.024.

8. Notwithstanding the provisions of any other law to the contrary, owners of motor vehicles other than apportioned motor vehicles or commercial motor vehicles licensed in excess of eighteen thousand pounds gross weight may apply for special personalized license plates. Vehicles licensed for eighteen thousand pounds that display special personalized license plates shall be subject to the provisions of subsections 1 and 2 of section 301.030.

9. No later than January 1, 2009, the director of revenue shall commence the reissuance of new license plates of such design as directed by the director consistent with the terms, conditions, and provisions of this section and this chapter. Except as otherwise provided in this section, in addition to all other fees required by law, applicants for registration of vehicles with license plates that expire during the period of reissuance, applicants for registration of trailers or semitrailers with license plates that expire during the period of reissuance and applicants for registration of vehicles that are to be issued new license plates during the period of reissuance shall pay the cost of the plates required by this subsection. The additional cost prescribed in this subsection shall not be charged to persons receiving special license plates issued under section 301.073 or 301.443. Historic motor vehicle license plates registered pursuant to section 301.131 and specialized license plates are exempt from the provisions of this subsection. Except for new,

replacement, and transfer applications, permanent nonexpiring license plates issued to commercial motor vehicles and trailers registered under section 301.041 are exempt from the provisions of this subsection.

10. The provisions of this section regarding the issuance of only one license plate for a motor vehicle shall apply to the issuance of personalized license plates."; and

Further amend said bill, Page 33, Section 301.142, Line 215, by inserting after all of said section and line, the following:

"301.144. 1. The director of revenue shall establish and issue special personalized license plates containing letters or numbers or combinations of letters and numbers. Such license plates shall be made with fully reflective material with a common color scheme and design, shall be clearly visible at night, and shall be aesthetically attractive, as prescribed by section 301.130. Any person desiring to obtain a special personalized license plate for any motor vehicle the person owns, either solely or jointly, other than an apportioned motor vehicle or a commercial motor vehicle licensed in excess of eighteen thousand pounds gross weight shall apply to the director of revenue on a form provided by the director and shall pay a fee of fifteen dollars in addition to the regular registration fees. The director of revenue shall issue rules and regulations setting the standards and establishing the procedure for application for and issuance of the special personalized license plates and shall provide a deadline each year for the applications. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2001, shall be invalid and void. No two owners shall be issued identical plates. An owner shall make a new application and pay a new fee each year such owner desires to obtain or retain special personalized license plates; however, notwithstanding the provisions of subsection 8 of section 301.130 to the contrary, the director shall allow the special personalized license plates to be replaced with new plates every three years without any additional charge, above the fee established in this section, to the renewal applicant. Any person currently in possession of an approved personalized license plate shall have first priority on that particular plate for each of the following years that timely and appropriate application is made.

2. Upon application for a personalized plate by the owner of a motor vehicle for which the owner has no registration plate available for transfer as prescribed by section 301.140, the director shall issue a temporary permit authorizing the operation of the motor vehicle until the personalized plate is issued.

3. No personalized license plates shall be issued containing any letters, numbers or combination of letters and numbers which are obscene, profane, patently offensive or contemptuous of a racial or ethnic group, or offensive to good taste or decency, or would present an unreasonable danger to the health or safety of the applicant, of other users of streets and highways, or of the public in any location where the vehicle with such a plate may be found. The director may recall any personalized license plates, including those issued prior to August 28, 1992, if the director determines that the plates are obscene, profane, patently offensive or contemptuous of a racial or ethnic group, or offensive to good taste or decency, or would present an unreasonable danger to the health or safety of the applicant, of other users of streets and highways, or of the public in any location where the vehicle with such a plate may be found. Where the director recalls such plates pursuant to the provisions of this subsection, the director shall reissue personalized license plates to the owner of the motor vehicle for which they were issued at no charge, if the new plates proposed by the owner of the motor vehicle meet the standards established pursuant to this section. The director shall not apply the provisions of this statute in a way that violates the Missouri or United States Constitutions as interpreted by the courts with controlling authority in the state of Missouri. The primary purpose of motor vehicle license plates is to identify motor vehicles. Nothing in the issuance of a personalized license plate creates a designated or limited public forum. Nothing contained in this subsection shall be interpreted to prohibit the use of license plates, which are no longer valid for registration purposes, as collector's items or for decorative purposes.

4. The director may also establish categories of special license plates from which license plates may be issued. Any such person, other than a person exempted from the additional fee pursuant to subsection 7 of this section, that desires a personalized special license plate from any such category shall pay the same additional fee and make the same kind of application as that required by subsection 1 of this section, and the director shall issue such plates in the same manner as other personalized special license plates are issued.

5. The director of revenue shall issue to residents of the state of Missouri who hold an unrevoked and unexpired official amateur radio license issued by the Federal Communications Commission, upon application and upon payment of the additional fee specified in subsection 1 of this section, except for a person exempted from the additional fee pursuant to subsection 7 of this section, personalized special license plates bearing the official amateur radio call letters

assigned by the Federal Communications Commission to the applicant with the words "AMATEUR RADIO" in place of the words "SHOW-ME STATE". The application shall be accompanied by a statement stating that the applicant has an unrevoked and unexpired amateur radio license issued by the Federal Communications Commission and the official radio call letters assigned by the Federal Communications Commission to the applicant. An owner making a new application and paying a new fee to retain an amateur radio plate may request a replacement plate with the words "AMATEUR RADIO" in place of the words "SHOW-ME STATE". If application is made to retain a plate that is three years old or older, the replacement plate shall be issued upon the payment of required fees.

6. Notwithstanding any other provision to the contrary, any business that repossesses motor vehicles or trailers and sells or otherwise disposes of them shall be issued a placard displaying the word "Repossessed", provided such business pays the license fees presently required of a manufacturer, distributor, or dealer in section 301.560. Such placard shall bear a number and shall be in such form as the director of revenue shall determine, and shall be only used for demonstrations when displayed substantially as provided for number plates on the rear of the repossessed motor vehicle or trailer.

7. The isolated or occasional sale of tangible personal property, service, substance, or thing, by a person not engaged in such business, does not constitute engaging in business within the meaning of sections 144.010 to 144.525 unless the total amount of the gross receipts from such sales, exclusive of receipts from the sale of tangible personal property by persons which property is sold in the course of the partial or complete liquidation of a household, farm or nonbusiness enterprise, exceeds three thousand dollars in any calendar year. In determining any tax due under sections 144.010 to 144.525 on the gross receipts, charges incident to the extension of credit shall be specifically exempted. For the purposes of sections 144.010 to 144.525 the total amount of the sale price above mentioned shall be deemed to be the amount received. It shall also include the lease or rental consideration where the right to continuous possession or use of any article of tangible personal property is granted under a lease or contract and such transfer of possession would be taxable if outright sale were made and, in such cases, the same shall be taxable as if outright sale were made and considered as a sale of such article, and the tax shall be computed and paid by the lessee upon the rentals paid;

Research or experimentation activities do not include activities such as ordinary testing or inspection of materials or products for quality control, efficiency surveys, advertising promotions or research in connection with literary, historical or similar projects;

(10) "Sale" or "sales" includes installment and credit sales, and the exchange of properties as well as the sale thereof for money, every closed transaction constituting a sale, and means any transfer, exchange or barter, conditional or otherwise, in any manner or by any means whatsoever, of tangible personal property for valuable consideration and the rendering, furnishing or selling for a valuable consideration any of the substances, things and services herein designated and defined as taxable under the terms of sections 144.010 to 144.525;

(11) "Sale at retail" means any transfer made by any person engaged in business as defined herein of the ownership of, or title to, tangible personal property to the purchaser, for use or consumption and not for resale in any form as tangible personal property, for a valuable consideration; except that, for the purposes of sections 144.010 to

(12) "Seller" means a person selling or furnishing tangible personal property or rendering services, on the receipts from which a tax is imposed pursuant to section 144.020;

(13) The noun "tax" means either the tax payable by the purchaser of a commodity or service subject to tax, or the aggregate amount of taxes due from the vendor of such commodities or services during the period for which he or she is required to report his or her collections, as the context may require;

As used in this definition, "information" means knowledge or intelligence represented by any form of writing, signs, signals, pictures, sounds, or any other symbols. Telecommunications service does not include the following if such services are separately stated on the customer's bill or on records of the seller maintained in the ordinary course of business:

This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2009, shall be invalid and void.

7. Notwithstanding any other provision of law to the contrary, the state auditor may audit all records maintained and established by the fee office in the same manner as the auditor may audit any agency of the state, and the department

shall ensure that this audit requirement is a necessary condition for the award of all fee office contracts. No confidential records shall be divulged in such a way to reveal personally identifiable information.'; and"; and

HCS HB 1515, relating to crimes and criminal procedures, was taken up by Representative Schad.

Speaker Tilley resumed the Chair.

Representative Schad offered **House Amendment No. 1**.

House Amendment No. 1

AMEND House Committee Substitute for House Bill No. 1515, Page 3, Section 306.130, Line 20, by inserting after all of said line the following:

"455.020. 1. Any **[**adult**]** **person** who has been subject to domestic violence by a present or former family or household member, or who has been the victim of stalking, may seek relief under sections 455.010 to 455.085 by filing a verified petition alleging such domestic violence or stalking by the respondent.

2. **[**An adult's**]** **A person's** right to relief under sections 455.010 to 455.085 shall not be affected by his leaving the residence or household to avoid domestic violence.

3. Any protection order issued pursuant to sections 455.010 to 455.085 shall be effective throughout the state in all cities and counties.

455.035. 1. Upon the filing of a verified petition pursuant to sections 455.010 to 455.085 and for good cause shown in the petition, the court may immediately issue an ex parte order of protection. An immediate and present danger of **[**abuse**]** **domestic violence** to the petitioner **or the child on whose behalf the petition is filed** shall constitute good cause for purposes of this section. An ex parte order of protection entered by the court shall take effect when entered and shall remain in effect until there is valid service of process and a hearing is held on the motion. **The court shall deny the ex parte and dismiss the petition if the petitioner is not authorized to seek relief under section 455.020.**

2. Failure to serve an ex parte order of protection on the respondent shall not affect the validity or enforceability of such order. If the respondent is less than seventeen years of age, unless otherwise emancipated, service of process shall be made upon a **custodial** parent or guardian of the respondent, or upon a guardian ad litem appointed by the court**, requiring that the person appear and bring the respondent before the court at the time and place stated**.

3. If an ex parte order is entered and **[**the allegations in the petition would give rise to jurisdiction under section 211.031 because**]** the respondent is less than seventeen years of age, the court shall transfer the case to juvenile court for a hearing on a full order of protection. The court shall appoint a guardian ad litem for any such respondent not represented by a parent or guardian.

455.040. 1. Not later than fifteen days after the filing of a petition **[**pursuant to sections 455.010 to 455.085**]** **that meets the requirements of section 455.020,** a hearing shall be held unless the court deems, for good cause shown, that a continuance should be granted. At the hearing, if the petitioner has proved the allegation of abuse or stalking by a preponderance of the evidence, the court shall issue a full order of protection for a period of time the court deems appropriate, except that the protective order shall be valid for at least one hundred eighty days and not more than one year. Upon motion by the petitioner, and after a hearing by the court, the full order of protection may be renewed for a period of time the court deems appropriate, except that the protective order shall be valid for at least one hundred eighty days and not more than one year from the expiration date of the originally issued full order of protection. The court may, upon finding that it is in the best interest of the parties, include a provision that any full order of protection for one year shall automatically renew unless the respondent requests a hearing by thirty days prior to the expiration of the order. If for good cause a hearing cannot be held on the motion to renew or the objection to an automatic renewal of the full order of protection prior to the expiration date of the originally issued full order of protection, an ex parte order of protection may be issued until a hearing is held on the motion. When an automatic renewal is not authorized, upon

motion by the petitioner, and after a hearing by the court, the second full order of protection may be renewed for an additional period of time the court deems appropriate, except that the protective order shall be valid for at least one hundred eighty days and not more than one year. For purposes of this subsection, a finding by the court of a subsequent act of abuse is not required for a renewal order of protection.

2. The court shall cause a copy of the petition and notice of the date set for the hearing on such petition and any ex parte order of protection to be served upon the respondent as provided by law or by any sheriff or police officer at least three days prior to such hearing. **[**Such notice shall be served at the earliest time, and service of such notice shall take priority over service in other actions, except those of a similar emergency nature.**]** The court shall cause a copy of any full order of protection to be served upon or mailed by certified mail to the respondent at the respondent's last known address. **Notice of an ex parte or full order of protection shall be served at the earliest time and service of such notice shall take priority over service in other actions, except those of a similar emergency nature.** Failure to serve or mail a copy of the full order of protection to the respondent shall not affect the validity or enforceability of a full order of protection.

3. A copy of any order of protection granted pursuant to sections 455.010 to 455.085 shall be issued to the petitioner and to the local law enforcement agency in the jurisdiction where the petitioner resides. The clerk shall also issue a copy of any order of protection to the local law enforcement agency responsible for maintaining the Missouri uniform law enforcement system or any other comparable law enforcement system the same day the order is granted. The law enforcement agency responsible for maintaining MULES shall, for purposes of verification, within twenty-four hours from the time the order is granted, enter information contained in the order including but not limited to any orders regarding child custody or visitation and all specifics as to times and dates of custody or visitation that are provided in the order. A notice of expiration or of termination of any order of protection or any change in child custody or visitation within that order shall be issued to the local law enforcement agency and to the law enforcement agency responsible for maintaining MULES or any other comparable law enforcement system. The law enforcement agency responsible for maintaining the applicable law enforcement system shall enter such information in the system within twenty-four hours of receipt of information evidencing such expiration or termination. The information contained in an order of protection may be entered in the Missouri uniform law enforcement system or comparable law enforcement system using a direct automated data transfer from the court automated system to the law enforcement system.

4. The court shall cause a copy of any objection filed by the respondent and notice of the date set for the hearing on such objection to an automatic renewal of a full order of protection for a period of one year to be personally served upon the petitioner by personal process server as provided by law or by a sheriff or police officer at least three days prior to such hearing. Such service of process shall be served at the earliest time and shall take priority over service in other actions except those of a similar emergency nature.

455.060. 1. After notice and hearing, the court may modify an order of protection at any time, upon subsequent motion filed by the guardian ad litem, the court-appointed special advocate or by either party together with an affidavit showing a change in circumstances sufficient to warrant the modification. All full orders of protection shall be final orders and appealable and shall be for a fixed period of time as provided in section 455.040.

2. Any order for child support, custody, temporary custody, visitation or maintenance entered under sections 455.010 to 455.085 shall terminate prior to the time fixed in the order upon the issuance of a subsequent order pursuant to chapter 452 or any other Missouri statute.

3. No order entered pursuant to sections 455.010 to 455.085 shall be res judicata to any subsequent proceeding, including, but not limited to, any action brought under chapter 452**[**, RSMo 1978, as amended**]**.

4. All provisions of an order of protection shall terminate upon entry of a decree of dissolution of marriage or legal separation except as to those provisions which require the respondent to participate in a court-approved counseling program or enjoin the respondent from abusing, molesting, stalking or disturbing the peace of the petitioner and which enjoin the respondent from entering the premises of the dwelling unit of the petitioner as described in the order of protection when the petitioner continues to reside in that dwelling unit unless the respondent is awarded possession of the dwelling unit pursuant to a decree of dissolution of marriage or legal separation.

5. Any order of protection or order for child support, custody, temporary custody, visitation or maintenance entered under sections 455.010 to 455.085 shall terminate upon the order of the court granting a motion to terminate the order of protection by the petitioner. **[**The court shall set the motion to dismiss for hearing and both parties shall have an opportunity to be heard.**]** Prior to terminating any order of protection, the court may **[**examine the circumstances of the motion to dismiss and may**]** inquire of the petitioner or others **in camera** in order to **[**assist the court in determining if**] determine whether the** dismissal is voluntary.

6. The order of protection may not change the custody of children when an action for dissolution of marriage has been filed or the custody has previously been awarded by a court of competent jurisdiction.

455.085. 1. When a law enforcement officer has probable cause to believe a party has committed a violation of law amounting to abuse or assault, as defined in section 455.010, against a family or household member, the officer may arrest the offending party whether or not the violation occurred in the presence of the arresting officer. When the officer declines to make arrest pursuant to this subsection, the officer shall make a written report of the incident completely describing the offending party, giving the victim's name, time, address, reason why no arrest was made and any other pertinent information. Any law enforcement officer subsequently called to the same address within a twelve-hour period, who shall find probable cause to believe the same offender has again committed a violation as stated in this subsection against the same or any other family or household member, shall arrest the offending party for this subsequent offense. The primary report of nonarrest in the preceding twelve-hour period may be considered as evidence of the defendant's intent in the violation for which arrest occurred. The refusal of the victim to sign an official complaint against the violator shall not prevent an arrest under this subsection.

2. When a law enforcement officer has probable cause to believe that a party, against whom a protective order has been entered and who has notice of such order entered, has committed an act **[**of abuse**]** in violation of such order, the officer shall arrest the offending party-respondent whether or not the violation occurred in the presence of the arresting officer. Refusal of the victim to sign an official complaint against the violator shall not prevent an arrest under this subsection.

3. When an officer makes an arrest he is not required to arrest two parties involved in an assault when both parties claim to have been assaulted. The arresting officer shall attempt to identify and shall arrest the party he believes is the primary physical aggressor. The term "primary physical aggressor" is defined as the most significant, rather than the first, aggressor. The law enforcement officer shall consider any or all of the following in determining the primary physical aggressor:

(1) The intent of the law to protect victims **[**of domestic violence**]** from continuing **[**abuse**] domestic violence**;

(2) The comparative extent of injuries inflicted or serious threats creating fear of physical injury;

(3) The history of domestic violence between the persons involved.

No law enforcement officer investigating an incident of **[**family**] domestic** violence shall threaten the arrest of all parties for the purpose of discouraging requests or law enforcement intervention by any party. Where complaints are received from two or more opposing parties, the officer shall evaluate each complaint separately to determine whether he should seek a warrant for an arrest.

4. In an arrest in which a law enforcement officer acted in good faith reliance on this section, the arresting and assisting law enforcement officers and their employing entities and superiors shall be immune from liability in any civil action alleging false arrest, false imprisonment or malicious prosecution.

5. When a person against whom an order of protection has been entered fails to surrender custody of minor children to the person to whom custody was awarded in an order of protection, the law enforcement officer shall arrest the respondent, and shall turn the minor children over to the care and custody of the party to whom such care and custody was awarded.

6. The same procedures, including those designed to protect constitutional rights, shall be applied to the respondent as those applied to any individual detained in police custody.

7. A violation of the terms and conditions, with regard to **[**abuse**] domestic violence**, stalking, child custody, communication initiated by the respondent or entrance upon the premises of the petitioner's dwelling unit or place of employment or school, or being within a certain distance of the petitioner or a child of the petitioner, of an ex parte order of protection of which the respondent has notice, shall be a class A misdemeanor unless the respondent has previously pleaded guilty to or has been found guilty in any division of the circuit court of violating an ex parte order of protection or a full order of protection within five years of the date of the subsequent violation, in which case the subsequent violation shall be a class D felony. Evidence of prior pleas of guilty or findings of guilt shall be heard by the court out of the presence of the jury prior to submission of the case to the jury. If the court finds the existence of such prior pleas of guilty or finding of guilt beyond a reasonable doubt, the court shall decide the extent or duration of sentence or other disposition and shall not instruct the jury as to the range of punishment or allow the jury to assess and declare the punishment as a part of its verdict.

8. A violation of the terms and conditions, with regard to **[**abuse**] domestic violence**, stalking, child custody, communication initiated by the respondent or entrance upon the premises of the petitioner's dwelling unit or place of employment or school, or being within a certain distance of the petitioner or a child of the petitioner, of a full order of protection shall be a class A misdemeanor, unless the respondent has previously pleaded guilty to or has been found guilty in any division of the circuit court of violating an ex parte order of protection or a full order of protection within five years of the date of the subsequent violation, in which case the subsequent violation shall be a class D felony. Evidence of prior pleas of guilty or findings of guilt shall be heard by the court out of the presence of the jury prior to

submission of the case to the jury. If the court finds the existence of such prior plea of guilty or finding of guilt beyond a reasonable doubt, the court shall decide the extent or duration of the sentence or other disposition and shall not instruct the jury as to the range of punishment or allow the jury to assess and declare the punishment as a part of its verdict. For the purposes of this subsection, in addition to the notice provided by actual service of the order, a party is deemed to have notice of an order of protection if the law enforcement officer responding to a call of a reported incident of abuse or violation of an order of protection presented a copy of the order of protection to the respondent.

9. Good faith attempts to effect a reconciliation of a marriage shall not be deemed tampering with a witness or victim tampering under section 575.270.

10. Nothing in this section shall be interpreted as creating a private cause of action for damages to enforce the provisions set forth herein.

455.505. 1. An order of protection for a child who has been subject to domestic violence by a present or former **[**adult**]** household member or person stalking the child may be sought under sections 455.500 to 455.538 by the filing of a verified petition alleging such domestic violence by the respondent.

2. A child's right to relief under sections 455.500 to 455.538 shall not be affected by his leaving the residence or household to avoid domestic violence.

3. Any protection order issued pursuant to sections 455.500 to 455.538 shall be effective throughout the state in all cities and counties.

455.513. 1. Upon the filing of a verified petition under sections 455.500 to 455.538, for good cause shown in the petition, and upon finding that no prior order regarding custody is pending or has been made or that the respondent is less than seventeen years of age, the court may immediately issue an ex parte order of protection. An immediate and present danger of **[**abuse**]** **domestic violence** to a child shall constitute good cause for purposes of this section. An ex parte order of protection entered by the court shall be in effect until the time of the hearing. **The court shall deny the ex parte and dismiss the petition if the petitioner is not authorized to seek relief under section 455.505.**

2. Upon the entry of the ex parte order of protection, the court shall enter its order appointing a guardian ad litem or court-appointed special advocate to represent the child victim.

3. If the allegations in the petition would give rise to jurisdiction under section 211.031, the court may direct the children's division to conduct an investigation and to provide appropriate services. The division shall submit a written investigative report to the court and to the juvenile officer within thirty days of being ordered to do so. The report shall be made available to the parties and the guardian ad litem or court-appointed special advocate.

4. If **[**an ex parte order is entered and**]** the allegations in the petition would give rise to jurisdiction under section 211.031 because the respondent is less than seventeen years of age, the court **may issue an ex parte order and** shall transfer the case to juvenile court for a hearing on a full order of protection. Service of process shall be made pursuant to section 455.035.

455.523. 1. Any full order of protection granted under sections 455.500 to 455.538 shall be to protect the victim from domestic violence and may include such terms as the court reasonably deems necessary to ensure the petitioner's safety, including but not limited to:

(1) Temporarily enjoining the respondent from abusing, threatening to abuse, molesting or disturbing the peace of the victim;

(2) Temporarily enjoining the respondent from entering the family home of the victim, except as specifically authorized by the court;

(3) Temporarily enjoining the respondent from communicating with the victim in any manner or through any medium, except as specifically authorized by the court.

2. When the court has, after hearing for any full order of protection, issued an order of protection, it may, in addition:

(1) Award custody of any minor child born to or adopted by the parties when the court has jurisdiction over such child and no prior order regarding custody is pending or has been made, and the best interests of the child require such order be issued;

(2) Award visitation;

(3) Award child support in accordance with supreme court rule 88.01 and chapter 452;

(4) Award maintenance to petitioner when petitioner and respondent are lawfully married in accordance with chapter 452;

(5) Order respondent to make or to continue to make rent or mortgage payments on a residence occupied by the victim if the respondent is found to have a duty to support the victim or other dependent household members;

(6) Order the respondent to participate in a court-approved counseling program designed to help **[**child abusers**]** stop violent behavior or to treat substance abuse;

(7) Order the respondent to pay, to the extent that he or she is able, the costs of his or her treatment, together with the treatment costs incurred by the victim;

(8) Order the respondent to pay a reasonable fee for housing and other services that have been provided or that are being provided to the victim by a shelter for victims of domestic violence.

455.538. 1. When a law enforcement officer has probable cause to believe that a party, against whom a protective order for a child has been entered, has committed an act of **[**abuse**]** **domestic violence** in violation of that order, he shall have the authority to arrest the respondent whether or not the violation occurred in the presence of the arresting officer.

2. When a person, against whom an order of protection for a child has been entered, fails to surrender custody of minor children to the person to whom custody was awarded in an order of protection, the law enforcement officer shall arrest the respondent, and shall turn the minor children over to the care and custody of the party to whom such care and custody was awarded.

3. The same procedures, including those designed to protect constitutional rights, shall be applied to the respondent as those applied to any individual detained in police custody.

4. (1) Violation of the terms and conditions of an ex parte or full order of protection with regard to abuse, child custody, communication initiated by the respondent, or entrance upon the premises of the victim's dwelling unit or place of employment or school, or being within a certain distance of the petitioner or a child of the petitioner, of which the respondent has notice, shall be a class A misdemeanor, unless the respondent has previously pleaded guilty to or has been found guilty in any division of the circuit court of violating an ex parte order of protection or a full order of protection within five years of the date of the subsequent violation, in which case the subsequent violation shall be a class D felony. Evidence of a prior plea of guilty or finding of guilt shall be heard by the court out of the presence of the jury prior to submission of the case to the jury. If the court finds the existence of a prior plea of guilty or finding of guilt beyond a reasonable doubt, the court shall decide the extent or duration of sentence or other disposition and shall not instruct the jury as to the range of punishment or allow the jury to assess and declare the punishment as a part of its verdict.

(2) For purposes of this subsection, in addition to the notice provided by actual service of the order, a party is deemed to have notice of an order of protection for a child if the law enforcement officer responding to a call of a reported incident of abuse or violation of an order of protection for a child presents a copy of the order of protection to the respondent.

5. The fact that an act by a respondent is a violation of a valid order of protection for a child shall not preclude prosecution of the respondent for other crimes arising out of the incident in which the protection order is alleged to have been violated."; and

Further amend said bill, Page 4, Section 513.653, Line 18, by inserting after all of said line the following:

"527.290. 1. Public notice of such a change of name shall be given at least three times in a newspaper published in the county where such person is residing, within twenty days after the order of court is made, and if no newspaper is published in his or any adjacent county, then such notice shall be given in a newspaper published in the City of St. Louis, or at the seat of government.

2. Public notice of such name change through publication as required in subsection 1 of this section shall not be required **and any system operated by the judiciary that is designed to provide public case information electronically shall not post the name change** if the petitioner is:

(1) The victim of a crime, the underlying factual basis of which is found by the court on the record to include an act of domestic violence, as defined in section 455.010;

(2) The victim of child abuse, as defined in section 210.110; or

(3) The victim of **[**abuse**]** **domestic violence** by a family or household member, as defined in section 455.010.

565.074. 1. A person commits the crime of domestic assault in the third degree if the act involves a family or household member **[**or an adult who is or has been in a continuing social relationship of a romantic or intimate nature with the actor**]**, as defined in section 455.010 and:

(1) The person attempts to cause or recklessly causes physical injury to such family or household member; or

(2) With criminal negligence the person causes physical injury to such family or household member by means of a deadly weapon or dangerous instrument; or

(3) The person purposely places such family or household member in apprehension of immediate physical injury by any means; or

(4) The person recklessly engages in conduct which creates a grave risk of death or serious physical injury to such family or household member; or

(5) The person knowingly causes physical contact with such family or household member knowing the other person will regard the contact as offensive; or

(6) The person knowingly attempts to cause or causes the isolation of such family or household member by unreasonably and substantially restricting or limiting such family or household member's access to other persons, telecommunication devices or transportation for the purpose of isolation.

2. Except as provided in subsection 3 of this section, domestic assault in the third degree is a class A misdemeanor.

3. A person who has pleaded guilty to or been found guilty of the crime of domestic assault in the third degree more than two times against any family or household member as defined in section 455.010, or of any offense committed in violation of any county or municipal ordinance in any state, any state law, any federal law, or any military law which, if committed in this state, would be a violation of this section, is guilty of a class D felony for the third or any subsequent commission of the crime of domestic assault. The offenses described in this subsection may be against the same family or household member or against different family or household members."; and

House Amendment No. 3

AMEND House Committee Substitute for House Bill No. 1515, Page 1, Section A, Line 5, by inserting after all of said section and line, the following:

"160.261. 1. The local board of education of each school district shall clearly establish a written policy of discipline, including the district's determination on the use of corporal punishment and the procedures in which punishment will be applied. A written copy of the district's discipline policy and corporal punishment procedures, if applicable, shall be provided to the pupil and parent or legal guardian of every pupil enrolled in the district at the beginning of each school year and also made available in the office of the superintendent of such district, during normal business hours, for public inspection. All employees of the district shall annually receive instruction related to the specific contents of the policy of discipline and any interpretations necessary to implement the provisions of the policy in the course of their duties, including but not limited to approved methods of dealing with acts of school violence, disciplining students with disabilities and instruction in the necessity and requirements for confidentiality.

2. The policy shall require school administrators to report acts of school violence to all teachers at the attendance center and, in addition, to other school district employees with a need to know. For the purposes of this chapter or chapter 167, "need to know" is defined as school personnel who are directly responsible for the student's

education or who otherwise interact with the student on a professional basis while acting within the scope of their assigned duties. As used in this section, the phrase "act of school violence" or "violent behavior" means the exertion of physical force by a student with the intent to do serious physical injury as defined in subdivision (6) of section 565.002 to another person while on school property, including a school bus in service on behalf of the district, or while involved in school activities. The policy shall at a minimum require school administrators to report, as soon as reasonably practical, to the appropriate law enforcement agency any of the following crimes, or any act which if committed by an adult would be one of the following crimes:

(1) First degree murder under section 565.020;

(2) Second degree murder under section 565.021;

(3) Kidnapping under section 565.110;

(4) First degree assault under section 565.050;

(5) Forcible rape under section 566.030;

(6) Forcible sodomy under section 566.060;

(7) Burglary in the first degree under section 569.160;

(8) Burglary in the second degree under section 569.170;

(9) Robbery in the first degree under section 569.020;

(10) Distribution of drugs under section 195.211;

(11) Distribution of drugs to a minor under section 195.212;

(12) Arson in the first degree under section 569.040;

(13) Voluntary manslaughter under section 565.023;

(14) Involuntary manslaughter under section 565.024;

(15) Second degree assault under section 565.060;

(16) Sexual assault under section 566.040;

(17) Felonious restraint under section 565.120;

(18) Property damage in the first degree under section 569.100;

(19) The possession of a weapon under chapter 571;

(20) Child molestation in the first degree pursuant to section 566.067;

(21) Deviate sexual assault pursuant to section 566.070;

(22) Sexual misconduct involving a child pursuant to section 566.083;

(23) Sexual abuse pursuant to section 566.100;

(24) Harassment under section 565.090; or

(25) Stalking under section 565.225; committed on school property, including but not limited to actions on any school bus in service on behalf of the district or while involved in school activities. The policy shall require that any portion of a student's individualized education program that is related to demonstrated or potentially violent behavior shall be provided to any teacher and other school district employees who are directly responsible for the student's education or who otherwise interact with the student on an educational basis while acting within the scope of their assigned duties. The policy shall also contain the consequences of failure to obey standards of conduct set by the local board of education, and the importance of the standards to the maintenance of an atmosphere where orderly learning is possible and encouraged.

3. The policy shall provide that any student who is on suspension for any of the offenses listed in subsection 2 of this section or any act of violence or drug-related activity defined by school district policy as a serious violation of school discipline pursuant to subsection 9 of this section shall have as a condition of his or her suspension the requirement that such student is not allowed, while on such suspension, to be within one thousand feet of any school property in the school district where such student attended school or any activity of that district, regardless of whether or not the activity takes place on district property unless:

(1) Such student is under the direct supervision of the student's parent, legal guardian, or custodian and the superintendent or the superintendent's designee has authorized the student to be on school property;

(2) Such student is under the direct supervision of another adult designated by the student's parent, legal guardian, or custodian, in advance, in writing, to the principal of the school which suspended the student and the superintendent or the superintendent's designee has authorized the student to be on school property;

(3) Such student is enrolled in and attending an alternative school that is located within one thousand feet of a public school in the school district where such student attended school; or

(4) Such student resides within one thousand feet of any public school in the school district where such student attended school in which case such student may be on the property of his or her residence without direct adult supervision.

4. Any student who violates the condition of suspension required pursuant to subsection 3 of this section may be subject to expulsion or further suspension pursuant to the provisions of sections 167.161, 167.164, and 167.171. In making this determination consideration shall be given to whether the student poses a threat to the safety of any child or school employee and whether such student's unsupervised presence within one thousand feet of the school is disruptive to the educational process or undermines the effectiveness of the school's disciplinary policy. Removal of any pupil who is a student with a disability is subject to state and federal procedural rights. This section shall not limit a school district's ability to:

(1) Prohibit all students who are suspended from being on school property or attending an activity while on suspension;

(2) Discipline students for off-campus conduct that negatively affects the educational environment to the extent allowed by law.

5. The policy shall provide for a suspension for a period of not less than one year, or expulsion, for a student who is determined to have brought a weapon to school, including but not limited to the school playground or the school parking lot, brought a weapon on a school bus or brought a weapon to a school activity whether on or off of the school property in violation of district policy, except that:

(1) The superintendent or, in a school district with no high school, the principal of the school which such child attends may modify such suspension on a case-by-case basis; and

(2) This section shall not prevent the school district from providing educational services in an alternative setting to a student suspended under the provisions of this section.

6. For the purpose of this section, the term "weapon" shall mean a firearm as defined under 18 U.S.C. 921 and the following items, as defined in section 571.010: a blackjack, a concealable firearm, an explosive weapon, a firearm, a firearm silencer, a gas gun, a knife, knuckles, a machine gun, a projectile weapon, a rifle, a shotgun, a spring gun or a switchblade knife; except that this section shall not be construed to prohibit a school board from adopting a policy to allow a Civil War reenactor to carry a Civil War era weapon on school property for educational purposes so long as the firearm is unloaded. The local board of education shall define weapon in the discipline policy. Such definition shall include the weapons defined in this subsection but may also include other weapons.

7. All school district personnel responsible for the care and supervision of students are authorized to hold every pupil strictly accountable for any disorderly conduct in school or on any property of the school, on any school bus going to or returning from school, during school-sponsored activities, or during intermission or recess periods.

8. Teachers and other authorized district personnel in public schools responsible for the care, supervision, and discipline of schoolchildren, including volunteers selected with reasonable care by the school district, shall not be civilly liable when acting in conformity with the established policies developed by each board, including but not limited to policies of student discipline or when reporting to his or her supervisor or other person as mandated by state law acts of school violence or threatened acts of school violence, within the course and scope of the duties of the teacher, authorized district personnel or volunteer, when such individual is acting in conformity with the established policies developed by the board. Nothing in this section shall be construed to create a new cause of action against such school district, or to relieve the school district from liability for the negligent acts of such persons.

9. Each school board shall define in its discipline policy acts of violence and any other acts that constitute a serious violation of that policy. "Acts of violence" as defined by school boards shall include but not be limited to exertion of physical force by a student with the intent to do serious bodily harm to another person while on school property, including a school bus in service on behalf of the district, or while involved in school activities. School districts shall for each student enrolled in the school district compile and maintain records of any serious violation of the district's discipline policy. Such records shall be made available to teachers and other school district employees with a need to know while acting within the scope of their assigned duties, and shall be provided as required in section 167.020 to any school district in which the student subsequently attempts to enroll.

10. Spanking, when administered by certificated personnel and in the presence of a witness who is an employee of the school district, or the use of reasonable force to protect persons or property, when administered by personnel of a school district in a reasonable manner in accordance with the local board of education's written policy of discipline, is not abuse within the meaning of chapter 210. The provisions of sections 210.110 to 210.165 notwithstanding, the children's division shall not have jurisdiction over or investigate any report of alleged child abuse arising out of or related to the use of reasonable force to protect persons or property when administered by personnel of a school district or any spanking administered in a reasonable manner by any certificated school personnel in the presence of a witness who is an employee of the school district pursuant to a written policy of discipline established by the board of education of the school district, as long as no allegation of sexual misconduct arises from the spanking or use of force.

11. If a student reports alleged sexual misconduct on the part of a teacher or other school employee to a person employed in a school facility who is required to report such misconduct to the children's division under section 210.115,

such person and the superintendent of the school district shall **[**forward**]** **report** the allegation to the children's division **[**within twenty-four hours of receiving the information**]** **as set forth in section 210.115**. Reports made to the children's division under this subsection shall be investigated by the division in accordance with the provisions of sections 210.145 to 210.153 and shall not be investigated by the school district under subsections 12 to 20 of this section for purposes of determining whether the allegations should or should not be substantiated. The district may investigate the allegations for the purpose of making any decision regarding the employment of the accused employee.

12. Upon receipt of any reports of child abuse by the children's division other than reports provided under subsection 11 of this section, pursuant to sections 210.110 to 210.165 which allegedly involve personnel of a school district, the children's division shall notify the superintendent of schools of the district or, if the person named in the alleged incident is the superintendent of schools, the president of the school board of the school district where the alleged incident occurred.

13. If, after an initial investigation, the superintendent of schools or the president of the school board finds that the report involves an alleged incident of child abuse other than the administration of a spanking by certificated school personnel or the use of reasonable force to protect persons or property when administered by school personnel pursuant to a written policy of discipline or that the report was made for the sole purpose of harassing a public school employee, the superintendent of schools or the president of the school board shall immediately refer the matter back to the children's division and take no further action. In all matters referred back to the children's division, the division shall treat the report in the same manner as other reports of alleged child abuse received by the division.

14. If the report pertains to an alleged incident which arose out of or is related to a spanking administered by certificated personnel or the use of reasonable force to protect persons or property when administered by personnel of a school district pursuant to a written policy of discipline or a report made for the sole purpose of harassing a public school employee, a notification of the reported child abuse shall be sent by the superintendent of schools or the president of the school board to the juvenile officer of the county in which the alleged incident occurred.

15. The report shall be jointly investigated by the juvenile officer or a law enforcement officer designated by the juvenile officer and the superintendent of schools or, if the subject of the report is the superintendent of schools, by the juvenile officer or a law enforcement officer designated by the juvenile officer and the president of the school board or such president's designee.

16. The investigation shall begin no later than forty-eight hours after notification from the children's division is received, and shall consist of, but need not be limited to, interviewing and recording statements of the child and the child's parents or guardian within two working days after the start of the investigation, of the school district personnel allegedly involved in the report, and of any witnesses to the alleged incident.

17. The juvenile officer or a law enforcement officer designated by the juvenile officer and the investigating school district personnel shall issue separate reports of their findings and recommendations after the conclusion of the investigation to the school board of the school district within seven days after receiving notice from the children's division.

18. The reports shall contain a statement of conclusion as to whether the report of alleged child abuse is substantiated or is unsubstantiated.

19. The school board shall consider the separate reports referred to in subsection 17 of this section and shall issue its findings and conclusions and the action to be taken, if any, within seven days after receiving the last of the two reports. The findings and conclusions shall be made in substantially the following form:

(1) The report of the alleged child abuse is unsubstantiated. The juvenile officer or a law enforcement officer designated by the juvenile officer and the investigating school board personnel agree that there was not a preponderance of evidence to substantiate that abuse occurred;

(2) The report of the alleged child abuse is substantiated. The juvenile officer or a law enforcement officer designated by the juvenile officer and the investigating school district personnel agree that the preponderance of evidence is sufficient to support a finding that the alleged incident of child abuse did occur;

(3) The issue involved in the alleged incident of child abuse is unresolved. The juvenile officer or a law enforcement officer designated by the juvenile officer and the investigating school personnel are unable to agree on their findings and conclusions on the alleged incident.

20. The findings and conclusions of the school board under subsection 19 of this section shall be sent to the children's division. If the findings and conclusions of the school board are that the report of the alleged child abuse is unsubstantiated, the investigation shall be terminated, the case closed, and no record shall be entered in the children's division central registry. If the findings and conclusions of the school board are that the report of the alleged child abuse is substantiated, the children's division shall report the incident to the prosecuting attorney of the appropriate county along with the findings and conclusions of the school district and shall include the information in the division's central registry. If the findings and conclusions of the school board are that the issue involved in the alleged incident of child

abuse is unresolved, the children's division shall report the incident to the prosecuting attorney of the appropriate county along with the findings and conclusions of the school board, however, the incident and the names of the parties allegedly involved shall not be entered into the central registry of the children's division unless and until the alleged child abuse is substantiated by a court of competent jurisdiction.

21. Any superintendent of schools, president of a school board or such person's designee or juvenile officer who knowingly falsifies any report of any matter pursuant to this section or who knowingly withholds any information relative to any investigation or report pursuant to this section is guilty of a class A misdemeanor.

22. In order to ensure the safety of all students, should a student be expelled for bringing a weapon to school, violent behavior, or for an act of school violence, that student shall not, for the purposes of the accreditation process of the Missouri school improvement plan, be considered a dropout or be included in the calculation of that district's educational persistence ratio.

210.115. 1. When any physician, medical examiner, coroner, dentist, chiropractor, optometrist, podiatrist, resident, intern, nurse, hospital or clinic personnel that are engaged in the examination, care, treatment or research of persons, and any other health practitioner, psychologist, mental health professional, social worker, day care center worker or other child-care worker, juvenile officer, probation or parole officer, jail or detention center personnel, teacher, principal or other school official, minister as provided by section 352.400, peace officer or law enforcement official, or other person with responsibility for the care of children has reasonable cause to suspect that a child has been or may be subjected to abuse or neglect or observes a child being subjected to conditions or circumstances which would reasonably result in abuse or neglect, that person shall immediately report **[**or cause a report to be made**]** to the division in accordance with the provisions of sections 210.109 to 210.183. As used in this section, the term "abuse" is not limited to abuse inflicted by a person responsible for the child's care, custody and control as specified in section 210.110, but shall also include abuse inflicted by any other person.

2. **[**Whenever such person is required to report pursuant to sections 210.109 to 210.183 in an official capacity as a staff member of a medical institution, school facility, or other agency, whether public or private, the person in charge or a designated agent shall be notified immediately. The person in charge or a designated agent shall then become responsible for immediately making or causing such report to be made to the division. Nothing in this section, however, is meant to preclude any person from reporting abuse or neglect**] When two or more persons who are required to report jointly have knowledge of a known or suspected instance of child abuse or neglect, a single report may be made by a member of the team. Any member who has knowledge that the member designated to report has failed to do so shall thereafter make the report**.

3. **The reporting requirements under this section are individual, and no supervisor or administrator may impede or inhibit any reporting under this section. No person making a report under this section shall be subject to any sanction for making such report. However, internal procedures to facilitate reporting and apprise supervisors and administrators of reports may be established provided such internal procedures are not inconsistent with this section.**

4. Notwithstanding any other provision of sections 210.109 to 210.183, any child who does not receive specified medical treatment by reason of the legitimate practice of the religious belief of the child's parents, guardian, or others legally responsible for the child, for that reason alone, shall not be found to be an abused or neglected child, and such parents, guardian or other persons legally responsible for the child shall not be entered into the central registry. However, the division may accept reports concerning such a child and may subsequently investigate or conduct a family assessment as a result of that report. Such an exception shall not limit the administrative or judicial authority of the state to ensure that medical services are provided to the child when the child's health requires it.

[4.**] 5.** In addition to those persons and officials required to report actual or suspected abuse or neglect, any other person may report in accordance with sections 210.109 to 210.183 if such person has reasonable cause to suspect that a child has been or may be subjected to abuse or neglect or observes a child being subjected to conditions or circumstances which would reasonably result in abuse or neglect.

[5.**] 6.** Any person or official required to report pursuant to this section, including employees of the division, who has probable cause to suspect that a child who is or may be under the age of eighteen, who is eligible to receive a certificate of live birth, has died shall report that fact to the appropriate medical examiner or coroner. If, upon review of the circumstances and medical information, the medical examiner or coroner determines that the child died of natural causes while under medical care for an established natural disease, the coroner, medical examiner or physician shall notify the division of the child's death and that the child's attending physician shall be signing the death certificate. In all other cases, the medical examiner or coroner shall accept the report for investigation, shall immediately notify the division of the child's death as required in section 58.452 and shall report the findings to the child fatality review panel established pursuant to section 210.192.

[6.**]** **7.** Any person or individual required to report may also report the suspicion of abuse or neglect to any law enforcement agency or juvenile office. Such report shall not, however, take the place of reporting **[**or causing a report to be made**]** to the division.

[7.**]** **8.** If an individual required to report suspected instances of abuse or neglect pursuant to this section has reason to believe that the victim of such abuse or neglect is a resident of another state or was injured as a result of an act which occurred in another state, the person required to report such abuse or neglect may, in lieu of reporting to the Missouri division of family services, make such a report to the child protection agency of the other state with the authority to receive such reports pursuant to the laws of such other state. If such agency accepts the report, no report is required to be made, but may be made, to the **[**Missouri**]** division **[**of family services**]**."; and

House Amendment No. 4

AMEND House Committee Substitute for House Bill No. 1515, Page 4, Section 513.653, Line 18, by inserting after all of said line the following:

"558.019. 1. This section shall not be construed to affect the powers of the governor under article IV, section 7, of the Missouri Constitution. This statute shall not affect those provisions of section 565.020, section 558.018 or section 571.015, which set minimum terms of sentences, or the provisions of section 559.115, relating to probation.

2. The provisions of subsections 2 to 5 of this section shall be applicable to all classes of felonies except those set forth in chapter 195, and those otherwise excluded in subsection 1 of this section. For the purposes of this section, "prison commitment" means and is the receipt by the department of corrections of an offender after sentencing. For purposes of this section, prior prison commitments to the department of corrections shall not include commitment to a regimented discipline program established pursuant to section 217.378. Other provisions of the law to the contrary notwithstanding, any offender who has pleaded guilty to or has been found guilty of a felony other than a dangerous felony as defined in section 556.061 and is committed to the department of corrections shall be required to serve the following minimum prison terms:

(1) If the offender has one previous prison commitment to the department of corrections for a felony offense, the minimum prison term which the offender must serve shall be forty percent of his or her sentence or until the offender attains seventy years of age, and has served at least thirty percent of the sentence imposed, whichever occurs first;

(2) If the offender has two previous prison commitments to the department of corrections for felonies unrelated to the present offense, the minimum prison term which the offender must serve shall be fifty percent of his or her sentence or until the offender attains seventy years of age, and has served at least forty percent of the sentence imposed, whichever occurs first;

(3) If the offender has three or more previous prison commitments to the department of corrections for felonies unrelated to the present offense, the minimum prison term which the offender must serve shall be eighty percent of his or her sentence or until the offender attains seventy years of age, and has served at least forty percent of the sentence imposed, whichever occurs first.

3. Other provisions of the law to the contrary notwithstanding, any offender who has pleaded guilty to or has been found guilty of a dangerous felony as defined in section 556.061 and is committed to the department of corrections shall be required to serve a minimum prison term of eighty-five percent of the sentence imposed by the court or until the offender attains seventy years of age, and has served at least forty percent of the sentence imposed, whichever occurs first.

4. For the purpose of determining the minimum prison term to be served, the following calculations shall apply:

(1) A sentence of life shall be calculated to be thirty years;

(2) Any sentence either alone or in the aggregate with other consecutive sentences for crimes committed at or near the same time which is over seventy-five years shall be calculated to be seventy-five years.

5. For purposes of this section, the term "minimum prison term" shall mean time required to be served by the offender before he or she is eligible for parole, conditional release or other early release by the department of corrections.

6. (1) A sentencing advisory commission is hereby created to consist of eleven members. One member shall be appointed by the speaker of the house. One member shall be appointed by the president pro tem of the senate. One member shall be the director of the department of corrections. Six members shall be appointed by and serve at the pleasure of the governor from among the following: the public defender commission; private citizens; a private member of the Missouri Bar; the board of probation and parole; and a prosecutor. Two members shall be appointed by the supreme court, one from a metropolitan area and one from a rural area. All members shall be appointed to a four-year term. All members of the sentencing commission appointed prior to August 28, 1994, shall continue to serve on the sentencing advisory commission at the pleasure of the governor.

(2) The commission shall study sentencing practices in the circuit courts throughout the state for the purpose of determining whether and to what extent disparities exist among the various circuit courts with respect to the length of sentences imposed and the use of probation for offenders convicted of the same or similar crimes and with similar criminal histories. The commission shall also study and examine whether and to what extent sentencing disparity among economic and social classes exists in relation to the sentence of death and if so, the reasons therefor sentences are comparable to other states, if the length of the sentence is appropriate, and the rate of rehabilitation based on sentence. It shall compile statistics, examine cases, draw conclusions, and perform other duties relevant to the research and investigation of disparities in death penalty sentencing among economic and social classes.

(3) **[**The commission shall establish a system of recommended sentences, within the statutory minimum and maximum sentences provided by law for each felony committed under the laws of this state. This system of recommended sentences shall be distributed to all sentencing courts within the state of Missouri. The recommended sentence for each crime shall take into account, but not be limited to, the following factors:

(a) The nature and severity of each offense;

(b) The record of prior offenses by the offender;

(c) The data gathered by the commission showing the duration and nature of sentences imposed for each crime; and

(d) The resources of the department of corrections and other authorities to carry out the punishments that are imposed.

(4)**]** The commission shall study alternative sentences, prison work programs, work release, home-based incarceration, probation and parole options, and any other programs and report the feasibility of these options in Missouri.

[(5) The commission shall publish and distribute its recommendations on or before July 1, 2004. The commission shall study the implementation and use of the recommendations until July 1, 2005, and return a report to the governor, the speaker of the house of representatives, and the president pro tem of the senate. Following the July 1, 2005, report, the commission shall revise the recommended sentences every two years.

(6)**] (4)** The governor shall select a chairperson who shall call meetings of the commission as required or permitted pursuant to the purpose of the sentencing commission.

[(7)**] (5)** The members of the commission shall not receive compensation for their duties on the commission, but shall be reimbursed for actual and necessary expenses incurred in the performance of these duties and for which they are not reimbursed by reason of their other paid positions.

[(8)**] (6)** The circuit and associate circuit courts of this state, the office of the state courts administrator, the department of public safety, and the department of corrections shall cooperate with the commission by providing information or access to information needed by the commission. The office of the state courts administrator will provide needed staffing resources.

7. Courts shall retain discretion to lower or exceed the sentence recommended by the commission as otherwise allowable by law, and to order restorative justice methods, when applicable.

8. If the imposition or execution of a sentence is suspended, the court may order any or all of the following restorative justice methods, or any other method that the court finds just or appropriate:

(1) Restitution to any victim or a statutorily created fund for costs incurred as a result of the offender's actions;

(2) Offender treatment programs;

(3) Mandatory community service;

(4) Work release programs in local facilities; and

(5) Community-based residential and nonresidential programs.

9. The provisions of this section shall apply only to offenses occurring on or after August 28, 2003.

10. Pursuant to subdivision (1) of subsection 8 of this section, the court may order the assessment and payment of a designated amount of restitution to a county law enforcement restitution fund established by the county commission pursuant to section 50.565. Such contribution shall not exceed three hundred dollars for any charged offense. Any

restitution moneys deposited into the county law enforcement restitution fund pursuant to this section shall only be expended pursuant to the provisions of section 50.565.

11. A judge may order payment to a restitution fund only if such fund had been created by ordinance or resolution of a county of the state of Missouri prior to sentencing. A judge shall not have any direct supervisory authority or administrative control over any fund to which the judge is ordering a defendant to make payment.

12. A defendant who fails to make a payment to a county law enforcement restitution fund may not have his or her probation revoked solely for failing to make such payment unless the judge, after evidentiary hearing, makes a finding supported by a preponderance of the evidence that the defendant either willfully refused to make the payment or that the defendant willfully, intentionally, and purposefully failed to make sufficient bona fide efforts to acquire the resources to pay.

13. Nothing in this section shall be construed to allow the sentencing advisory commission to issue recommended sentences in specific cases pending in the courts of this state."; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

On motion of Representative Cox, **House Amendment No. 4** was adopted.

Representative Elmer offered **House Amendment No. 5**.

WHEREAS, more than 7,000 people die each year due to the lack of organs, with an average of 18 people dying each day while on the waiting list for an organ donation; and

WHEREAS, approximately 30,000 people a year have begun new lives thanks to an organ transplant; and

WHEREAS, organs and tissue from a single nonliving donor can be used to benefit more than 50 people. Living donors can donate a kidney and parts of their liver, lung, pancreas, or intestine, and can be evaluated to help a friend, family member, or even donate anonymously to patients of the wait list; and

WHEREAS, raising and promoting awareness and information about the need for organ and tissue donors and encouraging people to become an organ donor and tissue donor is vitally important to increase the number of lives saved and changed for the better through organ donation; and

WHEREAS, the following excerpt is from "To Remember Me - I Will Live Forever", written by American Poet Robert Noel Test (1926 - 1994):

"...And don't call this my deathbed. Let it be called the bed of life, and let my body be taken from it to help others lead fuller lives.

Give my sight to the man who has never seen a sunrise, a baby's face or love in the eyes of a woman.

Give my heart to a person whose own heart has caused nothing but endless days of pain.

Give my blood to the teenager who was pulled from the wreckage of his car, so that he might live to see his grandchildren play.

Give my kidneys to the one who depends on a machine to exist from week to week.

Take my bones, every muscle, every fiber and nerve in my body and find a way to make a crippled child walk. Explore every corner of my brain.

Take my cells, if necessary, and let them grow so that, someday a speechless boy will shout at the crack of a bat and a deaf girl will hear the sound of rain against her window..."; and

WHEREAS, public awareness of the great need for organ donation is the key to increasing the number of organ donors and thereby saving lives and improving the quality of life for recipients of organ donation:

NOW THEREFORE BE IT RESOLVED that the members of the House of Representatives of the Ninety-sixth General Assembly, Second Regular Session, the Senate concurring therein, hereby designate April 2012 as "Donate Life Month" in Missouri.

HOUSE CONCURRENT RESOLUTION NO. 46

WHEREAS, Ameren Missouri owns and manages the Lake of the Ozarks, Bagnell Dam, and Osage hydroelectric plant under its license from the Federal Energy Regulatory Commission (FERC); and

WHEREAS, under its license agreement, Ameren Missouri was required to develop a shoreline management plan, which was submitted to FERC in 2008; and

WHEREAS, FERC regulations require that only land needed for the dam's operation, recreation, shoreline control, and environmental protection be included in the boundary; and

WHEREAS, Lake area residents and visitors enjoy a wide range of recreational activities and opportunities on lakefront property, including a 17,441 acre playground just south of Osage Beach; and

WHEREAS, Lake of the Ozarks State Park is Missouri's largest park with over 85 miles of shoreline and two public beaches, plus boat launching areas; and

WHEREAS, with the significant role that recreational activities play in the economic well-being of the Lake region, the current lakefront access enjoyed by residents, businesses, and visitors is vital to the financial viability and growth of the Lake of the Ozarks; and

WHEREAS, on July 26, 2011, FERC issued its order modifying and approving the shoreline management plan. In its order, FERC required Ameren Missouri to file for FERC approval a detailed report to each nonconforming structure and encroachment and Ameren Missouri's proposed course of action; and

WHEREAS, FERC did not demand or otherwise require any of the nonconforming structures be removed. On August 25, 2011, Ameren Missouri requested that FERC allow them to revise the project boundary to exclude those properties that were not needed to serve the purpose of the project; and

WHEREAS, Ameren Missouri requested that for those properties located within the current project boundary, where Ameren Missouri owns property in fee, upon which a residential dwelling has been built either in whole or in part, Ameren Missouri would redraw the project boundary to exclude the property, subject to certain conditions, such as environmental assessments, one-time fees, and legal surveys; and

WHEREAS, FERC clarified its position and specifically stated that "Nothing in the SMP, the July 26 Order or in this order has any impact on property rights. Whatever rights entities have in lands within the boundaries of the Osage Project - whether conferred by deed, lease, easement, or other conveyance - have not been and will not be altered by action in these proceedings. This Commission has no jurisdiction to rule on property rights, which are matters of state law."; and

WHEREAS, FERC did not approve the request to make homeowner's pay for legal surveys or the request for the payment of a one-time fee from the homeowners; and

WHEREAS, as part of the creation of the project boundary, Union Electric Land and Development Company reserved an easement to all of the lands that became the Lake of the Ozarks. For approximately 60 years thereafter, Union Electric allowed unrestricted access with little or no permits required; and

WHEREAS, developers and property owners acted in relation to that easement without question, with the common understanding that if land adjoining the lake was purchased, access to the water came with such property; and

WHEREAS, on January 31, 2012, Ameren Missouri filed its amended shoreline management plan with FERC which included a new project boundary for approval. Ameren Missouri says the new plan will ensure that most, but not all, of the 1,600 homes along the Lake of the Ozarks shoreline are not threatened with removal; and

WHEREAS, Ameren Missouri's new shoreline management plan revises the shoreline boundary so that most of the homes are no longer encroaching onto land that is part of the Bagnell Dam hydroelectric project; and

WHEREAS, banks and real estate companies in the Lake area warned that removal of homes and other structures would damage an already fragile real estate market; and

WHEREAS, the Missouri General Assembly is sensitive to the important nature of these issues for the property owners, citizens, and businesses; and

WHEREAS, hoping to end months of anxiety and confusion, to provide certainty, and to facilitate a swift resolution between FERC, Ameren Missouri, and the affected property owners, the Missouri General Assembly urges FERC and Ameren Missouri to cooperate and coordinate the proposed shoreline management plan with local government and the affected property owners; and

WHEREAS, coordination works because most federal agencies are specifically directed by Congress to work with local governments through this process before implementing policies or plans that will impact the local community; and

WHEREAS, given the impact of these important property questions on real estate transactions within the Lake of the Ozarks region, these property issues must be resolved with the utmost diligence; and

WHEREAS, since there is sufficient time prior to FERC's deadline for submission of a revised shoreline management plan in June 2012, Ameren Missouri should work with local government and the affected property owners to ensure that under the amended shoreline management plan no property owners in the affected areas will lose their homes or businesses:

NOW THEREFORE BE IT RESOLVED that the members of the House of Representatives of the Ninety-sixth General Assembly, Second Regular Session, the Senate concurring therein, hereby strongly urges Ameren Missouri, the Federal Energy Regulatory Commission, and the affected property owners to cooperate in coordinating a swift resolution to the shoreline management plan project at the Lake of the Ozarks that respects the rights of property owners under Missouri law; and

BE IT FURTHER RESOLVED that the Chief Clerk of the Missouri House of Representatives be instructed to prepare properly inscribed copies of this resolution for Ameren Missouri and the Federal Energy Regulatory Commission.

Committee on Veterans, Chairman Day reporting:

Mr. Speaker: Your Committee on Veterans, to which was referred **HJR 85**, begs leave to report it has examined the same and recommends that it **Do Pass**, and pursuant to Rule 25(32)(f) be referred to the Committee on Rules.

WHEREAS, some of these laws, in practice, have not had the intended effect of serving practitioners of criminal law and victims of crimes; and

WHEREAS, the Missouri Bar Association has spent four years developing recommendations for improving the Missouri Criminal Code, making the Code more cohesive and consistent, and repealing duplicative and conflicting provisions; and

WHEREAS, the recommendations of the Missouri Bar Association encompass more than 700 sections of law; and

WHEREAS, the General Assembly understands the importance and immensity of reviewing the recommendations and developing a plan to revise the Missouri Criminal Code:

BE IT FURTHER RESOLVED that the Committee shall conduct a comprehensive review of the Missouri Criminal Code and the Missouri Bar Associations recommendations, examine any other issues that the Committee deems relevant, and make any recommendations for improving the cohesiveness, consistency, and effectiveness of the state's criminal laws; and

BE IT FURTHER RESOLVED that the Committee be authorized to hold hearings as it deems advisable, and may solicit any input or information necessary to fulfill its obligations; and

BE IT FURTHER RESOLVED that the staffs of House Research and Senate Research shall provide such legal, research, clerical, technical and bill drafting services as the Committee may require in the performance of its duties; and

Atterburry**, 300 S.W. 2d 806 (Mo. 1957); and

BE IT FURTHER RESOLVED that the Committee report its recommendations and findings to the Missouri General Assembly by November 15, 2012, and the authority of such Committee shall terminate on November 14, 2012.

JOURNAL OF THE HOUSE

Second Regular Session, 96th GENERAL ASSEMBLY

FIFTY-SECOND DAY, THURSDAY, APRIL 5, 2012

The House met pursuant to adjournment.

Speaker Tilley in the Chair.

Prayer by Msgr. Robert A. Kurwicki, Chaplain.

Blessed are the peacemakers: for they shall be called children of God. (Matthew 5:9)

O God, we know that by ourselves we are not adequate for this day, nor are we ready for our responsibilities, nor are we equal to our experiences. By Your grace we can become adequate, by Your spirit we can be made ready, and by Your presence we can be equal to every experience.

As we wait upon You in prayer, reveal Yourself anew to us, and come into our hearts. Then with new peace, greater power, and with better perspective may we serve our state well this day and all days. Help us, the representatives of our people, to see clearly, to choose wisely, and to act courageously, that we may be among the true peacemakers of our time.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

Students from the Agape Boarding School, Stockton, Missouri, sang "The Star-Spangled Banner."

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Jermond L. Mosley, Lauren Sullivan, Mazie Patek, Michael Higdon, Kierston Higdon and Kelsey Johnston.

The Journal of the fifty-first day was approved as printed.

HOUSE CONCURRENT RESOLUTION NO. 49

WHEREAS, on February 16, 2012, the United States Environmental Protection Agency (EPA) promulgated its Mercury and Air Toxics Standards regulation for coal-fueled and oil-fueled electric generating plants; and

WHEREAS, EPA's own analyses show that the Mercury and Air Toxics Standards regulation is the single most expensive rule ever imposed by EPA on the electric power sector at a cost of $9.6 billion per year by 2016 and a total cost of $90 billion; and

WHEREAS, billions of dollars in compliance and other costs, including the construction of new power plants to replace plants forced to retire prematurely, resulting from the Mercury and Air Toxics Standards regulation will be passed on to residential, commercial, and industrial electricity consumers; and

WHEREAS, these unprecedented costs will increase the price of electricity and other types of energy at a time when families and businesses are struggling to cope with higher energy prices and job losses; and

WHEREAS, federal government data show that the average family in Missouri has already been forced to double its spending on energy over the past decade and that lower-income, fixed-income, and minority families in Missouri are harmed the most by higher energy prices; and

WHEREAS, the manufacturing sector nationwide has lost 5.5 million jobs since 2000, or 32% of its workforce, the sector's global competitiveness depends on affordable and reliable energy; and

WHEREAS, EPA has not provided an estimate of job losses that will be caused by the regulation, even though many analyses project that EPA regulations will cause higher energy prices and premature retirement of coal-fired power plants, resulting in financial hardship to consumers and further erosion of United States manufacturing jobs; and

WHEREAS, federal, state, and regional officials, public utility commissioners, regional electric reliability organizations, electricity generators, and manufacturing companies have expressed concerns that EPA regulations threaten the reliability of our nation's electric power grid; and

WHEREAS, coal-fueled power plants have already invested nearly $100 billion to meet clean air requirements and these investments have reduced emissions of major air pollutants by nearly 90% per kilowatt-hour of electricity generated; and

WHEREAS, the Missouri General Assembly supports improvements in air quality to protect the health of our citizens and the quality of our environment, and believes that such improvements can be made within a sensible time frame and at a reasonable cost; and

WHEREAS, the highest economic priority by federal, state, and local governments at the present time should be to support policies that stimulate economic growth and create jobs and to avoid policies that unnecessarily increase energy prices, hurt families, and cause job losses:

NOW THEREFORE BE IT RESOLVED that the members of the House of Representatives of the Ninety-sixth General Assembly, Second Regular Session, the Senate concurring therein, hereby calls on the United States Congress to adopt S.J.Res. 37, disapproving the Mercury and Air Toxics Standards regulation because of the unprecedented economic impacts of such regulation, and to ensure that EPA replaces it with a sensible regulation that achieves reductions in mercury emissions without unnecessary increases in energy prices, job losses, and threats to electric reliability; and

BE IT FURTHER RESOLVED that the Chief Clerk of the Missouri House of Representatives be instructed to prepare properly inscribed copies of this resolution for each member of the Missouri Congressional delegation.

Mr. Speaker: Your Committee on Tourism and Natural Resources, to which was referred **HB 1795**, begs leave to report it has examined the same and recommends that it **Do Pass with House Committee Substitute**, and pursuant to Rule 25(32)(f) be referred to the Committee on Rules.

JOURNAL OF THE HOUSE

Second Regular Session, 96th GENERAL ASSEMBLY

FIFTY-FOURTH DAY, WEDNESDAY, APRIL 11, 2012

The House met pursuant to adjournment.

Speaker Tilley in the Chair.

Prayer by Msgr. Robert A. Kurwicki, Chaplain.

Rejoice, and be exceedingly glad: for you are the salt of the earth. (Matthew 5:12, 13)

O God, Who is above us yet within us, far off yet very near - nearer than breathing and closer than hands and feet - we bow in Your presence with hearts filled with gratitude because You have been so wonderfully good to us.

We are what we are and we have what we have not because we deserve them, but because Your goodness has blessed our days, and Your spirit has led us along the way.

We thank You for these men and women, our representatives who are giving themselves in real and deep devotion to our state, who are seeking to put justice above injustice, and good will above ill will, principle above prejudice and liberty above license. May they continue to have the courage of their convictions and in these crucial days fail not us nor You.

Bless our state with Your favor and our leaders of this House with Your spirit. Together may we be channels for peace and for prosperity.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Journal of the fifty-third day was approved as printed.
